

## Am I There Yet The Loop De Loop Zigzagging Journey To Adulthood

*The transition from President Donald J. Trump to President Joseph R. Biden Jr. stands as one of the most dangerous periods in American history. But as # 1 internationally bestselling author Bob Woodward and acclaimed reporter Robert Costa reveal for the first time, it was far more than just a domestic political crisis. Woodward and Costa interviewed more than 200 people at the center of the turmoil, resulting in more than 6,000 pages of transcripts—and a spellbinding and definitive portrait of a nation on the brink. This classic study of Washington takes readers deep inside the Trump White House, the Biden White House, the 2020 campaign, and the Pentagon and Congress, with vivid, eyewitness accounts of what really happened. Peril is supplemented throughout with never-before-seen material from secret orders, transcripts of confidential calls, diaries, emails, meeting notes and other personal and government records, making for an unparalleled history. It is also the first inside look at Biden's presidency as he faces the challenges of a lifetime: the continuing deadly pandemic and millions of Americans facing soul-crushing economic pain, all the while navigating a bitter and disabling partisan divide, and the hovering, dark shadow of the former president. "We have much to do in this winter of peril." Biden died and his inauguration, an event marked by a nerve-racking security alert and the threat of demonic terrorism. Peril is the extraordinary story of the end of one presidency and the beginning of another, and represents the culmination of Bob Woodward's news-making trilogy on the Trump presidency, along with Fear and Rage. And it is the beginning of a collaboration with fellow Washington Post reporter Robert Costa that will remind readers of Woodward's coverage, with Carl Bernstein, of President Richard M. Nixon's final days.*

*A seemingly ordinary voyage participates in a yearly lottery to determine a sacrificial victim.*

*Ralf is an alien who arrives at the planet Earth with orders to destroy it... but Ralf's conscience and procrastination get the better of him when he sees that it is a living planet. Ralf's troubles only multiply when he decides to examine the planet first hand. "Ralf the Destroyer: Am I There Yet?" is a 160+ page collection of a newspaper styled, black and white, all-ages, Sci-Fi, humor comic strip written and illustrated by Scott Lincoln. Here's what's being said about Ralf the Destroyer: "Scott Lincoln, the cartoonist and creator of one of the funniest webcomics, Ralf the destroyer..." Sketch Maven, The World's Greatest Comic Art Marketplace "Lincoln's art is clean and well composed... He has created a nifty world and Ralf is enjoyable for all ages." Kris Monty, Comic Buyer's Guide (issue #1667) "Without a shadow of a doubt, the most striking thing about Ralf the Destroyer is the excellence of the artwork. This, ladies and gentlemen, literally oozes quality right into your retinas... I'm giving it the coveted 4 out of 5 paws." Coyote Trax Webcomic Critique*

***NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE** • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cat of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.*

#1 New York Times Bestseller A sumptuous and epicly told love story inspired by A Thousand and One Nights Every dawn brings horror to a different family in a land ruled by a killer. Khalid, the eighteen-year-old Caliph of Khorasan, takes a new bride each night only to have her executed at sunrise. So it is a suspicious surprise when sixteen-year-old Shahrzad volunteers to marry Khalid. But she does so with a clever plan to stay alive and exact revenge on the Caliph for the murder of her best friend and countless other girls. Shazi's wit and will, indeed, get her through to the dawn that no others have seen, but with a catch . . . she's falling in love with the very boy who killed her dearest friend. She discovers that the murderous boy-king is not all that he seems and neither are the deaths of so many girls. Shazi is determined to uncover the reason for the murders and to break the cycle once and for all. "The book is a Rough Cut Edition (pages are deliberately not the same length)."

