Astounding Activities for Minecrafters

The perfect educational workbook for fans of Minecraft! Make learning sight words fun with awesome activities and practice pages! This kid-friendly workbook features well-loved Minecrafting characters and concepts to reinforce the development of first and second grade reading skills and increase kids' familiarity with over 100 high-frequency words. Sight words, or high-frequency words, are words that often appear in grade-level reading material but can't always be sounded out using traditional spelling rules. With tracing, writing, and word-building activities to facilitate learning, kids will be able to recognize, spell, and pronounce more than 100 sight words as they build a strong foundation for reading fluency. Alex and Steve and beloved Minecraft mobs will guide kids through this kid-friendly workbook and encourage reading practice in even the most reluctant of students. Using the Fry word list as a basis, each page features one high-frequency sight word, colorful Minecraft art, and a fun puzzle or game to reward young learners. 100 high-frequency words to trace, write, and read Colorful Minecraft-themed art for extra fun Game or puzzle on every page rewards and engages young learners The Incredible Sight Word Workbook for Minecrafters helps parents position their kids for school year success. Young gamers who are just learning the basics of reading or have started reading will enjoy diving into this educational adventure.

Minecraft gaming secrets! Become a master builder of your own Minecraft smarts with The Know-It-All Trivia Book for Minecrafters! Inside you will find awesome trivia such as: Herobrine isn't a real character programmed into the game. Urban legends insist that he's a dead miner, or that Notch's deceased brother haunts the game. It's just a glitch that makes Steve sometimes appear to have spooky white eyes. They're probably just bleary from playing too much Minecraft. The name of the main miner character in the game is Steve, right? Well, sort of. He didn't ever have one until someone asked Notch in an interview if the character had a name. Notch's response: "Steve?" The name stuck. We still don't know what his last name is, though. This book is complete with silly illustrations to make becoming a master of Minecraft facts even more fun. Whether you're at home or school, you can have all your friends and family in awe of your Minecraft knowledge!

Some solutions even have a hilarious twist—you'll be laughing all the way to the Nether! With more than eight hundred brain twisters, you'll stock up on brainpower more explosive than a creeper's TNT. Find the cleverest puzzles in the Overworld, including: A Creeper is after Steve, and he has to find safety in one of three structures. One is on fire, one is full of Skeletons, and the other is home to Spiders who haven't eaten in months. Which place is the safest? The structure with the Spiders. If they haven't eaten in months...those Spiders are dead. Alex is in the Taiga biome with a pack on her back, but she isn't carrying anything. How is this possible? The pack is a pack of Wolves. What item in Minecraft is black when you mine it, orange when you use it, and grey when it's all used up? Coal. Steve comes across a jack o'lantern and a couple of sticks in the middle of a grassy biome. What is the meaning of this? It was a Snow Golem...but it melted. The pumpkin head and stick arms are all that's left. Brain Twisters for Minecrafters is the ultimate Minecraft game (besides Minecraft of course). In these pages you'll find all kinds of fun brain games about Mobs, biomes, Steve, Alex, tools, and ores galore. Let's get in there and pick up your brain, Minecrafter!
