The book is about the Alpha and Omega God. It is my testimony in regard to the existence and the will of the Deity creator for the entire creation activities. I started to write about this supernatural and omnipotent God from the beginning, which is unknown time. I then proceeded in writing all the way to the time of eternity. In the book, I have talked and tried to prove the creatorship and rulership situation or condition of the Trinity God. I have done this to make peoples of this world believe in existence of the almighty and the ubiquitous God who caused every thing seen and unseen to emerge and exist as they are found now.

Amen Code diagrams the original sacred teachings written prior to the formation of Christianity, reveals the process of how all things come into being from the invisible realms, reveals the divine map of the heavens and our path to our true home, and is a thorough analysis and mathematical confirmation of Jesus' advanced teachings. Jesus' original teachings were found in Egypt, taught only to his disciples, and contain elements of mathematics and Greek and Egyptian culture. Jesus' sacred teachings reveal the secrets of the heavens, and the process of creation to confirm the invisible and visible multiverse and our purpose while in the material world. 839 pp. Full color. The Alpha and Omega

The Adam and Eve narrative in Genesis 2-3 has gripped not only biblical scholars, but also theologians, artists, philosophers, and almost everyone else. In this engaging study, a master of biblical interpretation provides a close reading of the Yahwist story. As in his other works, LaCocque makes wise use of the Pseudepigrapha and rabbinic interpretations, as well as the full range of modern interpretations. Every reader will be engaged by his insights.

This book is about the amazing revelation of God ' s plan for the whole world. He knows the end from the beginning. The first part of the book encompasses all the aspects of salvation; and the consequences of not accepting his plan of salvation and obeying his word. This is a wonderful eye-opening book that enables us to walk through the corridors of time until we see the New Heaven and earth. It reveals the contrast between the Old and New Testament. This book answers the question of predestination. It also shows that the Father, Son, and Holy Spirit are one.... unequivocally. It tells us what the definition of belief is. Scripture interprets scripture. With any doctrinal truth scattered throughout the Bible, when brought together according to topic, there can be no doubts of the truth of each doctrine. Part two of the book is all about interpreting the book of Revelation. Some of the scriptures have many topics. There are seven topics in Revelation 1:4: These are.... the seven churches; grace; peace; from him which is, and which was, and which is to come, and from the seven spirits: I have capitalized REVELATION and each subsequent TOPIC. The first time I write the scripture I do not put an asterisk in front of REVELATION. After the initial scripture I put an * in the front of every scripture *REVELATION until all the topics have been exhausted. EACH NEW SCRIPTURE IN REVELATION IS CAPITALIZED.

ÿ Many eminent bible scholars have studied the intriguing question of end days prophecy, while misleading and sometimes absurd claims have been made by the less qualified. Finding many of his questions unanswered by generally accepted past or current explanations, the author set out on a journey to discover for himself the likely truth revealed in the message to men given in the bible. He has written this book in an attempt to clear a path through the jungle of speculation. ?The only reliable answers must be found in the scriptures themselves, even if their truths are, at times, well and truly hidden,? he writes. A fascinating study for those who long to know what truly lies in store for us on earth when the final day arrives.

The book of Revelation becomes more relevant every day, yet many avoid its pages due to the cryptic content. Being the only book of the Bible that promises a blessing to the one who reads and understands the message, one can surmise that the Author meant for the text to be grasped. Revelation sets itself apart by being a military scenario for the final redemption of the earth. Since it is a tactical and strategic plan, God saw fit to code it with idioms and synoptic phrases that will lead the reader to discover detail through events and prophesies found in the Old Testament. Like the parables, these coded messages were designed to blind the scoffer, yet enlighten the seeker. The Sand Table examines each verse of Revelation, then presents the content with simple explanations and references. It also explores the use of new technology to be wielded by political and global powers moving toward world conquest. In all their stratagem, God has a few maneuvers of His own.