"In this compelling and absorbing YA novel, two sisters make the most painful of choices based on their love for one another." —Shelf Awareness From Courtney Summers, the New York Times bestselling author of the 2019 Edgar Award Winner and breakout hit Sadie, comes her electrifying follow-up—a suspenseful, gut-wrenching tale about an aspiring young journalist determined to save her sister no matter the cost. Lo Denham is used to being on her own. After her parents died in a tragic car accident, her sister Bea joined the elusive community called The Unity Project, leaving Lo to fend for herself. Desperate not to lose the only family she has left, Lo has spent the last six years trying to reconnect with Bea, only to be met with radio silence. When Lo's given the perfect opportunity to gain access to Bea's exclusive life, she thinks they're finally going to be reunited. But it's difficult to find someone who doesn't want to be loved, and as Lo delves deeper into The Project and its charismatic leader, she begins to realize that there's more at risk than just her relationship with Bea: her very life might be in danger. As she uncovers more questions than answers at each turn, everything Lo thought she knew about herself, her sister, and the world is upended. One thing doesn't change, though, and that's what keeps her going: Bea needs her, and the very end do anything to save her. "This book is brave and raw and exciting and wise—wise about girls and women, weakness and strength, and the bitternessw beauty of being human." —Melissa Albert, New York Times bestselling author of The Hazel Wood Series "This is a beautifully-written, compelling book about the lengths to which someone will go in order not to lose their sense of belonging. It's full of twists and turns, keeping its readers guessing until the very end. The characterization is masterfully done and so empathetic that the reader will find it almost impossible not to sympathize with the characters even if they are seemingly posing down the wrong path. It's a tour de force, unflinchingly posing uncomfortable questions and forcing its readers to dig deep into themselves in order to find the answers." —The Nerd Daily

From New York Times bestselling author Mari Andrew, a collection of essays and illustrations, divided into phases of the sky—twilight, golden hour, night, and dawn—that serves as a loyal companion for life's curveballs A whole, beautiful life is only made possible by the wide spectrum of feelings that exist between joy and sorrow. In this insightful and warm book, writer and illustrator Mari Andrew explores all the emotions that make up a life, in the process offering insights about trauma and healing, the meaning of home and the challenges of loneliness, finding love in the most unexpected of places—from birds nesting on a sculpture to a ride on the subway—and a resounding case for why sometimes you have to put yourself in the path of magic. My Inner Sky empowers us to transform everything that's happened to us into something meaningful, reassurance that even in our darkest times, there's light and beauty to be found.

From the celebrated poet, speaker, and educator comes Welcome Home, a powerful blueprint for building a strong foundation of self-worth, belonging, and happiness. "A master class in self-actualization and compassion."—Mari Andrew, New York Times bestselling author of Am I There Yet? The powerful metaphor of home provides a structure for you to customize your journey to personal transformation as Najwa Zebian shares her own experiences in building a home within herself, and shows you how to construct the following "rooms": • Self-Love: Learn how to build an individualized self-care routine to reflect your daily needs. • Forgiveness: Learn how to allow yourself time, reflection, and space to accept and let go of painful events. • Compassion: Discover the three different types of compassion and learn how you can let people in while maintaining boundaries. • Clarity: Learn how to remove the walls you put up around your authentic self. • Surrender: Learn how to lower your defenses and give yourself space to feel and process your emotions. • The Dream Garden: Learn how to nurture your dreams and create an authentic, original path. With practical tools, poetry, and prompts for journaling and meditation to lead to self-understanding in each chapter, Zebian shows you how to build each room in your house. Written with her trademark power, candor, and warmth, Welcome Home is an answer to the pain we all experience when we don't feel at peace with ourselves.

This Book Is for You

The harrowing tale of British explorer Ernest Shackleton's 1914 attempt to reach the South Pole, one of the greatest adventure stories of the modern age. In August 1914, polar explorer Ernest Shackleton boarded the *Endurance* and set sail for Antarctica, where he planned to cross the last uncharted continent on foot. In January 1915, after battling its way through a thousand miles of pack ice and only a day's sail short of its destination, the *Endurance* became locked in an island of ice. Thus began the legendary ordeal of Shackleton and his crew of twenty-seven men. When their ship was finally crushed between two ice floes, they attempted a near-impossible journey over 850 miles of the South Atlantic's heaviest seas to the closest outpost of civilization. In *Endurance*, the definitive account of Ernest Shackleton's tateful trip, Alfred Lansing brilliantly narrates the harrowing and miraculous voyage that has defined heroism for the modern age.

