Life, Liberty & the Pursuit of Hollywood: More of My Wacky Adventures in Tinseltown

A Novel

Ethical Sustainability for a Peaceful World

“An extraordinary novel . . . a triumph of insight and storytelling.” —Associated Press

“A true masterpiece.” —Glennon Doyle, author of *Untamed* An extraordinary story set in the first century about a woman who finds her voice and her destiny, from the celebrated number one New York Times bestselling author of *The Secret Life of Bees*

and *The Invention of Wings* In her mesmerizing fourth work of fiction, Sue Monk Kidd takes an audacious approach to history and brings her acclaimed narrative gifts to imagine the story of a young woman named Ana. Raised in a wealthy family with ties to the ruler of Galilee, she is rebellious and ambitious, with a brilliant mind and a daring spirit. She engages in furtive scholarly pursuits and writes narratives about neglected and silenced women. Ana is expected to marry an older widower, a

prospect that horrifies her. An encounter with eighteen-year-old Jesus changes everything. Their marriage evolves with love and conflict, humor and pathos in Nazareth, where Ana makes a home with Jesus, his brothers, and their mother, Mary. Ana's pent-up longings intensify amid the turbulent resistance to Rome's occupation of Israel, partially led by her brother, Judas. She is sustained by her fearless aunt Yaltha, who harbors a compelling secret. When Ana commits a brazen act that puts her in peril, she flees to

Alexandria, where startling revelations and greater dangers unfold, and she finds refuge in unexpected surroundings. Ana determines her fate during a stunning convergence of events considered among the most impactful in human history. Grounded in meticulous research and written with a reverential approach to Jesus's life that focuses on his humanity, *The Book of Longings* is an inspiring, unforgettable account of one woman's bold struggle to realize the passion and potential inside her, while living in a

time, place and culture devised to silence her. It is a triumph of storytelling both timely and timeless, from a masterful writer at the height of her powers.

This book tells the story of the turbulent decades when the book publishing industry collided with the great technological revolution of our time. From the surge of ebooks to the self-publishing explosion and the growing popularity of audiobooks, *Book Wars* provides a comprehensive and fine-grained account of technological disruption in

one of our most important and successful creative industries. Like other sectors, publishing has been thrown into disarray by the digital revolution. The foundation on which this industry had been based for 500 years – the packaging and sale of words and images in the form of printed books – was called into question by a technological revolution that enabled symbolic content to be stored, manipulated and transmitted quickly and cheaply. Publishers and retailers found themselves facing a proliferation of

Read PDF Amazon Paperback Books For Sale

new players who were offering new products and services and challenging some of their most deeply held principles and beliefs. The old industry was suddenly thrust into the limelight as bitter conflicts erupted between publishers and new entrants, including powerful new tech giants who saw the world in very different ways. The book wars had begun. While ebooks were at the heart of many of these conflicts, Thompson argues that the most fundamental consequences lie elsewhere. The print-on-paper book has

proven to be a remarkably resilient cultural form, but the digital revolution has transformed the industry in other ways, spawning new players which now wield unprecedented power and giving rise to an array of new publishing forms. Most important of all, it has transformed the broader information and communication environment, creating new challenges and new opportunities for publishers as they seek to redefine their role in the digital age. This unrivalled account of the book publishing

Read PDF Amazon Paperback Books For Sale

industry as it faces its greatest challenge since Gutenberg will be essential reading for anyone interested in books and their future. Creating an eBook and publishing for Kindle and other e-readers is straightforward, fun and profitable, but if you have never done it before, it can also be daunting. This book shows how you can create an eBook, get it on sale and then shows how free eBook marketing techniques can be used to promote and sell your eBooks around the world.

