

### All Aout The Secret

*A ten-year-old orphan comes to live in a lonely house on the Yorkshire moors and discovers an invalid cousin and the mysteries of a locked garden.*

Originally published in 1928, *The Secret Teachings of All Ages* is Manly P. Hall's celebrated 20th century tome, where readers delight in discussions about ancient symbolism, rituals, and mythology. Manly P. Hall was a Canadian Author of over 150 published works, the best known of which are *Initiates of the Flame*, *The Story of Healing*, *The Divine Art*, *Aliens Magic* and *Sorcery The Secret Teachings of All Ages*, and *An Encyclopedic Outline of Masonic, Hermetic, Qabbalistic Rosicrucian Symbolical Philosophy*. Symbolism is the language of the Mysteries; in fact it is the language not only of mysticism and philosophy but of all Nature, for every law and power active in universal procedure is manifested to the limited sense perceptions of man through the medium of symbol. Every form existing in the diversified sphere of being is symbolic of the divine activity by which it is produced. By symbols men have ever sought to communicate to each other those thoughts which transcend the limitations of language. This book is often hailed as an encyclopedia for all things hidden, ancient, and arcane, and it explores a vast array of topics, from secret societies and the Zodiac to Mystic Christianity and William Shakespeare's identity. Despite some of the outdated and controversial ideas it poses now in the 21st century, it continues to fascinate students of the cryptic and mysterious.

**INTERNATIONAL BESTSELLER** • A contemporary literary classic and “an accomplished psychological thriller ... absolutely chilling” (Village Voice), from the Pulitzer Prize-winning author of *The Goldfinch*. Under the influence of their charismatic classics professor, a group of clever, eccentric misfits at an elite New England college discover a way of thinking and living that is a world away from the humdrum existence of their contemporaries. But when they go beyond the boundaries of normal morality their lives are changed profoundly and forever, and they discover how hard it can be to truly live and how easy it is to kill.

Sixteen-year-old Charlotte is convinced her life would be perfect if she could only get past the one obstacle holding her back: A girl named Bellany Silverfield, who seems to have it all -- beauty, popularity, power and the boy of Charlotte's dreams. But when Bellany is murdered, Charlotte's life doesn't get any better. In fact, it gets much worse. Charlotte worries that circumstantial evidence and rumors of motive will make her a prime suspect. She's forced to question the loyalty of her closest friends and to place her trust in a boy she barely knows. But one of these people is definitely lying to her.

*The Secret of Life*

*First in the mystery series from the New York Times bestselling author: “Anyone who loves novels that revolve around books will savor this tasty treat.”—Library Journal (starred review) A quirky club in small-town North Carolina holds the keys to health, happiness, friendship—and even solving a murder—all to be found within the pages of the right book... Strangers flock to Miracle Springs hoping the natural hot springs, five-star cuisine, and renowned spa can cure their ills. If none of that works, they often find their way to Miracle Books, where, over a fresh-baked “comfort” scone, they exchange their stories with owner Nora Pennington in return for a carefully chosen book. That’s Nora’s special talent—prescribing the perfect novel to ease a person’s deepest pain. So when a visiting businessman reaches out for guidance, Nora knows exactly how to help. But before he can keep their appointment, he’s found dead on the train tracks. Stunned, Nora forms the Secret, Book, and Scone Society, a group of damaged souls yearning to earn redemption by helping others. To join, members must divulge their darkest secret—the terrible truth that brought each of them to Miracle Springs in the first place. Now, determined to uncover the truth behind the businessman’s demise, the women meet in Nora’s cozy bookstore. And as they untangle a web of corruption, they also discover their own courage, purpose, and a sisterhood that will carry them through every challenge—proving it’s never too late to turn the page and start over... “Adams kicks off a new series featuring strong women, a touch of romance and mysticism, and both the cunning present-day mystery and the slowly revealed secrets of the intriguing heroines’ pasts.”—Kirkus Reviews*