#1 New York Times Bestseller "Significant...The book is both instructive and surprisingly moving." —The New York Times Ray Dalio, one of the world's most successful investors and entrepreneurs, shares the unconventional principles that he's developed, refined, and used over the past forty years to create unique results in both life and business—and which any person or organization can adopt to help achieve their goals. In 1975, Ray Dalio founded an investment firm, Bridgewater Associates, out of his two-bedroom apartment in New York City. Forty years later, Bridgewater has made more money for its clients than any other hedge fund in history and grown into the fifth most important private company in the United States, according to Fortune magazine. Dalio himself has been named to Time magazine's list of the 100 most influential people in the world. Along the way, Dalio discovered a set of unique principles that have led to Bridgewater's exceptionally effective culture, which he describes as "an idea meritocracy that strives to achieve meaningful work and meaningful relationships through radical transparency." It is these principles, and not anything special about Dalio—who grew up an ordinary kid in a middle-class Long Island neighborhood—that he believes are the reason behind his success. In *Principles*, Dalio shares what he's learned over the course of his remarkable career. He argues that life, management, economics, and investing can all be systematized into rules and understood like machines. The book's hundreds of practical lessons, which are built around his cornerstones of "radical truth" and "radical transparency," include Dalio laying out the most effective ways for individuals and organizations to make decisions, approach challenges, and build strong teams. He also describes the innovative tools the firm uses to bring an idea meritocracy to life, such as creating "baseball cards" for all employees that distill their strengths and weaknesses, and employing computerized decision-making systems to make believably-weighted choices. While the book brims with novel ideas for organizations and institutions, *Principles* also offers a clear, straightforward approach to decision-making that Dalio believes anyone can apply, no matter what they're seeking to achieve. Here, from a man who has been called both "The Steve Jobs of Investing" and "the philosopher king of the financial universe" (CIO magazine), is a rare

opportunity to gain proven advice unlike anything you'll find in the conventional business press. *Brain on Fire* meets *Gary O, Warrior* in this inspirational memoir and "testament to the things that break us, heal us, and make us who we are" (Annemarie Doyle, #1 New York Times bestselling author) that explores one woman's journey from chronic pain and hopelessness to finding joy, redemption, and healing. At seventeen years old, Ruthie Lindsey is hit by an ambulance near her home in rural Louisiana. She's given a five percent chance of survival and one percent chance of walking again. One month later after a spinal fusion surgery, Ruthie defies the odds, leaving the hospital on her own two feet. Just a few years later, newly married and living in Nashville, Ruthie begins to experience debilitating pain. Her case confounds doctors and after numerous rounds of testing, imaging, and treatment, they prescribe narcotic painkillers—lots of them. Ruthie has become bedridden, dependent on painkillers, and hopeless, when an X-ray reveals that the wire used to fuse her spine is piercing her brain stem. Without another staggeringly expensive experimental surgery, she could well become paralyzed, but in many ways, she already is. Ruthie goes into the hospital in chronic pain, dependent on prescription painkillers, and leaves the same way. She can still walk but has no idea where she's going. As her life unravels, Ruthie returns home to Louisiana and sets out on a journey to learn joy again. She trades fentanyl for sunsets and morphine for wildflowers, weaning herself off of the drugs and beginning the process of healing—of coming home to her body. Raw and redemptive, *There I Am* is not just about the magic of optimism, but the work of it. Ruthie's extraordinary memoir "like going on a walk with a best friend and listening to a life-changing speech at the same time: it's equal parts familiar and profound, warm and insightful, comforting and challenging, reliable and unlike anything you've read before" (Mari Andrew, New York Times bestselling author).

**AN INSTANT #1 NEW YORK TIMES BESTSELLER** Beautiful World, Where Are You is a new novel by Sally Rooney, the bestselling author of Normal People and Conversations with Friends. Alice, a novelist, meets Felix, and asks him if he'd like to travel to Rome with her. In Dublin, her best friend, Eileen, is getting over a break-up, and slips back into flirting with Simon, a man she has known since childhood. Alice, Felix, Eileen, and Simon are still young—but life is catching up with them. They desire each other, they delude each other, they get together, they break apart. They have sex, they worry about sex, they worry about their friendships and the world they live in. Are they standing in the last lighted room before the darkness, bearing witness to something? Will they find a way to believe in a beautiful world?

Finding time in a busy schedule to add another commitment is difficult. The author urges readers to begin developing a relationship with God now. The message of this book is designed to help individuals to recognize God's presence in their daily lives. Short daily devotionals for ninety days are included to start each one on the journey.

