Sri Chaitanya-charitamrta is the main work on the life and teachings of Sri Chaitanya Mahaprabhu, the incarnation of Krishna who appeared in India five hundred years ago. Lord Chaitanya introduced the chanting of the holy names of God as the prescribed method of God-realization for our time. He began what is today called the Hare Krishna movement, since his movement's founder, Srila Prabhupada, comes in the Chaitanya line of spiritual masters. Lord Chaitanya transformed the face of India in four respects: philosophically, by encountering, defeating and converting the greatest philosophers and thinkers of His day; religiously, by organizing the largest, most widespread theistic movement in India's history; socially, by His strong challenges to the religious inequities of the caste system; politically, by His organization of a massive civil disobedience movement in Bengal, more than four centuries before Gandhi. This English translation with commentary, by His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, reveals his consummate Bengali and Sanskrit scholarship, his intimate familiarity with the precepts of Sri Chaitanya, and his pure devotion to God.

Packed with realistic advice on how to practice Krishna consciousness in a complex world. With many valuable philosophical insights and perspectives of guru-disciple interactions in the age of the internet From the Preface: "Patropadesa (patra—letter; upadesa—instruction, advice) consists of selected correspondence with disciples and other devotees. Circa 1997, I considered that some of the content of my letters to individuals might be useful for others also, and thus I started to collect relevant texts with the intention of later publishing them as an anthology. Now, some fifteen years later, this volume is the result.This compilation is intended primarily for my direct disciples and others who are familiar and comfortable with my stringent approach to Krishna consciousness. Many of the letters featured herein deal with grave and sensitive topics and therefore offer insights into the practical application of the teachings of Krishna consciousness in today's highly disturbed world. However, I have chosen not to include most of the polemic missives that I have written over the years regarding various contentious issues within ISKCON, as I feel that such matters require comprehensive analyses rather than decontextualized and incomplete perspectives. Nonetheless, this book is evidence that gurus in ISKCON must contend with many weighty topics and do not, as some persons seem to believe, merely bask in adulation." Bhakti Vikasa Swami

The glory of Puttaparthi is the glory of Bhagawan Sri Sathya Sai Baba, who though unfathomable, gives immense joy to millions round the globe. Puttaparthi, a remote village in the Anantapur District of Andhra Pradesh in S. India, is not only the sacred place of birth of Sri Baba but also the centre of his spiritual work.In this book, the author has endeavoured to share with readers his discovery of several facets of Indian spirituality and religion, as expounded by Sri Baba: the myriad facets of Sri Baba’s personality; Sri Baba’s concern for youth; Sri Baba’s views on several subjects and, most important, Bhagawan Sri Sathya Sai Baba as the ideal man and the divine man, engaged in the mission of uplifting humanity.

The Glory of Sri Sri Ganesh shows the lives of the underdogs the Lachhmis, the Rukmanis, the Mohors and the Haroos as a contrast to the lives of their all-powerful overlords the Medinis and Ganeshes. Lachhima, whose leashed bitterness and anger of a lifetime against Medini and Ganesh is liberated at the end of the novel when Ganesh begs her to save his life, decides to save him, but on her own terms. The title of the work itself becomes a tool for subversion in this sprawling novel which takes the reader through a multilayered narrative into the socio-economic malaise of post-independence rural India. Mahasweta Devi’s corrosive humour and cryptic style are at their

as she takes on issues of agrarian land relations, inter-caste violence, so-called rural development and position of women in rural India. Considered one of Mahasweta Devi’s most important works, this novel, written in 1981, appeared shortly after her seminal Chhottii Munda and His Arrow. The hope of liberation contained in Chhotti Munda continues in this book. As the author says, Chhotti Munda talked of the dream of the dispossessed tribals uniting in struggle with the equally marginalized low caste communities; while this novel shows how being landless and being born low caste is almost inevitably linked in India. Mahasweta Devi is one of India’s foremost writers. Her powerful fiction has won her recognition in the form of the Sahitya Akademi (1979), Jnanpith (1996) and Ramon Magsaysay (1996) awards, the title of Officier del Ordre Des Arts Et Des Lettres (2003) and the Nonino Prize (2005) amongst several other literary honours. She was also awarded the Padmasree in 1986, for her activist work

Sri Sri Chaitanya Charitamrita: Anlyadhurillila. 2 v
"Little sir, please be seated. I am talking to my Divine Mother." Silently I had entered the room in great awe. The angelic appearance of Master Mahasaya fairly dazzled me. With silky white beard and large lustrous eyes, he seemed an incarnation of purity. His upraised chin and folded hands apprized me that my first visit had disturbed him in the midst of his devotions. His simple words of greeting produced the most violent effect my nature

had so far experienced. The bitter separation of my mother's death I had thought the measure of all anguish. Now an agony at separation from my Divine Mother was an indescribable torture of the spirit. I fell moaning to the floor.

On the nature of mind, Brahma, etc., according to the philosophy of Ramakrishna, 1836-1886; originally written in verse in the form of a dialog between the master and his devotee.