From New York Times bestselling author Helena Hunting comes a new romance about trading secrets, breaking the rules, and playing for keeps. My name is Ryan Kingston, and I'm a rule follower. I've never been in a fistfight. I always obey the speed limit. I don't get drunk, and I definitely don't pick up random women at bars. Except the night I found out that my whole existence has been a lie. I got drunk. And picked up a stranger. Her name was Queenie, and she was everything I'm not: reckless, impulsive, and chaotic. We did shots and traded secrets. And ended up naked at my place. She left me a thank-you note in the morning and her panties as a parting gift. But no way to contact her. Six weeks later I'm sitting in the first official team meeting of the season, and there she is. I neglected to mention that I'm the goalie for Seattle's NHL team. And Queenie? Turns out she's the general manager's daughter.

The tale begins over three-hundred years ago, when the Fair People—the goblins, fairies, dragons, and other fabled and fantastic creatures of a dozen lands—fled the Old World for the New, seeking haven from the ways of Man. With them came their precious jewels: diamonds, rubies, emeralds, pearls... But then the Fair People vanished, taking with them their twelve fabulous treasures. And they remained hidden until now... Across North America, these twelve treasures, over ten-thousand dollars in precious jewels in 1982 dollars, are buried. The key to finding each can be found within the twelve full-color paintings and verses of THE SECRET. Are you smart enough? THE SECRET: A TREASURE HUNT was published in 1982. The year before publication, the author and publisher Byron Preiss had traveled to 12 locations in the continental U.S. (and possibly Canada) to secretly bury a dozen ceramic casques. Each casque contained a small key that could be redeemed for one of 12 jewels Preiss kept in a safe deposit box in New York. The key to finding the casques was to match one of 12 paintings to one of 12 poetic verses, solve the resulting riddle, and start digging. Since 1982, only two of the 12 casques have been recovered. The first was located in Grant Park, Chicago, in 1984 by a group of students. The second was unearthed in 2004 in Cleveland by two members of the Quest4Treasure forum.

Every president has had a unique and complicated relationship with the intelligence community. While some have been coolly distant, even adversarial, others have found their intelligence agencies to be among the most valuable instruments of policy and power. Since John F. Kennedy's presidency, this relationship has been distilled into a personalized daily report: a short summary of what the intelligence apparatus considers the most crucial information for the president to know that day about global threats and opportunities. This top-secret document is known as the President's Daily Brief, or, within national security circles, simply “the Book.” Presidents have spent anywhere from a few moments (Richard Nixon) to a healthy part of their day (George W. Bush) consumed by its contents; some (Bill Clinton and George H. W. Bush) consider it far and away the most important document they saw on a regular basis while commander in chief. The details of most PDBs are highly classified, and will remain so for many years. But the process by which the intelligence community develops and presents the Book is a fascinating look into the operation of power at the highest levels. David Priess, a former intelligence officer and daily briefer, has interviewed every living president and vice president as well as more than one hundred others intimately involved with the production and delivery of the president's book of secrets. He offers an unprecedented window into the decision making of every president from Kennedy to Obama, with many character-rich stories revealed here for the first time.

Two sisters come to terms with their extraordinary powers in a new middle grade fantasy from Supergirl’s Melissa Benoist and her sister, the writer Jessica Benoist, with the New York Times bestselling author, Mariko Tamaki Ellie McFadden has intuitive gifts. She can sense what other living things are feeling. She can even talk to animals! Too bad she can’t connect with her twin sister, Parker. Parker McFadden has kinetic gifts. She can cause shocks to the earth and produce heat energy that explodes from her body like fire, especially when she is angry. The sisters aren’t aware of the legacy they inherited from their mother until, on their thirteenth birthday, two mysterious relatives on the Power side whisk them off to an isolated sanctuary called Haven. Ellie immediately adapts to their new routine, but Parker has one impulse: to get back to her normal life of friends and sports, fast. Unlocking Haven’s secrets is just the beginning of what Ellie and Parker can do if they choose to work together to harness their abilities. But the sinister force that took their mother has other plans; and if the sisters’ fragile relationship succumbs to The Danger, a terrible fate may befall the people they love. This epic tale of two remarkable girls and the powers they wield is sure to appeal to fans of Chris Colfer, Rick Riordan, and Tui T. Sutherland.