A powerful, vibrant novel about the life-changing weekend shared between two strangers, from the award-winning writer Roxane Gay calls "a consummate storyteller." On a rainy October night in Kentucky, recently divorced therapist Tallie Clark is with her on her way home from work when she spots a man precariously standing at the edge of a bridge. Without a second thought, Tallie pulls over and jumps out of the car into the pouring rain. She convinces the man to join her for a cup of coffee, and he eventually agrees to come back to her house, where he finally shares his name: Emmett. Over the course of the emotionally charged weekend that follows, Tallie makes it her mission to provide a safe space for Emmett, though she hesitates to confess that this is also her day job. What she doesn't realize is that Emmett isn't the only one who needs healing—and they both are harboring secrets. Alternating between Tallie and Emmett's perspectives as they inch closer to the truth of what brought Emmett to the bridge's edge—as well as the hard truths Tallie has been grappling with since her marriage ended—"This Close to Okay is an uplifting, cathartic story about chance encounters, hope found in unlikely moments, and the subtle magic of human connection. **When sixteen-year-old Rashad is mistakenly accused of stealing, classmate Quinn witnesses his brutal beating at the hands of a police officer who happens to be the older brother of his best friend. Told through Rashad and Quinn's alternating viewpoints.**

**NOW AN EMMY-NOMINATED HULU ORIGINAL SERIES • NEW YORK TIMES BESTSELLER** • “A stunning novel about the transformative power of relationships” (People) from the author of Conversations with Friends, “a master of the literary page-turner” (J. Courtney Sullivan). **ONE OF THE TEN BEST NOVELS OF THE DECADE**—Entertainment Weekly **TEN BEST BOOKS OF THE YEAR**—People, Slate, The New York Public Library, Harvard Crimson **AND BEST BOOKS OF THE YEAR**—The New York Times, The New York Times Book Review, O: The Oprah Magazine, Time, NPR, The Washington Post, Vogue, Esquire, Glamour, Elle, Marie Claire, Vox, The Paris Review, Good Housekeeping, Town & Country Connell and Marianne grew up in the same small town, but the similarities end there. At school, Connell is popular and well liked, while Marianne is a loner. But when the two strike up a conversation—awkward but electrifying—something life changing begins. A year later, they’re both studying at Trinity College in Dublin. Marianne has found her feet in a new social world while Connell hangs at the sidelines, shy and uncertain. Throughout their years at university, Marianne and Connell circle one another, straying toward other people and possibilities but always magnetically, irresistibly drawn back together. And as she veers into self-destruction and he begins to search for meaning elsewhere, each must confront how far they are willing to go to save the other. Normal People is the story of mutual fascination, friendship and love. It takes us from that first conversation to the years beyond, in the company of two people who try to stay apart but find that they can’t. Praise for Normal People “[A] novel that demands to be read compulsively, in one sitting.”—The Washington Post “Arguably the buzziest novel of the season, Sally Rooney’s elegant sophomore effort . . . is a worthy successor to Conversations with Friends. Here, again, she unflinchingly explores class dynamics and young love with wit and nuance.”—The Wall Street Journal “(Rooney) has been hailed as the first great millennial novelist for her stories of love and late capitalism. . . . [She writes] some of the best dialogue I’ve read.”—The New Yorker

**NATIONAL BESTSELLER • A stunning “portrait of the enduring grace of friendship” (NPR) about the families we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first century. A NATIONAL BOOK AWARD FINALIST • A MAN BOOKER PRIZE FINALIST • WINNER OF THE KIRKUS PRIZE** A Little Life follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara’s stunning novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Yanagihara’s new novel, To Paradise, coming in January 2022.

**FROM THE #1 NEW YORK TIMES BESTSELLING AUTHOR OF PEOPLE WE MEET ON VACATION AND BOOK LOVERS!** A romance writer who no longer believes in love and a literary writer stuck in a rut engage in a summer-long challenge that may just upend everything they believe about happily ever afters. Augustus Everett is an acclaimed author of literary fiction. January Andrews writes bestselling romance. When she pens a happily ever after, he kills off his entire cast. They're polar opposites. In fact, the only thing they have in common is that for the next three months, they're living in neighboring beach houses, broke, and bogged down with writer's block. Until, one hazy evening, one thing leads to another and they strike a deal designed to force them out of their creative ruts: Augustus will spend the summer writing something happy, and January will pen the next Great American Novel. She'll take him on field trips worthy of any rom-com montage, and he'll take her to interview surviving members of a backwoods death cult (obviously). Everyone will finish a book and no one will fall in love. Really.