wickedly funny, lovers-to-enemies-to-lovers romantic comedy debut. Naomi Westfield has the perfect fiancé: Nicholas Rose holds doors open for her, remembers her restaurant orders, and comes from the kind of upstanding society family any bride would love to be a part of. They never fight. They're preparing for their lavish wedding that's three months away. And she is miserably and utterly sick of him. Naomi wants out, but there's a catch: whoever ends the engagement will have to foot the nonrefundable wedding bill. When Naomi discovers that Nicholas, too, has been feigning contentment, the two of them go head-to-head in a battle of pranks, sabotage, and all-out emotional warfare. But

different women answer the call to mysterious country estate Bletchley Park, where the best minds in Britain train to break German military codes. Vivacious debutante Osla is the girl who has everything--beauty, wealth, and the dashing Prince Philip of Greece sending her roses--but she burns to prove herself as more than a society girl, and puts her fluent German to use as a translator of decoded enemy secrets. Imperious self-made Mab, product of east-end London poverty, works the legendary codebreaking machines as she conceals old wounds and looks for a socially advantageous husband. Both Osla and Mab are quick to see the potential in local village spinster Beth, whose shyness

Book Wars

The Fight for Local Economics, Data Privacy, Fair Labor, Independent Bookstores, and a People-Powered Future!

When a company's workers are literally

dying on the job, when their business model relies on preying on local businesses and even their own vendors, when their CEO is the richest person in the world while their workers make low wages with impossible quotas... wouldn't you want to resist? Danny Caine, owner of Raven Book Store in Lawrence, Kansas has been an outspoken critic of the seemingly unstoppable Goliath of the bookselling world: Amazon. In this book, he lays out the

case for shifting our personal money and civic investment away from global corporate behemoths and to small, local, independent businesses. Well-researched and lively, his tale covers the history of big box stores, the big political drama of delivery, and the perils of warehouse work. He shows how Amazon's ruthless discount strategies mean authors, publishers, and even Amazon themselves can lose money on every book sold. And he spells out a

clear path to resistance, in a world where consumers are struggling to get by. In-depth research is interspersed with charming personal anecdotes from bookstore life, making this a readable, fascinating, essential book for the 2020s.

Writing a book is hard. Marketing it can be even harder. Marketing a book in 2021 can seem like a full-time job, what with the crazy number of things authors seem to be expected to do:

social media, blog tours, advertising, price promotions, mailing lists, giveaways, you name it. But here's a little secret: you don't need to do all those things to successfully set your book on the path to success. What you need is a solid plan to find the one or two tactics that will work, and start to drive sales... in a minimum amount of time. And that's exactly what you'll find in this book. Instead of drowning you in information or inundating you

with hundreds of different tactics and strategies that eventually prove fruitless, this book will guide you through a step-by-step framework to find the ones that actually work for you and your book, so that you can start marketing more efficiently. In particular, you'll learn: □□ How to change your mindset and sell more books with less effort.; □□ How to write books that guarantee a lasting, profitable career; □□ How to get

Read PDF Amazon Paperback Books For Sale

Amazon's Kindle Store to market your book for you; □□ How to get thousands of readers into your mailing list before you even release the book; □□ How to propel your book to the top of the charts at launch; and □□ How to automate your marketing so that you can spend less time marketing and more time writing, After helping over 150,000 authors crack the marketing code through a popular weekly newsletter, Reedsy's Co-founder Ricardo Fayet is

sharing everything he's learned over the past few years in this beginner-friendly, jargon-free guide to book marketing. Best of all, the ebook version is and will always remain 100% FREE. Get your copy now and benefit from all the experience of a seasoned marketing professional.

"Migrations is as beautiful and as wrenching as anything I've ever read. This is an extraordinary novel by a wildly talented writer." –Emily St.

John Mandel, author of Station Eleven
For readers of Flight Behavior and
Station Eleven, a novel set on the
brink of catastrophe, as a young woman
chases the world's last birds—and her
own final chance for redemption. Franny
Stone has always been a wanderer. By
following the ocean's tides and the
birds that soar above, she can forget
the losses that have haunted her life.
But when the wild she loves begins to
disappear, Franny can no longer wander

without a destination. She arrives in remote Greenland with one purpose: to find the world's last flock of Arctic terns and follow them on their final migration. She convinces Ennis Malone, captain of the Saghani, to take her onboard, winning over his eccentric crew with promises that the birds she is tracking will lead them to fish. As the Saghani fights its way south, Franny's new shipmates begin to realize that she is full of dark secrets: night

terrors, an unsent pile of letters, and an obsession with pursuing the terns at any cost. When the story of her past begins to unspool, Ennis and his crew must ask themselves what Franny is really running toward—and running from. Propelled by a narrator as fierce and fragile as the terns she is following, Migrations is both an ode to our threatened world and a breathtaking page-turner about the lengths we will go for the people we love.

