This book is for kids or adults who are absolute beginners in music. We tried to write it as simply as possible. We use an "easy-to-play" visual aid so any beginner can play music quickly.Neither kids nor their parents have to read sheet music or have a musical background. No previous knowledge is necessary. Every song has a large and simple, color and letter-coded visual, along with traditional sheet music. The instruction is designed so that children begin with simple circles and gradually advance to reading notes using sheet music. We try to make this transition as easy as a game, where children advance to higher levels themselves. There are totally 22 songs and 2 options to help children to play to play right away. PLAYING BY LETTER CIRCLE PLAY WITH THE MUSICAL STAFF The player can first follow the circles and then repeat with the classic note symbols and staff. The helpful letters are always above the notes. There are 3 parts in this book. They are equal to 3 levels. Level 1. Songs that are played in one octave. All songs here appear twice: once written with circles and the next time with classic music notes. This will help kids remember the staff notes. For example: Mary Had a Little Lamb - Ver 1 - CIRCLES Mary Had a Little Lamb - Ver 1 - Notes Level 2 In this part, you will find one version with both circles and notes, and a more advanced version of the song with notes and musical notation. For example: Hot Cross Buns - Version 1 - CIRCLES Hot Cross Buns - version 1 - NOTES Hot Cross Buns - Version 2 - NOTES (Here the player will play songs in a different key and learn how to transpose.) Generally, the version of the song written with sheet music is a little bit more complex than a letter-coded version. Such versions already have music notations such as rests or beams, etc. You can find an illustrated explanation of the notation at the end of this book. Level 3 Here, the first two songs are versions of the same melody (different combinations of notes) written with circles and notes. This is important so that the beginner can see how the same melody can be played in different keys. First of all, this book is addressed to newcomers to any keyboard instrument (such as Piano or Synthesizer). We offer 22 one-hand piano songs.Also, it is a perfect self-training guide for children and beginner adults to mastering the challenges of percussion instruments such as xylophone, glockenspiel, melodica, or recorder. Additionally, you find funny riddles with engaging activities to teach musical notes and symbols. (Instrumental Folio). If you've been playing recorder for a little while, you are probably eager to learn some familiar songs. This book includes a wide variety of favorite songs, from pop hits and movie themes to classical melodies and folk songs. Includes: All You Need Is Love (The Beatles) * Believer (Imagine Dragons) * Carnival of Venice * Evermore (from Beauty and the Beast) * Fly Me to the Moon (In Other Words) (Frank Sinatra) * God Bless America (Irving Berlin) * Hello (Adele) * I Will Always Love You (Whitney Houston) * Just Give Me a Reason (Pink) * Let It Go (from Frozen)* Moon River (Henry Mancini) * Perfect (Ed Sheeran) * Roar (Katy Perry) * Shake It Off (Taylor Swift) * Uptown Funk (Bruno Mars) * and more.

Raymond Briggs' charming Christmas story of the boy who builds a snowman who comes to life, and their adventures together, has become a children's classic. It's popularity has been further enhanced by frequent television broadcasts of the award winning cartoon film The Snowman. In this suit for clarinet and piano, composer Howard Blake recreated the story in words and music based on the scenes from the film. The music, which includes the hit song Walking in the Air, is easy enough to be played by pianists and clarinet players of all ages and abilities.

Lovers of acoustic-flavored, guitar driven worship will want to consider this collection of songs from the likes of Chris Tomlin, Matt Redman and other contemporary worship leaders. The Allens weave several of the songs into blended-worship medleys based on particular themes (e.g., "How Can I Keep from Singing?" is joined with the hymn "I Will Sing the Wondrous Story" and the chorus "I Could Sing of Your Love Forever"). Other nice features include simple but effective narration, rendered by the worship leader, with two optional storytellers. Keeping the narration short (and utilizing familiar songs) allows for the collection to be presented more as a worship concert than a performance, therefore fostering more audience participation than is often the case in a choral musical. The production notes also give instructions for an optional communion service that can be incorporated into the mix.

Contains all the set pieces, exercises and specimen sight-reading tests for the Snare Drum examinations, Grades 1 & 2.

The Hot Cross Buns Book uses fifty variations on Hot Cross Buns to teach basic finger patterns and rhythms on the cello. The fascinating story of a hugely popular instrument, detailing its rich and varied history from the Middle Ages to the present The recorder is perhaps best known today for its educational role. Although it is frequently regarded as a stepping-stone on the path toward higher musical pursuits, this role is just one recent facet of the recorder's fascinating history—which spans professional and amateur music-making since the Middle Ages. In its new addition to the Yale Musical Instrument Series, David Lasocki and Robert Ehrlich trace the evolution of the recorder. Emerging from a variety of flutes played by fourteenth-century soldiers, shepherds, and watchmen, the recorder swiftly became an artistic instrument for courtly and city minstrels. Featured in music by the greatest Baroque composers, including Bach and Handel, in the twentieth century it played a vital role in the Early Music Revival and achieved international popularity and notoriety in mass education. Overall, Lasocki and Ehrlich make a case for the recorder being surprisingly present, and significant, throughout Western music history.

This recorder songbook will help you begin to play music by letter simply and easily. The color-illustrated learning book includes not only letters but also classic sheet music and it is helpful in developing music literacy. Most of the presented melodies are rather unique. Although our songbook includes basically kids' songs, you will find several Christian hymns and Christmas carols. In addition, you can find another book for the recorder musical instrument with the most popular songs from around the world "Recorder for Beginners. 50 Easy-to-Play Songs from Over the World" Attention: Some melodies might be changed and simplified for beginners to be able to play in one octave. Letter names have been added to the classic music notes to make it possible for you to confidently begin playing. Also, QR codes have been added to all songs so you can follow the link and hear the rhythm before playing.