AN INSTANT #1 NEW YORK TIMES BESTSELLER A USA TODAY BESTSELLER A NATIONAL INDIE BESTSELLER " A bone-chilling standalone. . . which fuses Shirley Jackson 's gothic horror sensibilities with the warmth and dark whimsy of Neil Gaiman. " —Publishers Weekly, starred review " Gripping worldbuilding, well-rounded characters, and fantastic horror. " —Kirkus Reviews, starred review " Unsettling and intriguing. " —Bulletin of the Center for Children's Books, starred review Everything casts a shadow. Even the world we live in. And as with every shadow, there is a place where it is not touch. A seam, where the shadow meets its source. #1 New York Times–bestselling author V. E. Schwab weaves a dark and original tale about the place where the world meets its shadow, and the young woman beckoned by both sides. The Secret Garden meets Crimson Peak in this stand-alone novel perfect for readers of Holly Black and Neil Gaiman. Olivia Prior has grown up in Merilance School for Girls, and all she has of her past is her mother ' s journal—which seems to unravel into madness. Then, a letter invites Olivia to come home to Gallant. Yet when Olivia arrives, no one is expecting her. But Olivia is not about to leave the first place that feels like home; it doesn ' t matter if her cousin Matthew is hostile, or if she sees half-formed ghosts haunting the hallways. Olivia knows that Gallant is hiding secrets, and she is determined to uncover them. When she crosses a ruined wall at just the right moment, Olivia finds herself in a place that is Gallant—but not. The manor is crumbling, the ghouls are solid, and a mysterious figure rules over all. Now Olivia sees what has unraveled generations of her family, and where her father may have come from. Olivia has always wanted to belong somewhere, but will she take her place as a Prior, protecting our world against the Master of the House? Or will she take her place beside him? New York Times–bestselling author V. E. Schwab crafts a vivid and lush novel that grapples with the demons that are often locked behind closed doors. An eerie, stand-alone sash novel that grapples with the demons that are often locked behind closed doors. Readers of Neil Gaiman, Holly Black, Melissa Albert, and Garth Nix will quickly lose themselves in this novel with crossover appeal for all ages.

The #1 New York Times Bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving—every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. It's your system. Bad habits repeat themselves again and again not because you don't want to change, but because you lack the system to make change happen. Now you'll have a proven system that can take you from zero to hero. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most recent advances from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: • make time for new habits (even when life gets crazy); • overcome a lack of motivation and willpower; • design your environment to make success easier; • get back on track when you fall off course. . . and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits—whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

" One of my favorite authors. " —Colleen Hoover An insightful, delightful, instant #1 New York Times bestseller from the author of Beach Read and People We Meet on Vacation. Named a Most Anticipated Book of 2022 by Oprah Daily . Today . Parade . Marie Claire . Bustle . PopSugar . Katie Couric Media . Book Bub . SheReads . Medium . The Washington Post . and more! One summer. Two rivals. A plot twist they didn't see coming... Nora Stephens' life is books—she ' s read them all—and she is not that type of heroine. Not the plucky one, not the laidback dream girl, and especially not the sweetheart. In fact, the only people Nora is a heroine for are her clients, for whom she lands enormous deals as a cutthroat literary agent. She ' s nobody who she agrees to go to Sunshine Falls, North Carolina for the month of August when Libby begs her for a siders ' trip away—with visions of a small town transformation for Nora, who she ' s convinced needs to become the heroine in her own story. But instead of picnics in meadows, or run-ins with a handsome country doctor or bulging-forearmed bartender, Nora keeps bumping into Charlie Lastra, a bookish brooding editor from back in the city. It would be a meet-cute if not for the fact that they ' ve met many times and it ' s never been cute. If Nora knows she ' s not an ideal heroine, Charlie knows he ' s nobody ' s hero, but as they are thrown together again and again—in a series of coincidences no editor writing their salt would allow—what they discover might just unravel the carefully crafted stories they ' ve written about themselves.