Written from a Catholic viewpoint; examines in novel form the human spiritual growth of Jesus, alongside his divine nature. Like Job, Jesus undergoes trials to perfect his human faith. Calamity hits, and Jesus ends up working off his debt as a caravan camel herder. He uses the time to perfect his soul, which is the only thing remaining. Honor, wealth, future have all be stripped from him.

Jesus even loses his foster son. After five years as a caravan worker, Jesus enters an Essene monastery (they really existed). His mission in Galilee is just his domestic Essene mission, with one new bit of doctrine...the Messiah is now in Israel, and it is he! You know the rest of the story, but not like this...New miracles, new parables, new wilderness trials. All doctrinally correct, but more, so to speak. The book has an exceptionally moving Garden of Gethsemane scene.

Renewal Theology deals with the full range of Christian truth from within the charismatic tradition. Previously published as three separate volumes, Renewal Theology represents the first exhaustive, balanced articulation of charismatic theology. Renewal Theology discusses: Book One--God, the World, and Redemption - Book Two--Salvation, the Holy Spirit, and Christian Living - Book Three--The Church, the Kingdom, and Last Things. As theology, this work is an intellectual achievement. But it is much more than that. The author urges the church to undertake its task of theology in the proper spirit: - an attitude of prayer - a deepening sense of reverence - an ever-increasing purity of heart - a spirit of growing love - a theological approach rooted in the glory of God. Done in such a spirit, theology becomes a faithful and powerful witness to the living God.

A Road to Christianity, Islam and Judaism contains brief overviews of the three major religions in the world today. They are the Islamic religion, the Judaic religion, and the Christian religion. These overviews, with supporting biblical and Quranic verses, are related in the form of roads with their twists, turns, ruts, and potholes. Many roads or overviews are unknown or learned based on the learners heritage (e.g., original sin). It would take a person a lifetime to research all the minutiae connected with the history, tenets, beliefs, congregations, sects, churches, mosques, synagogues, and people of the three major religions. The three religions have many differences, as well as many similarities. All three religions believe in the same god/creator and Old Testament characters, except by different names. All three religions believe in resurrections, the afterlife, Adam and Eve, and messengers. In a unique complement of history, current events, Bible exegesis and numeric phenomena, this book examines the crisis in the world since 9/11 with challenging topics for all people of faith. This book notes scriptures concerned with Jesus' return and events leading up to that event, and even more, the whole course of humanity on Earth.

After studying and preaching Revelation, Don English was left with many unanswered questions. Given an opportunity by God, he spent a full year studying only Revelation: reading, praying, and asking God for answers. Believing that God, through his Holy Spirit, had given him some answers that he could not find elsewhere, Don determined to put these answers onto paper; and so, Alpha, Omega, Alpha was born. A practical, common sense approach to the book of Revelation, Alpha, Omega, Alpha is a must-read for serious Bible students and new Christians alike. Using sound interpretation principles, this book will challenge the reader to read more critically the information that God gave to his apostle John. Follow along with the author

as he reveals the meanings and messages behind the events—from the resurrection of the dead and the seven seals to the final battle and the final judgment—in one of the Bible's most important books. Alpha, Omega, Alpha will give the reader the zeal and the desire to further study and understand the message from the hand of God.

The activities of pro-Israel pressure groups and lobbyists in the US are well-known. But the pro-Israel lobby in Europe is less prominent in both academic and media accounts. In a unique account, Elvira King identifies the pro-Israeli groups which attempt to influence policy-makers and implementers in the EU, specifically examining Christian Zionist groups. Through a detailed study of the European Coalition for Israel (ECI), the only Christian Zionist lobby in Brussels, Elvira King analyses whether and how a religious group can (and can fail to) influence decision-makers in the EU. By exploring the context of European relations with Israel as well as the mechanisms through which pressure groups are able to influence EU-wide policies, King offers an analysis which demonstrates how the EU can be a site where religion and politics meet, rather than just being a secular institution. It therefore contains vital primary research for both those interested in the pro-Israel lobby as well as those examining the role of religion in politics more generally.

