Learn about love from one of America's greatest Black feminists. Maybe you came across bell hooks' brilliant work in high-school. Maybe she already holds a treasured spot on your bookshelf. Or maybe you're not familiar with her at all. No matter where you're coming from, All About Love (2000) is the perfect introduction to the work of one of the most talented and critically acclaimed feminist writers in American history. With All About Love, what you see is exactly what you get: a critical examination of romantic love in theory, practice, and application. By exploring what we do and don't understand about love, bell hooks creates a roadmap that will guide us to a more evolved and society.

Hamlet, probably composed between 1599 and 1601, takes place in Denmark and tells how Prince Hamlet carries out his revenge on his uncle Claudius who murdered Hamlet's father, the king, and holds the usurped crown as well as nuptials with Gertrude, the mother of Hamlet. The play is vividly traced around insanity (both real and feigned) and the course from deep pain to inordinate anger. It also explores the themes of betrayal, revenge, incest and moral corruption.

Essay from the year 2011 in the subject English - Literature, Works, grade: B, , course: Eng 382, language: English, abstract: LOVE is the essence of human existence. However what happens when a person is torn between two lovers. Do we love them both or do we sacrifice one. The Merchant of Venice truly is a play about love. Love between two men and love between a man and a woman. Love between Anotnio and Bassanio and love between Bassanio and Portia. However, when talking about love between the two male characters of this play, this paper has adopted the position that their love is not homoerotic in nature. This two types of love discussed in this paper is defined from two variants of the word love in the greek lanaguage "Love agape and love eros. This paper also seeks to establish the desires each type of love expresses to Bassanio and sees how they are in competition with each other to win the object of their affection.

Although John Dryden the poet is best known for his alexandrine epics, John Dryden the playwright is most honored for this blank verse tragedy. The summit of Dryden's dramatic art, All for Love (1677) is a spectacle of passion as felt, feared, and disputed in the suspicious years following the English Civil War. Due to its dramatic compression and elegance, All for Love is one of the most enduring plays of the Restoration repertory. It was so successful that in the eighteenth century Dryden's tragedy drove Shakespeare's Antony and Cleopatra from the stage. The play depicts the catastrophic passion of Cleopatra and Marc Antony, who could not be conquered but by love. Fidelity to family and friends, adherence to codes of honor, national loyalties, and the rule of law compete with each other, tearing the world with violence.

*"Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.*

*A New York Times bestseller and enduring classic, All About Love is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. All About Love reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in All About Love. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.*

The great scholar, W. E. B. Du Bois, once wrote about the Problem of race in America, and what he called "Double Consciousness," a sensitivity that every African American possesses in order to survive. Since childhood, Ailey Pearl Garfield has understood Du Bois's words all too well. Bearing the names of two formidable Black Americans—the revered choreographer Alvin Ailey and her great grandmother Pearl, the descendant of enslaved Georgians and tenant farmers—Ailey carries Du Bois's Problem on her shoulders. Ailey is reared in the north in the City but spends summers in the small Georgia town of Chicassetta, where her mother's family has lived since their ancestors arrived from Africa in bondage. From an early age, Ailey fights a battle for belonging that's made all the more difficult by a hovering trauma, as well as the whispers of women—her mother, Belle, her sister, Lydia, and a maternal line reaching back two centuries—that urge Ailey to succeed in their stead. To come to terms with her own

identity, Ailey embarks on a journey through her family's past, uncovering the shocking tales of generations of ancestors—Indigenous, Black, and white—in the deep South. In doing so Ailey must learn to embrace her full heritage, a legacy of oppression and resistance, bondage and independence, cruelty and resilience that is the story—and the song—of America itself.

From Colleen Hoover, the #1 New York Times bestselling author of *It Ends With Us*, a heart-wrenching love story that proves attraction at first sight can be messy. When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight. They wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all. Hearts get infiltrated. Promises get broken. Rules get shattered. Love gets ugly.

Beautiful early writings by one of the 20th century's greatest poets on the 150th anniversary of his birth A Penguin Classic The poems, prose, and drama gathered in *When You Are Old* present a fresh portrait of the Nobel Prize-winning writer as a younger man: the 1890s aesthete who dressed as a dandy, collected Irish folklore, dabbled in magic, and wrote heartrending poems for his beloved, the beautiful, elusive Irish revolutionary Maud Gonne. Included here are such celebrated, lyrical poems as "The Lake Isle of Innisfree" and "He Wishes for the Cloths of Heaven," as well as Yeats's imaginative retellings of Irish fairytales—including his first major poem, "The Wanderings of Oisín," based on a Celtic fable—and his critical writings, which offer a fascinating window onto his artistic theories. Through these enchanting works, readers will encounter Yeats as the mystical, lovelorn bard and Irish nationalist popular during his own lifetime. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. *More successful in its day than The Way of the World, which is now accounted Congreve's best play, Love for Love (1695) is a comical farce manifesting the verbal polish and the theatrical wit that audiences so enjoy in Congreve. Valentine, Sir Sampson's dissolute eldest son, finds himself at a standstill; the only way out of his financial difficulties is to give in to his father's pressure to renounce his right of inheritance. While this suggestion immediately increases the chances of his bluff younger brother Ben on the marriage mart, Valentine's own chances with his beloved Angelica would proportionally decrease. To avoid having to sign the renunciation Valentine puts on an 'antic disposition' and pretends to be mad. Angelica, seeing through him, provokes him back into sanity by pretending to agree to marry his father. Valentine recovers, the lovers reunite, and Ben, too, has meanwhile found the girl of his heart*

Ella Rubenstein is forty years old and unhappily married when she takes a job as a reader for a literary agent. Her first assignment is to read and report on *Sweet Blasphemy*, a novel written by a man named Aziz Zahara. Ella is mesmerized by his tale of Shams's search for Rumi and the dervish's role in transforming the successful but unhappy cleric into a committed mystic, passionate poet, and advocate of love. She is also taken with Shams's lessons, or rules, that offer insight into an ancient philosophy based on the unity of all people and religions, and the presence of love in each and every one of us. As she reads on, she realizes that Rumi's story mirrors her own and that Zahara—like Shams—has come to set her free.