Getting There

Am I Done Yet?

Beautiful World, Where Are You

Bullshit Jobs

An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

The inspirational bestseller that ignited a movement and asked us to find our WHY Discover the book that is captivating millions on TikTok and that served as the basis for one of the most popular TED Talks of all time—with more than 56 million views and counting. Over a decade ago, Simon Sinek started a movement that inspired millions to demand purpose at work, to ask what was the WHY of their organization. Since then, millions have been touched by the power of his ideas, and these ideas remain as relevant and timely as ever. START WITH WHY asks (and answers) the questions: why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started with WHY. They realized that people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it. START WITH WHY shows that the leaders who have had the greatest influence in the world all think, act and communicate the same way—and it's the opposite of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY.

Determining whether you can retire, whether you should retire, and how to manage this complex task can feel like a daunting journey. Am I Done Yet? will help guide you to your destination, whether that is a quiet life on a palm-studded island, a socially supercharged existence in a downtown condo, an adventurous series of circumnavigations, or a cozy home two blocks from your grandchildren that perpetually smells of freshly baked cookies. Am I Done Yet? explores in plain language both the critical financial elements of a sound retirement plan and the non-monetary considerations surrounding the decision to retire. Topics addressed include: - How to determine whether your investments can provide you with sufficient lifetime income - How to best structure your portfolio to maximize returns and minimize volatility - The role of various asset classes, such as stock, bonds, and real estate inside your retirement portfolio - The impact of Required Minimum Distributions (RMDs) on income tax planning - Whether retirement is an all-or-nothing proposition, or whether part-time work is desirable - The impact your decision to retire may have on your personal relationships - How to best integrate Social Security benefits into your retirement plan - How to create a carefully considered living trust and other elements of an effective estate plan

A witty, tender novel of sexual and intellectual awakenings. Something made her risk a look at the reader, who took a sip of black coffee. And there. She turned the pages. She pursed her lips. Flannery abandoned her breakfast and watched the woman drink her coffee. It wasn't that she wanted the coffee herself. That wasn't it. Rather, she wanted to be the coffee: she envied the dark drink its chance to taste those lips. In a steam-filled diner in a college town, Flannery Jansen catches sight of something more beautiful than she's ever seen: a graduate student, reading. Flannery, a seventeen-year-old, new to everything around her -- college, the East Coast, bodies of literature, and the sexual flurries of student life -- is shocked by her own desire to follow this beauty wherever it takes her. By chance she finds herself enrolled in a class taught by the remote, brilliant older woman; intimidated at first, she gradually becomes Anne Arden's student outside class as well. Whatever the subject -- Baudelaire, lipstick colors -- Flannery proves an eager pupil, until one day she learns more about Anne than she ever wanted to know..A bittersweet, exhilarating, sentimental education, Pages for You confirms Sylvia Brownrigg as "one of the most exuberantly agile minds among younger American writers" (Dan Cryer, Newsday) and is her sexiest, most poignant work to date.

On Embracing Day, Night, and All the Times in Between

The sweeping romance of Passenger meets the dark fantasy edge of This Savage Song in this stunning contemporary fantasy debut from Vanessa Len, where the line between monster and hero is razor thin. Don't forget the rule. No one can know what you are. What we are. You must never tell anyone about monsters. Joan has just learned the truth: her family are monsters, with terrifying, hidden powers. And the cute boy at work isn't just a boy: he's a legendary monster slayer, who will do anything to destroy her family. To save herself and her family. Joan do what she fears most: embrace her own monstrosity. Because in this story...she is not the hero. Dive deep into the world of Only a Monster: hidden worlds dwell in the shadows, beautiful monsters with untold powers walk among humans, and secrets are the most powerful weapon of all.

