Want to know the easy way to approach and make conversation with new people? In this book you'll discover simple ways to ensure you always have something interesting to talk about. THE MILLION COPY INTERNATIONAL BESTSELLER Drawn from 3,000 years of the history of power, this is the definitive guide to help readers achieve for themselves what Queen Elizabeth I, Henry Kissinger, Louis XIV and Machiavelli learnt the hard way. Law 1: Never outline the master plan. 2: Never put too much trust in friends; learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than necessary. The text is bold and elegant, laid out in black and red throughout and xplive with fables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power. (From the Playbook interview with Jay-Z, April 2003) PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In The 48 Laws of Power, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, Volume Three, was wack. People set higher standards for me, and I love it.

"The Amazing Book of No" is a deceptively simple story that will teach your 3-7 year old how to accept the word "no" when you say it, and why they shouldn't argue. The story is about two moms and their children. One mom says "no" all the time, while the other says "yes" to everything. It is cute and engaging all in one, and designed not to take up too much of a parents valuable time, with the idea being to try and imprint what while kids are young. Reading this just a few times to your boy or girl at bedtime will ensure you don't have any misunderstandings with your children about the word "no" as they grow older. This really is: The Amazing Book of No! struggle to hold people's attention and keep them interested? Always feel stuck in boring interview mode? Whether you want to befriend strangers more easily, banter more smoothly with friends, or simply avoid the crushing tension of a never ending silence, Awkward Silences is the book you need to succeed. No more conversations that end prematurely - not by choice. Discover the subtle and nuanced tactics that allow you to seize control of any conversation and create social chemistry. This book will arm you with definitive tactics, maneuvers, and replies to whatever comes your way. This book is highly actionable, with step-by-step analyses of complex concepts like sarcasm, the ultimate witty comeback, conflict conversations, and storytelling. You'll get exact words and phrases, NOT just "be confident and make eye contact." Avoid those embarrassing, cringe-worthy moments. In Awkward Silences, you have renowned social skills and international bestselling author Patrick King showing you the ropes. Social interaction can be boiled down to a science if approached correctly, and he'll do it for you. Never feel boring or uninteresting again. •How to set an engaging tone right off the bat. •The vocabulary and inflection details that make you attractive. •Storytelling essentials - unlike anything you've read before. •Elements of sarcasm, witty comebacks, and self-deprecation. Push people's buttons that instantly make them responsive and interested. •How to introduce conversational diversity and break out of your patterns and routines. •Six types of responses you can summon in any situation. •Your habits that lead directly to awkward silences. •Common awkward situations and how to handle them correctly. Demonstrate social value and grace.

"More than a hundred people killed on a bright spring day. The city's most beautiful and iconic landmark in ruins. The man accused of setting the fire is dead, buried in the rubble along with answers to the question, "Why?" As Juni Bruder of the Orlando Herald talks to rescuers and survivors, she cant shake the feeling that something isnt right. The official story doesnt ring true. Her interviews become front-page news. So does her suicide, a year after the blaze. Her brother Peter, a Jesuit priest, finds a clean apartment and a stack of papers sealed in plastic bags. Sifting through his sisters effects, he reads the stories of the dead, from the architect who designed the famous building to the janitor blamed for destroying it. A file on Junis laptop will reveal the hidden threads that bound the victims together, the seemingly random acts that brought them to a single place and moment in time. In the end, the answers Juni seeks wont be the ones she finds. Told through an inspired mix of puzzle pieces-news stories, phone transcripts, press releases-and filled with gallows humor, this is a novel about life, loss and the slippery nature of truth--Provided by the publisher.

A teenage boy uncovers a horrific family secret. A widower seeks vengeance on the creatures that killed his wife. A drug addled writer stalks the woman of his dreams, a woman much more sinister than she appears. A federal agent races to find the cursed relic powering this city full of spooks, spirits, and serial killers. The lives of these and others will collide in the dark and dangerous streets of Atlanta. The present a choice to invent a second for a life to change, but a choice to initiate a relationship with the alluring Blanca Jones. She makes heads turn and every man's dream. She is beautiful as a gazelle, but as dangerous as a lioness, as she's unavailable due to being unhappily married with children. Being married doesn't keep her from wanting to pursue Ruben as well as being pursued by him. Getting involved with Blanca changes Ruben's life in ways he never could have imagined. Choices are a gift constantly given to everyone. The choices made lead to different paths. We all have to choose this day what we're going to do with our own lives not knowing what the end result will be. What kind of impact will Ruben's choices have on his life?

