This innovative book is an interaction  
based on a series of interviews between  
the artist Ralph Rumney and the writer  
Alan Woods. Rumney's extraordinary life  
is chronicled here, as well as his works

Springs. Over the course of six wintry days in upstate New York, the Querry family begins to struggle with the questions that animate this profound and searching novel: Why do some people find living so much harder than others? Is happiness a skill that might be learned or a cruel accident of birth? Is reflection

conducive to happiness or an obstacle to it? If, as a favorite philosopher of Helen's puts it, "the only serious enterprise is living," how should we live? Rich in subtle human insight, full of poignant and often funny portraits, and vivid with a sense of place, James Wood's *Upstate* is a powerful, intense, beautiful novel.