THE KINGS TO END OF OLD TESTAMENT What kind of leader was the first King of Israel? Why was King David considered "A man after God's own heart," when he was an adulterer and murderer? What happened when Josiah found the lost scroll during temple renovation? How was the Kingdom of Israel divided? When did it become one nation again? What was the Babylonian captivity and what important things came to light during that period? The answers to these questions are in this book.

This volume, *The Basal Ganglia VII*, is derived from the proceedings of the Seventh Triennial Meeting of the International Basal Ganglia Society (IBAGS). The Meeting was held from 11 - 15 February 2001 at The Copthorne Resort, Waitangi, Bay of Islands, New Zealand, the site of the signing of the Treaty of Waitangi in 1840 and the traditional birthplace of the New Zealand Nation. As at previous Meetings, our aim was to hear and discuss new ideas and research developments on the basal ganglia and the implications of these findings for novel treatment strategies for basal ganglia disorders. The International Basal Ganglia Society (IBAGS) was founded in September 1983 when a small group of about 50 neuroscientists and clinicians with a passion for research on the basal ganglia met for a three day meeting in a small isolated seaside resort, Lome, 150km from Melbourne in Australia. The meeting was organised by John McKenzie and was so successful that the participants decided to establish IBAGS and to meet every 3 years at an isolated seaside resort in different countries of the world.

DOWN, BUT NOT OUT! Reflections of a Hurricane Katrina Survivor It is amazing how your life can change in an instant, proving the old saying "here today and gone tomorrow" as true. This is exactly what happened on August 29, 2005, my oldest son's birthday will now go on record as the day Hurricane Katrina changed our lives forever. The floodwaters of Katrina violently rushed into New Orleans causing me to lose my home, job, and city. My family and friends are scattered about the country. It affected every aspect of my entire life from the way I worship to the way I conduct personal business nothing was spared. No one unless experiencing it first hand will ever imagine or understand the pain, depression, stress, and sorrow Katrina left behind. If you look beyond the French Quarter and the beautiful Garden District, you will find on a street less than fifteen minutes away, my home. The home I plan to raise my family and build a lifetime of memories now awaits my decision on whether to rebuild or not. Today the cameras and focus is off New Orleans, and our faces are no longer coming across your television sets; however, we are still here feeling the effects. We the hurricane survivors are still struggling to pick up the pieces of our lives; we are facing very difficult times and having to make extremely difficult decisions while many of us are still unable to return home. "DOWN, BUT NOT OUT! Reflections of a Hurricane Katrina Survivor" expresses the pain, anguish, and stress of my experience. My deepest personal thought

Who is Jesus Christ? You've never met Him in person, and you don't know anyone who has. But there is a way to know

who he is. How? Jesus Christ - the divine Person revealed in the Bible - has a unique excellence and a spiritual beauty that speaks directly to our souls and says, "Yes, this is truth." It's like seeing the sun and knowing that it is light, or tasting honey and knowing that it is sweet. The depth and complexity of Jesus shatter our simple mental frameworks. He baffled proud scribes with his wisdom but was understood and loved by children. He calmed a raging storm with a word but would not get himself down from the cross. Look at the Jesus of the Bible. Keep your eyes open, and fill them with the portrait of Jesus in God's Word. Jesus said, "If anyone's will is to do God's will, He will know whether the teaching is from God or whether I am speaking on my own authority." Ask God for the grace to do His will, and you will see the truth of His Son. John Piper has written this book in the hope that all will see Jesus for who he really is and will come to enjoy him above all else.