Have you ever wondered: What it's like to daily beat hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle America mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." ...Comedian Brandt Tolber has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-flia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jiltbird dad. In these pages Brandt will make you laugh (he'll learn... it's his job) and believe as he does that, when it comes to defining family, blood isn't always the best way to define a system.

It can be a challenge to create conversations that have intimacy in just a few minutes. And while you can't force anyone to like or trust you, you can greatly increase the chances of that happening by following a few simple practices. Here is a preview of what you'll better... -Overcome the fear of speaking to people - Learn how to make a proper introduction - Master the art of small talk - Keep the conversation going past the pleasantries - Mirror and match to create rapport with strangers - Learn how to turn strangers into friends - Learn how to become the center of attention - Much, much more! You will also know the techniques for how to increase your self-confidence and become attractive to others. You will get rid of your fear of communicating with anyone. Follow the rules described, and you will see the results immediately!

It was only supposed to be a short visit. It turned into a love affair. Melanie White is in trouble. Young, unmarried, with no resources to speak of, she's forced to flee home and hide out with her aunt on a ranch in a western mining town. She's just passing through on her way farther West, and it's a good thing, too: she can't stand the ranch owner. He's rowdy, immature...and undeniably attractive. David Tanner has his life just the way he likes it: he does what he wants, when he wants, and nobody can tell him any different--least of all, his former nanny's niece Melanie, who likes books more than people. But when a family emergency forces Melanie and David to work together, she discovers that there's more to him than meets the eye. And he finds out that life as a bachelor may not be what he likes after all. Contains mild language and sensual content within marriage.

NATIONAL BESTSELLER - A GOOD MORNING AMERICA BOOK CLUB PICK "Fantastic. . . A sweeping novel, unflinching and evocative in its engrossing study of love, motherhood, sex, Mexico, journalism and more." — WASHINGTON POST "Masterful . . . Elegance, darkness, even fear are deftly intertwined. . . A wonderful read." — LUIS ALBERTO URREA, Pulitzer Prize finalist and bestselling author of The House of Broken Angels Recommended by Los Angeles Times - Washington Post - Parade - Good Housekeeping - NBC News - Today.com - Goodreads - Audible - The Millions - Popsugar - Tribeza - CrimeReads - Library Reads - She Reads - and more! An evocative drama about a woman caught leading a double life after one husband murders the other, and the true-crime writer who becomes obsessed with telling her story—this masterful work of literary suspense marks the debut of an extraordinary new writer The dance becomes an affair, which becomes a marriage, which becomes a murder... In 1985, Lore Rivera marries Andres Russo in Mexico City, even though she is already married to Fabian Rivera in Laredo, Texas, and they share twin sons. Through her career as an international banker, Lore splits her time between two countries and two families—until the truth is revealed and one husband is arrested for murdering the other. In 2017, while trawling the internet for the latest, most sensational news reports, struggling true-crime writer Cassie Bowman encounters an article detailing that tragic final act. Cassie is immediately enticed by what is not explored: Why would a woman—a mother—risk everything for a secret double marriage? Cassie sees an opportunity—she'll track Lore down and capture the full picture, the choices, the deceptions that led to disaster. But the more time she spends with Lore, the more Cassie questions the facts surrounding the murder itself. Soon, her determination to uncover the truth could threaten to derail Lore's now quiet life—and expose the many secrets both women are hiding. Told through alternating timelines, More Than You'll Ever Know is both a gripping mystery and a wrenching family drama. Presenting a window into the hearts of two very different women, it explores the many conflicting demands of marriage and motherhood, and the impossibility of ever truly knowing someone—especially those we love. "A seductive, urgent tale about desire, family, the pursuit of truth, and the art of storytelling, More Than You'll Ever Know will astonish readers with its vastness, romance, tragedy, and abundant heart. I didn't want this book to ever end." — JESSAMINE CHAN, New York Times bestselling author of The School for Good Mothers "A gripping and thoughtful exploration of motherhood and marriage, the complexity of female desire, and the consequence of our obsession with true crime. . . One of the best suspenseful dramas I've read in years. An exceptional, stunning debut—I absolutely loved it." — ASHLEY AUDRAIN, New York Times bestselling author of The Push

This short and very effective book can be read in only one hour. Many people struggle with finding the right thing to say. This book helps you avoid that problem. You'll always know what to say to make a great impression and accomplish your business and personal relationship goals. You'll learn new high-impact communication skills you can put to use immediately after reading. You'll also learn how to flirt to start a new relationship, or re-ignite the spark in your long-term relationship. Maximize your effectiveness in your next conversation. Make the sale, get the date, win the client, and get the job. Whatever it is you need excellent communication skills for, this book has the high-impact communication skills you need to succeed. You are only one hour away from being able to apply the skills you'll learn in this book.