From bestselling writer David Graeber—"a master of opening up thought and stimulating debate" (Slate)—a powerful argument against the rise of meaningless, unfulfilling jobs...and their consequences. Does your job make a meaningful contribution to the world? In the spring of 2013, David Graeber asked this question in a playful, provocative essay titled "On the Phenomenon of Bullshit Jobs." It went viral. After one million online views in seventeen different languages, people all over the world are still debating the answer. There are hordes of people—HR consultants, communication coordinators, telemarketing researchers, corporate lawyers—whose jobs are useless, and, tragically, they know it. These people are caught in bullshit jobs. Graeber explores one of society's most vexing and deeply felt concerns, indicting among other villains a particular strain of financial capitalism that betrays ideals shared by thinkers ranging from Keynes to Lincoln. "Clever and charismatic" (The New Yorker), Bullshit Jobs gives individuals, corporations, and societies permission to undergo a shift in values, placing creative and caring work at the center of our culture. This book is for everyone who wants to turn their vocation back into an avocation and "a thought-provoking examination of our working lives" (Financial Times).

**NATIONAL BESTSELLER • PEN/HEMINGWAY AWARD WINNER** • One of The New York Times 10 Best Books of the Year "A wondrous and shattering novel that follows twelve characters, from Native communities; all traveling to the Big Oakland Powwow, all connected to one another in ways they may not yet realize. Among them is Jacque Red Feather, newly sober and trying to make it back to the family she left behind. Dene Oxendene, pulling his life together after his uncle's death and working at the powwow to honor his memory. Fourteen-year-old Orvil, coming of age for the very first time. Together, this chorus of voices tells of the plight of the urban Native Americans—grappling with a complex and painful history, with an inheritance of beauty and spirituality, with communion and sacrifice and heroism. Hailed as an instant classic, There: There is at once poignant and unflinching utterly contemporary and truly unforgettable.

Beloved author Worry Lines shares a sweetly funny and deeply relatable illustrated story about hope, worry, and chocolate chip cookies. Worry Lines has captured hearts around the world by posting daily drawings on Instagram. In this book, Worry Lines intertwaves these fan-favorites into an entirely new story about the making of the book itself. Charting the creative process from its anxiety-riddled beginning to its (hopefully) hopeful end, This Book Is for You is a charming and honest portrait of worry. This book is for you if you are: 1. A Brave Worrier (BV) 2. Absolute Legend (AL) 3. Anywhere from Mildly Concerned About Something (MCAS) to Deeply Anxious About Everything (DAAE)

A Comprehensive Guide to Retirement

There There

**NEW YORK TIMES BESTSELLER** • This on-point guide to growing up by Instagram sensation Mari Andrew features "achingly vulnerable and completely relatable watercolor illustrations about relationships, heartbreak and the struggles of urban life" (The Washington Post). In the journey toward adulthood, it is easy to find yourself treading the path of those who came before you; the path often appears straight and narrow, with a few bumps in the road and a little scenery to keep you inspired. But

what if you don't want to walk a worn path? What if you want to wander? What if there is no map to guide you through the detours life throws your way? From creating a home in a new city to understanding the link between a good hair dryer and good self-esteem to dealing with the depths of heartache and loss, these tales of the twentysomething document a road less traveled—a road that sometimes is just the way you're meant to go. Praise for Am I There Yet? "Equal parts memoir and illustrated guidebook, it chronicles Andrew's journey through adulthood as she navigates love and heartbreak, professional indecision and success, and personal struggles."—Refinery29 "Using her artistic skills to illustrate thought-provoking essays, Andrew inspires readers to take the path less traveled in life."—CNN "The illustrations . . . are often packed with truths about dating, self-care, careers, and all the secret thoughts you never say out loud."—Elle "This uplifting book is filled with essays and illustrations that will fill you with so much hope as you move forward with any big life change."—Bustle "Her illustrations will resonate with anyone who has ever had a crush, went on a date, or felt the sting of heartbreak."—The Independent

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Begin your journey to self-love with inspiring messages of hope as well as actionable moments from Instagram artist Tori Press. Life is a journey. And even though everyone's journey is different and unique, we all share one thing that binds us together—our search for self-acceptance and self-love. Half the time, we feel like we have no idea what we're doing—and that's okay. It's something that author and Instagram artist Tori Press knows all too well. In I Am Definitely, Probably Enough (I Think), Press uses the power of image to tackle the major themes in her life that keep her from loving herself—questions about self-worth, fluctuating self-esteem, anxiety, depression, external pressures from society, body image, and so on. She may not have all the answers, but she's trying, and half the time that's all that really matters. Practicing self-love takes patience, devotion, and a little bit of heart. Now you can be inspired by the honest advice and understanding Press provides to help you continue, or even start, your own journey to self-love.