"One of the best romantic-suspense novelists."–Associated Press The ship and her captain were supposed to be her salvation, but they both may end up leaving her in deep water Anna Brett fears she's doomed to be a governess to an English family for the rest of her life. But when the dashing captain Redvers Stretton struts back into her life, she is whisked away from the bleak English countryside forever. But is that such a good thing? While the charming blue-eyed captain makes Anna forget her troubled past, he is hiding dark secrets of his own. It's no coincidence that Stretton's ship is named The Secret Woman. During their voyage to the South Seas, with a murder dogging her steps and the mystery of a missing treasure haunting her dreams, Anna is forced to confront the clever captain—a man who may have just as many secrets as she.

"A compulsive middle grade thriller." -- Book Riot The email arrives Sunday night: Do exactly what I say, when I say it, or I will reveal your secret. On Monday morning, seventh graders Owen, Gemma, Ally, and Todd, who have nothing in common and barely know each other, must work together and follow the instructions of an anonymous blackmailer. None of them want to go along with the blackmailer's strange instructions, but each of them have a secret they must protect at all costs. Set during a single day of school, the students race against the clock to complete a unsettling list of tasks. They'll do whatever it takes to keep their secrets hidden . . . but when they discover what the blackmailer has in mind, they realize things may have just gone too far. Can they put a stop to the plan, or is it too late?

*The tenth-anniversary edition of the book that changed lives in profound ways, now with a new foreword and afterword. In 2006, a groundbreaking feature-length film revealed the great mystery of the universe—The Secret—and, later that year, Rhonda Byrne followed with a book that became a worldwide bestseller. Fragments of a Great Secret have been found in the oral traditions, in literature, in religions and philosophies throughout the centuries. For the first time, all the pieces of The Secret come together in an incredible revelation that will be life-transforming for all who experience it. In this book, you’ll learn how to use The Secret in every aspect of your life—money, health, relationships, happiness, and in every interaction you have in the world. You’ll begin to understand the hidden, untapped power that’s within you, and this revelation can bring joy to every aspect of your life. The Secret contains wisdom from modern-day teachers—men and women who have used it to achieve health, wealth, and happiness. By applying the knowledge of The Secret, they bring to light compelling stories of eradicating disease, acquiring massive wealth, overcoming obstacles, and achieving what many would regard as impossible.*

«Таинственный сад» – любимая классика для читателей всех возрастов, жемчужина творчества Фрэнсис Ходжсон Бернетт, роман о заново открытой радости жизни и магии силы. Мэри Леннокс, жестокое и испорченное дитя высшего света, потеряв родителей в Индии, возвращается в Англию, на воспитание к дяде–затворнику в его поместье. Однако дядя находится в постоянных отъездах, и Мэри начинает исследовать округу, в ходе чего делает много открытий, в том числе находит удивительный маленький сад, огороженный стеной, вход в который почему–то запрещен. Отъскав ключ и потайную дверцу, девочка попадает внутрь. Но чьи тайны хранит этот загадочный садик? И нужно ли знать то, что находится под запретом?.. Впрочем, это не единственный секрет в поместье...