Award-winning #1 New York Times bestseller The Underground Railroad, Colson Whitehead brilliantly dramatizes another strand of American history through the story of two boys sentenced to a hellish reform school in Jim Crow-era Florida. As the Civil Rights movement begins to reach the black enclave of Frenchtown in segregated Tallahassee, Elwood Curtis takes the words of Dr. Martin Luther King to heart: He is "as good as anyone." Abandoned by his parents, but kept on the straight and narrow by his grandmother, Elwood is about to enroll in the local black college. But for a black boy in the Jim Crow South of the early 1960s, one innocent mistake is enough to destroy the future. Elwood is sentenced to a juvenile reformatory called the Nickel Academy, whose mission statement says it provides "physical, intellectual and moral training" so the delinquent boys in their charge can become

Read PDF Amazon Paperback Books For Sale

"honorable and honest men." In reality, the Nickel Academy is a grotesque chamber of horrors where the sadistic staff beats and sexually abuses the students, corrupt officials and locals steal food and supplies, and any boy who resists is likely to disappear "out back." Stunned to find himself in such a vicious environment, Elwood tries to hold onto Dr. King's ringing assertion "Throw us in jail and we will still love you." His friend Turner thinks Elwood is worse than naive, that the world is crooked, and that the only way to survive is to scheme and avoid trouble. The tension between Elwood's ideals and Turner's skepticism leads to a decision whose repercussions will echo down the decades. Formed in the crucible of the evils Jim Crow wrought, the boys' fates will be determined by what they endured at the Nickel Academy. Based on the real story of a reform school in Florida that operated for one hundred and

How to Resist Amazon and Why

Caps for Sale is a timeless classic, in print for over fifty years, and beloved by generations of readers. This easy-to-read story about a peddler and a band of

mischievous monkeys is filled with warmth, humor, and simplicity. Children will delight in following the peddlers efforts to outwit the monkeys in this new, enlarged, and redesigned edition, and will ask to read it again and again.

“The only people who should try to ‘make it’ in Hollywood are the young. Because the young are stupid! They cannot conceive of the possibility that they can fail, and a person needs to possess that kind of stupidity in order to face and, hopefully, overcome the tremendous obstacles that one

runs up against in the motion picture business.” — Jack Lemmon Michael B. Druxman followed his dreams to Hollywood and, although he may not have “reached the stars,” his persistence made it possible for the vast majority of those dreams to come true. His new book, Life, Liberty & The Pursuit of Hollywood, continues the story of that remarkable adventure, which he began relating in his first memoir, My Forty-Five Years in Hollywood...And How I Escaped Alive (2010). Returning to his boyhood in Seattle, this new work explores with greater

depth Druxman's journey to Los Angeles where, without any show business contacts whatsoever, he was able to create a successful career for himself as a publicist, playwright, screenwriter, director and Hollywood historian. From Rock Hudson and Christopher Lee to George Raft and Frank Sinatra to playwright Tennessee Williams and legendary producer Roger Corman, the work is filled with amusing stories of Druxman's encounters and lessons learned from Hollywood's rich and famous. Hollywood historian Annette Lloyd reports:

"Druxman's style flows so beautifully, that you don't realize that what you are, indeed, reading is a contribution to film history! His interactions with so many of the Hollywood elite (and not so elite) really do contribute to a fuller and deeper understanding of them...Some of the stories are predictably humorous....Some are jaw-droppers....Some were sad. ALL - and I mean all - were well framed, beautifully developed, and word-to-word dynamite. I did NOT want this book to end." And, according to biographer Beverly Gray (Roger Corman: Blood-Sucking

Vampires, Flesh-Eating Cockroaches, and Driller Killers): “Michael Druxman’s new book is like taking a time machine back to those thrilling days of yesteryear, a time when there was a real Hollywood with real movie stars and the kind of class that no longer exists in that place they call Hollywood today. The tales of his days as a ‘publicist for a price’ are endearing and droll, and the celebrities he handled make for a grand cast of characters in this very affectionate memoir. Add to that the stories of writing and directing for Roger Corman,

as well as his childhood memories, and you have a book that's a fun, fast read."