Do the Scriptures really identify who the Messiah is and what His role is to be? Author John Shumaker takes an in-depth look into the original Hebrew Scriptures in his book *The Mystery of the Alpha and Omega* and reveals something hidden for our discovery. Proverbs 25: 2 says, It is the glory of God to conceal a matter, But the glory of kings is to search out a matter. (NASB). God has hidden in the original Hebrew text the role of the Messiah?the role that Messiah Yeshua (Jesus) fulfilled to the very letter recorded in the original text. In his book *The Mystery of the Alpha and Omega*, Shumaker takes us to eighteen of these verses and reveals to us something hidden within the text of the Tanakh (Hebrew title of the Old Testament) and revealed through the person of the Messiah Yeshua in the New Testament. This is truly a scriptural revelation!

This is the first of a four-volume groundbreaking study of Christological origins. The fruit of twenty years research, *Jesus Monotheism* lays out a new paradigm that goes beyond the now widely held view that Paul and others held to an unprecedented "Christological monotheism." There was already, in Second Temple Judaism and in the Bible, a kind of "christological monotheism." But it is first with Jesus and his followers that a human figure is included in the identity of the one God as a fully divine person. Volume 1 lays out the arguments of an emerging consensus, championed by Larry Hurtado and Richard Bauckham, that from its Jewish beginnings the Christian community had a high Christology and worshipped

Jesus as a divine figure. New data is adduced to support that case. But there are weaknesses in the emerging consensus. For example, it underplays the incarnation and does not convincingly explain what caused the earliest Christology. The recent study of Adam traditions, the findings of Enoch literature specialists, and of those who have explored a Jewish and Christian debt to Greco-Roman Ruler Cult traditions, all point towards a fresh approach to both the origins and shape of the earliest divine Christology.

This book is ambitious in its scope and in the course of over 400 pages, it begins with the creation of the Universe and ends when all time and space ends in a singularity. Read the book to find out why the Universe was created and what happens to man after death. Are the atheists right and there is nothing but extinction or is there a better hope and an eternal future. Was Adam and Eve ejected from the Garden of Eden because they ate the wrong piece of fruit? Why was it necessary to kill all living people and creatures with a worldwide Flood bar one family? Did God really tell the Israel nation to kill all the men, women and children in Canaan? How can Jesus Christ be God incarnate who is eternal when he dies on the cross? How can all Christians go to heaven? What happens after the Kingdom of God is established in the New Heaven and New Earth? The spiritual messages contained in this book answer all these questions and much more, with full notes and references for each section of the book.

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

New York Times bestselling author Harry Turtledove reveals a new side of his potent imagination in a gripping speculative novel about the End of Days—and a discovery in the Middle East that turns the world upside down. What would happen if the ancient prophecy of the End of Days came true? It is certainly the last thing Eric Katz, a secular archaeologist from Los Angeles, expects during what should be a routine dig in Jerusalem. But perhaps higher forces have something else in mind when a sign presaging the rising of the Third Temple is located in America, a dirty bomb is detonated in downtown Tel Aviv, and events conspire to place a team of archaeologists in the tunnels deep under the Temple Mount. There, Eric is witness to a discovery of such monumental proportions that nothing will ever be the same again. Harry Turtledove is the master at portraying ordinary people caught up in extraordinary events, and what is more extraordinary than the incontrovertible proof that there truly is a higher force controlling human destiny? But as to what that force desires . . . well, that is the question. Like a jewel box filled with bright jewels and rare coins, this book is a collection of the clearest views

and brightest nuggets of light from many Second Advent writers, concerning the precious prophecies of the Revelation of Jesus Christ! Inside, you will find the most amazing thought revelations, the most beautiful jewels of truth you would never have thought of before. Listen as the harmonious voices of many Second Advent authors make clear Revelation's fascinating lines of prophecies. Follow the footsteps of God's leading in the past, present, and future. If there was ever a book that should be, and is studied today, it is the book of Revelation. In fact, God has pronounced a blessing on those who hear, read, and keep the words of Revelation. May this book be a springboard to still greater light for you. A riveting, page-turner. Action and out-of-this-world adventure.

This is a fascinating story that begins long before the age of mankind, & continues well after all earthly events are over. With characters we can relate to, it is Bible-based fiction at it best.