Does public speaking paralyze you and tie your stomach into knots? Want to get a standing ovation every time? What goes into a dazzling opening and closing? Does the prospect of facing embarrassing judgment make your palms sweat? Or do you want to learn how to absolutely own the stage and become a magnetic speaker? Public speaking and presenting is one of the most common phobias -- and it's completely understandable. When else in our lives are we so open and vulnerable? But it's a necessary evil in all aspects of our lives, whether professionally and personally. From making a presentation in the boardroom to being more confident with the opposite sex, your speaking skills will take you to the next level and get what exactly what you want in your life. Fearless Public Speaking is the rare book that will (1) help you destroy your anxiety so you can confidently take any stage, and (2) once you're up there, be unforgettable and captivating as a speaker. The tenets in this book come from studying the experiences of the best presenters in the world, from CEOs, standup comics, to actors, and more. Jason Bax, noted actor, speaker, and entrepreneur, lends his thoughts in a guest chapter. And me? I'm a social skills and charisma coach, speaker, and semi-professional musician who thrives in front of the crowd... but I wasn't always like this - I know your struggles and I can help you from point A to point B! How will you learn to captivate audiences? -Why knowing where your audience gets their news is key to your memorability. -How to construct a bulletproof opening and closing. -How to make sure you reach any audience emotionally. -Overcoming stage fright and jitters with mental rehearsal techniques. As well as... -What rehearsal spontaneity is and how it makes your audience connect. -Stage presence techniques of the masters of performance like Freddie Mercury. -How standup comics own the stage and win over hostile crowds. -What a memory palace is and how it will help you memorize your speech. Put the audience in the palm of your hand, starting now! -Feel confident and empowered in taking the stage anywhere, anytime. -Speak your way to better jobs and relationships with each mini-presentation. -Build a reputation as an effective and engaging speaker. -Learn to overcome judgment and build self-confidence. -Own the room, audience, and applause.

A Mind to Mind Conversation

Small Talk Method

Beach Read

Do you ever feel like you could do more with your life, but you don't know where to start? Do great ideas keep going through your mind, barely changing from year to year? Do you need the tools to get you going in the right direction? This book has one purpose: To help you make your dream come true, no matter how big that dream might be. To change your life you need the desire to change and the commitment to make that change possible over time. Mind to Mind Conversations will help start you on the path to a new life.

Note: 50% of the proceeds from this book will be donated to a mental health organization focused on helping anxiety, depression, and suicide.* Hey YOU! Yes... you... the (really cool) person reading the back summary of this book. How are you? Having a good day? Since you are reading the back cover of this book I'm guessing that you're curious what the heck it's about. Right? Well, let me tell you, this ain't no children's book. Full of love, sex, anxiety, and depression this book will chew you up and spit you back out before chapter 4. The story begins with me, sitting in a cafe with my girlfriend of three months. Overcome by love, I (stupidly) decide to proclaim my love for her in the middle of a coffee shop. "I love you. And I know that one day I'm supposed to marry you." Man... do I regret that moment -/ I wish I could tell you that the awkwardness stops there but that would be a bold faced lie. If I was in marketing (I'm not) I would say something like..."From navigating online dating apps and relationships, to self-centered friends, and emotionally abusive alcoholics, James (that's me!) constantly feels like he's at the bottom of the social food chain. His only comfort is his love for music, which displays itself in the form of original lyrics throughout the book. One crazy day, James runs into Nikki, a bold, spit-fire, do-things-her-own-way type of person who changes his world-view forever." Well... If you made it down here I'd say this book is for you. If you didn't, oh well. #FOURLOSSBIDDY, thank you for all the memories. James McFlot (The Protagonist of this story) "Donation will be made once a year in December. See www.alwayswearheadphones.com for more details.