As The Giving Tree turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with Lafcadio, the Lion Who Shot Back. He is also the creator of picture books including A Giraffe and a Half, Who Wants a Cheap Rhinoceros?, The Missing Piece, The Missing Piece Meets the Big O, and the perennial favorite The Giving Tree, and of classic poetry collections such as Where the Sidewalk Ends, A Light in the Attic, Falling Up, Every Thing On It, Don't Bump the Glump!, and Runny Babbit. And don't miss the other Shel Silverstein ebooks, Where the Sidewalk Ends and A Light in the Attic!

**This collection about obsession and love is the 99th volume of the Yale Series of Younger Poets Richard Siken's Crush, selected as the 2004 winner of the Yale Younger Poets prize, is a powerful collection of poems driven by obsession and love. Siken writes with ferocity, and his reader hurtles unstopably with him. His poetry is confessional, gay, savage, and charged with violent eroticism. In the world of American poetry, Siken's voice is striking.**

**Seven stunning stories of speculative fiction by the author of A Boy and His Dog. In a post-apocalyptic world, four men and one woman are all that remain of the human race, brought to near extinction by an artificial intelligence. Programmed to wage war on behalf of its creators, the AI became self-aware and turned against humanity. The five survivors are prisoners, kept alive and subjected to brutal torture by the hateful and sadistic machine in an endless cycle of violence. This story and six more groundbreaking and inventive tales that probe the depths of mortal experience prove why Grand Master of Science Fiction Harlan Ellison has earned the many accolades to his credit and remains one of the most original voices in American literature. I Have No Mouth and I Must Scream also includes "Big Sam Was My Friend," "Eyes of Dust," "World of the Myth," "Lonelyache," Hugo Award finalist "Delusion for a Dragon Slayer," and Hugo and Nebula Award finalist "Pretty Maggie Moneyeyes."**

**A special fiftieth anniversary edition of Kurt Vonnegut's masterpiece, "a desperate, painfully honest attempt to confront the monstrous crimes of the twentieth century" (Time), featuring a new introduction by Kevin Powers, author of the National Book Award finalist The Yellow Birds Selected by the Modern Library as one of the 100 best novels of all time Slaughterhouse-Five, an American classic, is one of the world's great antiwar books. Centering on the infamous World War II firebombing of Dresden, the novel is the result of what Kurt Vonnegut described as a twenty-three-year struggle to write a book about what he had witnessed as an American prisoner of war. It combines historical fiction, science fiction, autobiography, and satire in an account of the life of Billy Pilgrim, a barber's son turned draftee turned optometrist turned alien abductee. As Vonnegut had, Billy experiences the destruction of Dresden as a POW. Unlike Vonnegut, he experiences time travel, or coming "unstuck in time." An instant bestseller, Slaughterhouse-Five made Kurt Vonnegut a cult hero in American literature, a reputation that only strengthened over time, despite his being banned and censored by some libraries and schools for content and language. But it was precisely those elements of Vonnegut's writing—the political edginess, the genre-bending inventiveness, the frank violence, the transgressive wit—that have inspired generations of readers not just to look differently at the world around them but to find the confidence to say something about it. Authors as wide-ranging as Norman Mailer, John Irving, Michael Crichton, Tim O'Brien, Margaret Atwood, Elizabeth Strout, David Sedaris, Jennifer Egan, and J. K. Rowling have all found inspiration in Vonnegut's words. Jonathan Safran Foer has described Vonnegut as "the kind of writer who made people—young people especially—want to write." George Saunders has declared Vonnegut to be "the great, urgent, passionate American writer of our century, who offers us . . . a model of the kind of compassionate thinking that might yet save us from ourselves." Fifty years after its initial publication at the height of the Vietnam War, Vonnegut's portrayal of political disillusionment, PTSD, and postwar anxiety feels as relevant, darkly humorous, and profoundly affecting as ever, an enduring beacon through our own era's uncertainties. "Poignant and hilarious, threaded with compassion and, behind everything, the cataract of a thundering moral statement."—The Boston Globe**
