"A stunning follow-up to the best-seller Angelology. . . Part historical novel, fantasy, love story, thriller, and mystery. . . It's a must-read." —Booklist (starred review) A New York Times bestseller and global sensation, Angelology unfurled a brilliant tapestry of myth and biblical lore on our present-day world and plunged two star-crossed heroes into an ancient battle against mankind's greatest enemy: the fatally attractive angel-human hybrids known as the Nephilim. With Angelopolis, the conflict deepens into an inferno of danger and passion unbound. A decade has passed since Verlaine saw Evangeline alight from the Brooklyn Bridge, the sight of her new wings a betrayal that haunts him still. Now an elite angel hunter for the Society of Angelology, he pursues his mission with single-minded devotion: to capture, imprison, and eliminate her kind. But when Evangeline suddenly appears on a twilight Paris street, Verlaine finds her nature to be unlike any of the other creatures he so mercilessly pursues, casting him into a spiral of doubt and confusion that only grows when she is abducted before his eyes by a creature who has topped the society's most-wanted list for more than a century. The ensuing chase drives Verlaine and his fellow angelologists from the shadows of the Eiffel Tower to the palaces of St. Petersburg and deep into the provinces of Siberia and the Black Sea coast, where the truth of Evangeline's origins—as well as forces that could restore or annihilate them all—lie in wait. Conceived against an astonishing fresh tableau of history and science, Angelopolis plumbs Russia's imperial past, modern genetics, and ancient depictions of that most potent angelic appearance—the Annunciation of Gabriel—in a high-octane tale of abduction, treasure seeking, and divine warfare as the fate of humanity once again hangs in the balance.

A conclusion to the best-selling series that includes Halo finds the love between angel Bethany and her mortal boyfriend, Xavier, put to an ultimate test when they marry against Heavenly law and are subjected to punishment by rogue angels who want to darken angelic power in the heavens.

A latest entry in the best-selling series continues the epic love story between Ever and Damen, who confront bitter rivals, jealous friends and their own worst fears in order to secure their eternal love. By the author of Radiance.