Is your child just beginning to say words? Does your child already talk but have difficulty saying the ending sounds on words? Easy-To-Say First Words was designed by a licensed and ASHA certified speech-language pathologist to help your child learn first words and improve articulation. Easy-To-Say First Words is perfect for early talkers because it encourages children to imitate easy-to-say one-syllable words with early-developing consonants (bat, up, cake, hop, eat). Difficult-to-say words (for example: elephant, strawberry, flower) are not included in the book. Unique and engaging illustrations will capture your child's attention and the interactive nature of the book will motivate your child to say new words. If your child is struggling with articulation of final consonants, this book is designed to stimulate awareness of final consonants through repetition.

A guide explaining how to read this book with your child and how to help your child with his/her speech and language skills is included. Have you ever been in a situation where you needed to defend yourself, or others, but just didn't have the right words to do so? Of course, a few hours later, when you replay the situation in your mind, the perfect response comes to you. "If I had only said that I would've been a hero!" Yes, we've all been there, and it's a helpless feeling because you know that the moment has passed for good. For all intents and purposes, you lost. In this book, you'll get a full breakdown of the ways to come right back to those individuals who are attempting to cut you down. You'll discover clever ways to instantly dominate any situation where another person is trying to insult you or your friends. You'll quickly become a master of the craft and be able to call upon these comebacks, or come up with your own using this proven formula, at any time. No more regrets, no more shoulda-coulda-wouldas. No more losing. Consider this comeback system as your compass that allows you to navigate the rough terrain we call social class and order. I wrote this book because you needed support from someone who has been there before. Know that I have a personal stake in this and have tapped back into my childhood and current everyday life to try and understand both sides of this natural phenomenon. The defenseless need defending. The common person needs armor and weapons when it is their time to attack. You are my inspiration for this. Here's how it works: At the top of the page, there will be a "hook" that will be instantly cut-down, and at the bottom, there will be several different comebacks to the cut-down. The following pages will change your life for the better. The time for lying down is over. The time has come for a

shift in power. It's time for a new hero-story to be written. Is it your time? Will you be that hero? It is yours for the taking if you are ready. Are you ready?

... I wanted you more than you'll ever know, so I sent love to follow wherever you go. ... Love is the greatest gift we have to give our children. It's the one thing they can carry with them each and every day. If love could take shape it might look something like these heartfelt words and images from the inimitable Nancy Tillman. Wherever You Are is a book to share with your loved ones, no matter how near or far, young or old, they are.

FROM THE #1 NEW YORK TIMES BESTSELLING AUTHOR OF PEOPLE WE MEET ON VACATION AND BOOK LOVERS! A romance writer who no longer believes in love and a literary writer stuck in a rut engage in a summer-long challenge that may just undo everything they believe about happily ever afters. Augustus Everett is an acclaimed author of literary fiction. January Andrews writes bestselling romance. When she pens a happily ever after, he kills off his entire cast. They're polar opposites. In fact, the only thing they have in common is that for the next three months, they're living in neighboring beach houses, broke, and bogged down with writer's block. Until, one hazy evening, one thing leads to another and they strike a deal designed to force them out of their creative ruts: Augustus will support the summer writing something happy, and January will pen the next Great American Novel. She'll take him on field trips worthy of any rom-com montage, and he'll take her to interview surviving members of a backwoods death cult (obviously). Everyone will finish a book and no one will fall in love. Really.

Hide your children, load your guns, and load your guns because zombies are real and they are coming. Danny Terrence knows this better than anyone. He spent months preparing for the inevitable moment his disease would reach his small town. What he didn't prepare for is the fact that nobody really believes him. Luckily for him, an old classmate and bully just happens to be the first one bitten. The bad news is that the family with the biggest arsenal of guns just packed up and left town, leaving them defenseless from an oncoming zombie horde. Being a leader isn't turning out the way Danny imagined. Yet four other survivors escape he would it worse than him. Between a thirteen-year-old girl on a road trip from hell, a family of paranoid hunters having to deal with their feelings for the first time ever, a stubborn doctor butting heads with a cult leader, and a British professor carrying the fate of humanity in his hands, Danny has it easy. Unless, of course, they all end up in his town, meeting with his already messed up life. Follow these five people as their paths cross and their lives and hopes are challenged in this thrilling novel. Those Who Remain Book One is part of a trilogy.