**SOON TO BE A MAJOR MOTION PICTURE** • From #1 New York Times bestselling author Sophie Kinsella, a novel with the same wicked humor, buoyant charm, and optimism as her beloved Shopaholic series. Meet Emma Corrigan, a young woman with a huge heart, an irrepressible spirit, and a few little secrets: Secrets from her boyfriend: I’ve always thought Connor looks a bit like Ken. As in Barbie and Ken. Secrets from her mother: I lost my virginity in the spare bedroom with Danny Nussbaum while Mum and Dad were downstairs watching Ben-Hur. Secrets she wouldn’t share with anyone in the world: I have no idea what NATO stands for. Or even what it is. Until she spills them all to a handsome stranger on a plane. At least, she thought he was a stranger. . . . But come Monday morning, Emma’s office is abuzz about the arrival of Jack Harper, the company’s elusive CEO. Suddenly Emma is face-to-face with the stranger from the plane, a man who knows every single humiliating detail about her. Things couldn't possibly get worse. Or could they? Praise for Can You Keep a Secret? “Venturing beyond Saks and Barney’s, the bestselling author of Confessions of a Shopaholic and Shopaholic Ties the Knot entertains readers with backstabbing office shenanigans, competition, scandal, love and sex. . . . Kinsella’s down-to-earth protagonist is sure to have readers sympathizing and doubled over in laughter.”–Publishers Weekly “If laughing out loud in public places is your bag, be sure to pick up [Can You Keep a Secret?]. Heroine Emma Corrigan is going to be your new best friend.”–Boston Herald “Kinsella’s timing is so perfect, her instincts so spot-on, that it’s easy to . . . devour the book like the guilty pleasure it is.”–Miami Herald “Chick lit at its lightest and breeziest . . . filled with fabulous clothes, stalwart friends, and snotty enemies waiting to be taken down a peg.”–Orlando Sentinel

“This volume, by Biblical scholar Yochi Brandes, is a riveting novel based on textual sources about the experiences of David and Solomon. Its lessons are also relevant for our turbulent time.” —Elie Wiesel, #1 New York Times and internationally bestselling author of Night In the tradition of The Red Tent from internationally bestselling author Yochi Brandes comes the stories of the struggles of King David and King Saul in the early days of the Kingdom of Israel, seen through the eyes of Michal, Saul’s daughter and David’s abandoned queen Stories are deadlier than swords. Swords kill only those who stand before them, stories decide who will live and die in generations to come. Shelomoam, a young man from the tribe of Ephraim, has grown up in the shadow of dark secrets. He wonders why his father is deathly afraid of the King’s soldiers and why his mother has lied about the identities of those closest to him. Shelomoam is determined to unearth his mysterious past, never imagining where his quest will ultimately lead him. The Secret Book of Kings upends conventions of biblical novels, engaging with the canonized stories of the founding of the Kingdom of Israel and turning them on their heads. Presented for the first time are the heretofore unknown stories of the House of Saul and of the northern Kingdom of Israel, stories that were artfully concealed by the House of David and the scribes of the southern Kingdom of Judah. Yochi Brandes, one of Israel’s all-time bestselling novelists, enlists her unique background in both academic Jewish scholarship and traditional religious commentaries to read the Bible in an utterly new way. In this book, a major publishing phenomenon in Israel and one of the bestselling novels in the history of the country, she uncovers vibrant characters, especially women, buried deep within the scriptures, and asks the loaded question: to what extent can we really know our past when history is written by the victors?

The Secretis an international phenomenon that has inspired millions of people to live extraordinary lives. The Secret to Teen Powermakes that material accessible and relevant for today’s over programmed, stressed-out teens. It explains how the law of attraction can help teens navigate their friendships, relationships, schoolwork, money, and even more global issues like politics and the environment. It all happens through the basic principles outlined in The Secret to Teen Powerthat will bring happiness and fulfilment for all who embrace it.

The Secret to Love, Health, and Money

Welcome to the neighborhood. Watch your husband, watch your friends, and watch your back. Cat Winthorpe has worked hard to get what she has: a gorgeous home; social standing; and William, her successful, handsome husband. Then a friendly new couple moves into the estate next door. While cautious, a good neighbor like Cat greets them with open arms and warm hospitality. Neena Ryder isn’t a fellow lady of leisure. A life coach with off-the-rack dresses, personal issues, and a husband who hasn’t delivered, she’s anxious to move up in the world. This beautiful new town is a step in the right direction. It’s also making Neena aware of what she doesn’t have. Namely, William. When Neena’s infatuation escalates into obsession, it’s just a matter of eliminating a few obstacles to get the life she wants. The life next door. As Neena’s secret fixation grows, so does her friendship with Cat. But beneath their cordial interactions is a wealth of temptations, secrets, and toxic jealousy. For both women, the desire for a perfect life can turn perfectly dangerous.