A love story about a woman unexpectedly forced to choose between the husband she has long thought dead and the fiancé who has finally brought her back to life

I am the author of eight books -- three paperbacks and eight ebooks. Overall I have been successful in getting my books published and sold. However, I have made mistakes and learned some valuable lessons along the way. This book is far from a complete resource on how to write, publish

and market your books. The purpose of my book is to share with you my insights and experiences based on my mistakes and lessons learned. In doing so, my hope is to save you time and money and make your publishing experience less onerous, more enjoyable and hopefully profitable. For example, do you know that in many countries there is a national organization that collects fees from organizations (e.g. schools, government) for the right to copy published works? These fees are then passed on to the registered authors/publishers.

Note: The operating processes and eligibility requirements of these organizations vary from country to country.

far outside of the borders of his own country. Studying material objects, fan fiction, and digital media, Putin Kitsch in America traces the satirical uses of Putin's public persona and how he stands as a foil for other world leaders. Uncovering a wide variety of material culture - satirical, scatological, even risqué - made possible by new print-on-demand technologies, Alison Rowley argues that the internet is crucial to the creation of contemporary Putin memorabilia. She explains that these items are evidence of young people's continued interest and participation in politics, even as some experts decry what they see as the opposite. The book addresses the ways in which explicit sexual references

about government officials are used as everyday political commentary in the United States. The number of such references skyrocketed during the 2016 US presidential election campaign, and turning a critical eye to Putin kitsch suggests that the phenomenon will continue when Americans next return to the polls. An examination of how the Russian president's image circulates via memes, parodies, apps, and games, *Putin Kitsch in America* illustrates how technological change has shaped both the kinds of kitsch being produced and the nature of political engagement today.

exhilarating first new novel since the groundbreaking *Fates and Furies*. Cast out of the royal court by Eleanor of Aquitaine, deemed too coarse and rough-hewn for marriage or courtly life, seventeen-year-old Marie de France is sent to England to be the new prioress of an impoverished abbey, its nuns on the brink of starvation and beset by disease. At first taken aback by the severity of her new life, Marie finds focus and love in collective life with her singular and mercurial sisters. In this crucible, Marie steadily supplants her desire for family, for her homeland, for the passions of her youth with something new to her: devotion to her sisters, and a conviction in her own divine visions. Marie, born the last

in a long line of women warriors and crusaders, is determined to chart a bold new course for the women she now leads and protects. But in a world that is shifting and corroding in frightening ways, one that can never reconcile itself with her existence, will the sheer force of Marie's vision be bulwark enough? Equally alive to the sacred and the profane, Matrix gathers currents of violence, sensuality, and religious ecstasy in a mesmerizing portrait of consuming passion, aberrant faith, and a woman that history moves both through and around. Lauren Groff's new novel, her first since *Fates and Furies*, is a defiant and timely exploration of the raw power of female creativity in a corrupted world.

Under the Whispering Door is a contemporary fantasy with TJ Klune's signature "quirk and charm" (Publishers Weekly) about a ghost who refuses to cross over and the ferryman he falls in love with. When a reaper comes to collect Wallace Price from his own funeral, Wallace suspects he really might be dead. Instead of leading him directly to the afterlife, the reaper takes him to a small village. On the outskirts, off the path through the woods, tucked between mountains, is a particular tea shop, run by a man named Hugo. Hugo is the tea shop's owner to locals and the ferryman to souls who need to cross over. But Wallace isn't ready to abandon the life he barely lived. With Hugo's help he finally starts to learn about all

the things he missed in life. When the Manager, a curious and powerful being, arrives at the tea shop and gives Wallace one week to cross over, Wallace sets about living a lifetime in seven days. By turns heartwarming and heartbreaking, this absorbing tale of grief and hope is told with TJ Klune's signature warmth, humor, and extraordinary empathy.