This is the first book ever written on how to overcome shyness and social anxiety... from the perspective of someone who has actually overcome these issues himself. Most of the "confidence" self-help books out there tell you useless advice like "fake it 'til you make it" or "just think about what's the worst that can happen." You won't find that garbage in this book. Instead, you'll learn specific, science-based techniques to quickly eliminate your shyness and social anxiety. The System Has 3 Parts: 1. The first part of the book explains the overall strategy for "rewiring your brain" to transform your personality to stop being shy, quiet and withdrawn. You'll finally be confident and comfortable in your own skin, even at parties and around the opposite sex. 2. The second part of the book reveals 3 techniques that allow you to almost instantly stop feeling anxious, nervous and tense in social situations. 3. The third part of the book shows you how to change the way you THINK so you don't feel insecure and self-conscious anymore. You also learn how to be more talkative and spontaneous... even if you've always had problems not knowing what to say in conversations. Some Reviews For The System: "As a clinical psychologist specializing in social anxiety and self-help systems, I was amazed at how well Sean has distilled many of the principles that can actually make a difference for those of us who battle social anxiety. Sean's information is straight to the point and focused on some of the most critical skills for managing shyness and anxiety." - Dr. Todd Snyder, Licensed Clinical Psychologist, Chicago "As a former shy, "invisible" guy myself, I find something fascinating in what Sean teaches. This program is what you can't tell he's been through. It, he knows personally what it's like to have shyness and social anxiety, and he grasped how to beat it." - Edward Ezeanu, Professional Communication Coach "I have only used your information for a short time, but already noticed I am more confident now. One specific situation was that I got the job in my last job interview, cause I was able to be more calm and conversational." - A. Borgon, 25, Musician, Kongsberg, Norway "Up until 40 years old, I was a shy and socially awkward person, but after reading your book, I was different from many other people and wondered why I couldn't socialize. It was about this time that I purchased Sean's Shyness and Social Anxiety Program. It helped a lot. Sean described what I went through very accurately. His section on how to have a conversation was the best part. At age 63, for the first time in my life, I met someone's house to meet socially with a group of people." - John Kaye, 64, Stained Glass Artist "My biggest problems before were not knowing what to say to people and being too self conscious. Since reading your information, I've started improving my conversation skills and being more spontaneous. I can start conversations with people I never would have before. I have more confidence and am revealing myself more to people." - Anna, 17, Middlebrough England "I was terribly shy. It was hard for me to make friends at school. I couldn't really talk to anyone but my teachers and when I would talk to people, I'd be very nervous and anxious. It's so much better now, like I don't know how much to thank you. Moving on to a newer school, I made new friends and they all love me for who I am. I talk a lot more now and even my family noticed and are happier with me." - Misha, Montreal Canada

Easy Ways to Approach and Talk to Anyone

So You Think You're Smart is an eclectic collection of word games, riddles and logic puzzles to tantalize, tease and boggle the brains of readers of all ages and educational levels. The brain teasers are about ordinary words and things that everybody knows about so only common sense and a bit of resourcefulness are needed to solve them. The book is in its 17th printing and has appeared on Saturday Night Live.

Small talk with anyone! There's a difference between communicating effectively and making small talk. Even if you have no fear of public speaking, you might still stumble over simple conversation when chatting with your superior, unexpectedly running into a friend, or breaking the ice with someone you just met. The Small Talk Handbook lays down the basics to engaging chitchat and teaches you how to enliven your personal and professional communication - no matter where you are. It offers the necessary tools to focus on verbal strengths, minimize weaknesses, and leave the best impression. So whether you're hosting a client dinner, attending a friend's cocktail party, or participating in a fundraising event for your children's school, you will always know just what to say with The Small Talk Handbook.