Much has been said about the law of attraction and some have called it “the secret”. However, this topic is only a secret for those that didn’t know it yet as it has been mentioned and used for thousands of years. Most of the information is kept under the cover of faith and religious believe, and many have used this knowledge to control people and lead them within political agendas; others have used it for personal gaining while hiding it from everyone else. Whatsoever is the case there’s still plenty to learn about the law of attraction or the law of dream manifestation. Most books discussing it will show strategies, techniques and methods to obtain what we wish for in our life but they still hide the main secrets. These Authors show us what to do but not how it works, why it works or the purpose of its existence. After decades of personal studies on spirituality, a simplification within a specific theory was possible to explain more than anyone ever said about this issue. This book doesn’t intend to represent any religious dogma in particular and was written based on the insights from several spiritual believes, ancient and modern, as well as known and secret to the public. Religion promotes a life philosophy and, although very misleading, also talks about universal truth. This paradigm is being noticed by modern science, which in some fields attests the dogma and in others reveals its fallacy. We’re now much closer to know what is true, false or merely half-true. Quantum Physics, for example, is still at its starting point but much has explained already. Willing to describe a more complete understanding matching all these subjects, the Author will here reveal what he knows with a reasonable and humble perspective based on personal experiences. This book will not make any promises regarding becoming a millionaire or famous and none of the theories here exposed are immune to failure. Instead, it will explain how personal and spiritual growth matches the law of attraction and how we can understand life and the changes in our reality better while applying the necessary responsibility we must have as the spiritual beings that we are. The following chapters are supported by the Author’s background and studies in Religious Societies, Greek Philosophy, Chinese Philosophy, Modern Psychology and Psychopeadagogy, related to the mechanism of life and the anatomy of the spirit, as well as these sources’ acknowledgement in what can be applied to the law of attraction. The theory presented is complete, flexible, simple and practical, allowing an easy assimilation to any lifestyle. With this knowledge the reader will have the power to change reality and manifest his own desires, while understanding all the dynamics involved in such process. The major success of the first edition wasn’t expected but the Author took into consideration all kind opinions and uplifting reviews to improve this second edition and make it even more powerful and accessible to anyone. You have now in your hands a book that has been recommended by famous Entrepreneurs as being in the same level as Napoleon Hill “Think and Grow Rich” and Wallace D. Wattles “The Science of Getting Rich”, both books that inspired the movie “The Secret” and all the speakers in it. But also a book that climbed rapidly into the Bestsellers list of Amazon soon after being published for the first time. This is truly the most revealing book about the Secrets behind “The Secret”.

The author of The Millionaire Course counsels readers on how to live a life of fulfillment, ease, and inner peace, explaining how to use the power of the mind to realize one’s creative and spiritual potential. 25,000 first printing.

Charity has a past full of dark secrets that she keeps buried deep inside her cold heart. Samantha didn’t used to have any secrets, but that’s all about to change. And Roy, who seems to be caught in the middle, may have a haunting past of his own. When the small town they live in is hit with a devastating flood, the isolation and danger they must face will lead the three of them down a path they can never return from. One of them will have to go, for the others to survive. THEY ALL HAD A SECRET is the sequel to THEY ALL HAD A REASON.

Depicting the love of a boy for his toy and the power of friendship, The Power of Henry’s Imagination is sure to become an instant classic.

Read the series that’s sold more than 2 million copies—if you dare! Warning: this description has not been authorized by Pseudonymous Bosch. As much as he’d love to sing the praises of his book (he is very vain), he wouldn’t want you to hear about his brave 11-year old heroes, Cass and Max-Ernest. Or about how a mysterious box of vials, the Symphony of Smells, sends them on the trail of a magician who has vanished under strange (and stinky) circumstances. And he certainly wouldn’t want you to know about the hair-raising adventures that follow and the nefarious villains they face. You see, not only is the name of this book secret, the story inside is, too. For it concerns a secret. A Big Secret.

Everyone wants to be rich, but do you know that there is a SCIENCE OF GETTING RICH. This book explains in simple steps how you can first really yourself to earn more, without hassles or worries. From the simplest question of who all can actually get rich, to the small steps taken - like developing a will power, showing gratitude, getting into the right business - have been explained in detail, in everyday terms. Read on, and find out the secret behind changing your life and the way you earn.