Sri Shirdi Sai Baba (18381918), the first one in the trinity of Sai Baba Avatars (incarnations), was the incarnation of Lord Shiva. He led the life of an ideal Sufi saintbegging for alms; helping all, teaching the basics of morality and spirituality in his typical rural, rustic, simple, and lively manner, telling true stories of many births of his devotees and other creatures, and by his very brief and heart-penetrating comments and pieces of advice. He taught all to believe in God, who is omnipotent, omnipresent, and omniscient, and the One Malik (Master) of all who is present in every creature. Gods grace can be achieved by anyone by earnestly remembering Him; by being moral, kind, and loving to all creatures, and by doing ones duties honestly and sincerely. Sai Baba always gave genuine assurances to those who called upon him for his miraculous grace and helped the distressed ones instantly. It is a well-known fact that Sri Shirdi Sai Babas grace is being experienced by countless people throughout the world, but only a few of such incidents are published in Sai Journals and on the Internet. This book is a collection of invaluable articles on Sri Shirdi Sai Babas legendary grace and thrilling record of over two hundred testimonials on Sri Shirdi Sai Babas grace for getting instant solution of and relief in their problems and seek proper guidance shall find this book a boon.

Collective biographies and Vaishnava pilgrims in Vrindavan.
A special volume of writings by the founder of Sri Gopinath Gaudiya Math published to commemorate the opening of the samadhi temple built in his honor. In 2004, Swami B. P. Puri's Samadhi Mandir in Mayapur, India, was completed. The date of its inauguration, agreed upon by astrologers and devotees, was set for March 4th. This publication commemorates that auspicious day. Samadhi includes chapters on "Chanting Inattentively," "Spiritual Entry into the Holy Dham," and "Transcending Duality through Service to the Lord." The book also includes an article by Swami B. B. Bodhayani, detailing Swami B. P. Puri's auspicious advent and boyhood pastimes.

The hero's quest for the extraordinary – an ever-recurring theme in literature – reflects the urge of every heart at its noblest to discover the full possibilities of life. Anyone dissatisfied with the scant potential of mundane existence is naturally stimulated by the prospect of finding, even vicariously, a world of greater liberty. There should be some better place for the soul. Why should happiness be so elusive, and why should confusion and resentment always shroud the mind's eye, making it unable to see clearly what is in front of it? Srila Sanatana Goswami's Bhrad-bhagavatamra, written in Sanskrit nearly five hundred years ago, is a gemlike example of the quest genre, but different from the sort commonly encountered in table and fiction. Narada and Gopa-kumara, the respective heroes of this book's two parts, are searching for the key to fulfillment much subtler than wealth, influence, mundane love, the Fountain of Youth, or even the Holy Grail. Narada has vast experience of the cosmos; Gopa-kumara is illiterate and naive; yet they share the same vision of what is most valuable. What both want is not to conquer or exploit on any level, but to explore the mystery of selfless service. As Narada already knows, and Gopa-kumara will gradually learn, the superior mode of life they seek is personal and defined by the interplay of those who take part in it, rather than by material laws of nature. In Volume One of Sri Bhrad-Bhagavatamrta, the great sage Narada, a pure devotee of Krishna, travels from earth to heaven and the spiritual world in search of the greatest recipient of Krishna's mercy. As he proceeds on his journey, Narada meets many pure devotees of Krishna and gives evidence to show how that devotee has been favored by Krishna. Each devotee, embarrassed to hear himself praised, recommends that Narada visit another devotee. Narada sees greater and greater manifestations of Krishna's mercy, until he finds those pure souls who embody the complete manifestation of Krishna's mercy – the exalted gopis of Vraja. Join Narada on his quest and discover his awe, love, and deepest appreciation as he grasps the gopis' position as Krishna's best devotees.

The Inner Light

George Harrison : After the Break-up of the Beatles

Or, Esoteric Hindulsm

The esoteric ancient times were inclined to give their attention not only to the external world of inert matter, but also to the world within, the vital world of consciousness. Those sages who understood the importance of such contemplation comprise the prime subject matter of this book. Especially in the troubled world of today, it is by the conscientious study of their activities and teachings that we may come to understand the Absolute Truth, or the Ultimate Reality, and attain lasting peace and joy. The pastimes of such great, sagely personalities have been narrated in detail in an ancient collection of works known as the Puranas, as well as in timeless epics such as the Mahabharata, Ramayana, and other Vedic literatures. In this book, Srila Bhakti Ballabha Tirtha Goswami Maharaja, a bona fide self-realized representative of the bhakti (devotional) lineage, has narrated important episodes and addressed salient points in these literatures. Thus, the avid reader may understand their inner meaning and apply this knowledge to their search for real happiness. Ultimately, such unadulterated, permanent happiness, according to the devotional tradition, is realized as the attainment of pure love of God, Sri Krishna. Sri Ramakrishna is an ocean in whose heart the universe is nested like an island. Awed by the expanse of infinite depth around, we in the universe constantly try to perceive this personality in our own way. Our perception is unique every time as is the knowledge we obtain thereby. Approaching Ramakrishna becomes our prayer to the supreme reality. Published by Advaita Ashrama, a publication house of Ramakrishna Math, Belur Math, India in commemoration of the 175th Birth Anniversary of Sri Ramakrishna.