Patrick King's "The Anarchist's Guide to Grammar" is the revolution called for by author Val Dumont. "Easy"? Of course, but drastic measures must be taken. Just look at the state of language today! The time is now! Stand up and reclaim it!" "We've been taking U.S. language for granted," claims this long-time writer. "We make several assumptions: 1) that we have a language called "Proper English"; 2) that a set of "rules" is some mysterious place written by some mysterious authority; 3) that one must follow those "rules" to speak and write correctly. Not so! The time has arrived to banish what we call "rules" and expose the assumptions." Dumond asks: What would happen if we all spoke the language of our heritage? We would quickly learn the sound of the Tower of Babel - since US-language has come about by combining languages from (at least) 150 countries around the world. As immigrants enter the country, they bring with them new ideas, cultures, foods, music, and language. As they become settled, they combine their culture with US-ers, thus enriching all of us in the United States, including our language. In an amusing introduction, Val explains how we have assumed there exists an incontrovertible set of grammar "rules" to be followed in order to speak proper, correct, good English. "We're not in England anymore!" she points out. Oh yes, we started out with British "rules," but as we declared our independence, language changed, and continues to change. Do you really understand ordinary British English? Numerous pundits over time have drawn up what they consider the "rules" of grammar and forced them on their students. Yet, when those students run up against someone who studied a different set of "rules," confusion and doubt rear their heads. Must we in the U.S. speak "proper English" or do we have a language all our own? After clarifying the conundrum of US-language, Dumond offers guidelines to aid writers in determining what constitutes understandable language. Those guidelines don't depend on memorizing all the crazy names for the parts of language, but rather the guidelines focus on how those parts function. Nouns and pronouns become Things; adjectives and adverbs become Modifiers; punctuation becomes Rules of the Road - all presented in easily understood language, with examples to boot. Included in the guidelines are ways to decide which nouns to capitalize how to discern the difference between plural and possessive nouns how pronouns perform ways to vary word modifiers how to add modifying phrases and clauses use of the little words that serve as the glue to connect words into sentences how to use the dots, dashes, and curly cues we call punctuation. But she doesn't stop there. Writers will especially enjoy the freedom offered to create new words and put together sentences and paragraphs. She offers suggestions to use numbers and inclusive language, as well as offering four ways to improve spelling. The solution to the confusion of US-language seems so simple. Look at the "rules" that come close to your interpretation, then modify them to make them work for you. Set up Your Style Manual, rather than depend on style manuals put together according to some other group's interpretations. And she shows you how. All this is included in The Anarchist's Guide to Grammar: toss out the assumptions, clarify them, pick up some basic, helpful guidelines, and write with power and assurance. No longer will you need to ask, "What are the rules for writing Proper English?" At last, you'll understand why there aren't any. At last you can write your own guidelines.

Improve Your ConversationsHow Talk To Anyone, Improve Your Social Skills, Making Conversation and Small Talk, Keeping Conversations Going and Always Know What to Say Many people experience problems in communicating socially as well as they would like to. Do you suffer from anxiety, insecurity, or a simple lack of knowledge about what it takes to make a stimulating conversation? If so then this book is perfect for you. Sometimes you may find yourself eager to engage a stranger in a shop or a bus station, but something prevents you from going ahead. Maybe because you fear being boring or inappropriate. What should you say to open up a conversation? What if they reject you? This can really hold you back in life and stop you from gaining valuable new connections, friends and romantic interests. So it's very important that we not only have the confidence to talk to other people but that we also know exactly what to say and how to keep

an interesting and engaging conversation going without it seeming forced or false. This book set you on the fast track to becoming a master of communication. You will discover that it is not actually too complicated to get rid of your fears, barriers, or preconceptions if you really want to improve your communication with people.

It provides insights, encouragement, and step-by-step instructions to develop your best speaking style and use it not just for podium presentations

more. This uniquely effective and personal approach has worked for hundreds of the author's private public speaking clients, and it will work for you!

WHEN IT COMES TO LOVE, SOMETIMES IT TAKES THE HEAD YEARS TO DISCOVER WHAT THE HEART HAS ALWAYS KNOWN When Forbes Branson was a young man ready for something new. A senior in high school, he was the golden boy. Heir to a fortune, he knew what his life was going to be. But he wanted adventure first. A year to do wh

unexpected betrayal would change everything. Sophie Lipton was fifteen the first time she set foot on the Branson ranch. Dragged from one place to another, never having more than one pair of shoes or enough to eat, the moment she saw the wide open spaces, she felt she could breathe for the first time in her life. It was the home st

home, Sophie had to keep somebody else's lies. Lies that would eventually tear apart a family. And tear apart her friendship with Forbes. Coming home is never easy--especially after twelve years. Forbes isn't the same young man. He found his adventure--and more. Weary, he's ready to settle into a slower, calmer life. Working on his family's

cake after the things he had seen and done. Sophie isn't the quiet girl Forbes remembers. She's grown into a strong, confident woman. A woman used to being in charge. The Branson ranch is her territory now. If Forbes thinks he's going to waltz back in and take over, he's going to find out fast that Sophie is no pushover. Twelve years a

adults it's a whole new game. The attraction between them is undeniable. Just as they begin to move forward, the past has other ideas. Secrets rarely stay buried forever. Lies. Betrayal. Maybe even murder. Before Forbes and Sophie can think about the future, they will need to deal with the past. Together.