Haven’s Secret (The Powers Book 1)

Enjoying fast-paced lives at the sides of some of society’s wealthiest men, Celess and Tina share a dangerous secret that puts their street smarts to the test. A first novel. Reprint.

In this spectacular new novel, Barbara O’Neal delivers a generous helping of the best in life-family, food, and love-in the story of a woman’s search for the one thing worth more than anything. At thirty-seven, Tessa Harlow is still working her way down her list of goals to “fall in love and have a family.” A self-described rolling stone, Tessa leads hiking tours for adventurous vacationers—it’s a job that’s taken her around the world but never a step closer to home. Then a freak injury during a trip already marred by tragedy forces her to begin her greatest adventure of all.

Located high in the New Mexico mountains, Las Ladronas has become a magnet for the very wealthy and very hip, but once upon a time it was the setting of a childhood trauma Tessa can only half remember. Now, as she rediscovers both her old hometown and her past, Tessa is drawn to search-and-rescue worker Vince Grasso. The handsome widower isn’t her type. No more inclined to settle down than Tessa, Vince is the father of three, including an eight-year-old girl as lost as Tessa herself. But Tessa and Vince are both drawn to the town’s most beloved eatery—100 Breakfasts—and to each other. For Tessa, the restaurant is not only the key to the mystery that has haunted her life but a chance to find the home and the family she’s never known.

True love never fades—and old secrets never die... Nora hasn’t looked back. Not since she fled Texas to start a new life. Away from her father’s volatile temper and the ever-watchful gaze of her claustrophobically conservative small town, Nora has freed herself. She can live—and love—however she wants. The only problem is that she also left behind the one woman she can’t forget. Now tragedy calls her back home to confront her past—and reconcile her future. Sophie seems to have everything—a wonderful daughter, a successful husband and a rewarding career. Yet underneath that perfection lies an explosive secret. She still yearns for Nora—her best friend and first love—despite all the years between them. Keeping her true self hidden hasn’t been easy, but it’s been necessary. So when Sophie finds out that Nora has returned, she hopes Nora’s stay is short. The life she has built depends on it. But they both find that first love doesn’t fade easily. Memories come to light, passion ignites and old feelings resurface. As the forces of family and intolerance that once tore them apart begin to reemerge, they realize some things may never change—unless they demand it.

“All Her Little Secrets is a brilliantly nuanced but powerhouse exploration of race, the legal system, and the crushing pressure of keeping secrets. Morris brings a vibrant and welcome new voice to the thriller space.” —Karin Slaughter, New York Times and international bestselling author In this fast-paced thriller, Wanda M. Morris crafts a twisty mystery about a black lawyer who gets caught in a dangerous conspiracy after the sudden death of her boss . . . A debut perfect for fans of Attica Locke, Alyssa Cole, Harlan Coben, and Celeste Ng, with shades of How to Get Away with Murder and John Grisham’s The Firm. Everyone has something to hide... Ellice Littlejohn seemingly has it all: an Ivy League law degree, a well-paying job as a corporate attorney in midtown Atlanta, great friends, and a “for fun” relationship with a rich, charming executive, who just happens to be her white boss. But everything changes one cold January morning when Ellice arrives in the executive suite and finds him dead with a gunshot to his head. And then she walks away like nothing has happened. Why? Ellice has been keeping a cache of dark secrets, including a small-town past and a kid brother who’s spent time on the other side of the law. She can’t be thrust into the spotlight—again. But instead of grieving this tragedy, people are gossiping, the police are getting suspicious, and Ellice, the company’s lone black attorney, is promoted to replace her boss. While the opportunity is a dream-come-true, Ellice just can’t shake the feeling that something is off. When she uncovers shady dealings inside the company, Ellice is trapped in an impossible ethical and moral dilemma. Suddenly, Ellice’s past and present lives collide as she launches into a pulse-pounding race to protect the brother she tried to save years ago and stop a conspiracy far more sinister than she could have ever imagined...
