one long dead, yet living on in an ancient text, the other chillingly alive and fraught with peril. In the blink of an eye, Serena and Erik have become targets of an unseen and determined stalker as they get closer to shocking revelations about Serena's legacy, the cold murder of an eccentric old woman in the heat of the Mojave Desert...and just how far a remorseless killer is willing to go. And now their only slim hope of survival is to keep moving. Soon to be a Showtime documentary, *Murder in the Bayou* is a New York Times bestselling chronicle of a high-stakes investigation into the murders of eight women in a troubled Southern parish that is “part murder case, part corruption exposé, and part Louisiana noir” (New York magazine). Between 2005 and 2009, the bodies of eight women were discovered in Jennings, Louisiana, a bayou town of 10,000 in the Jefferson Davis

parish. The women came to be known as the Jeff Davis 8, and local law enforcement officials were quick to pursue a serial killer theory, stirring a wave of panic across Jennings' class-divided neighborhoods. The Jeff Davis 8 had been among society's most vulnerable—impoverished, abused, and mired with mental illness. They engaged in sex work as a means of survival. And their underworld activity frequently occurred at a decrepit motel called the Boudreaux Inn. As the cases went unsolved, the community began to look inward. Rumors of police corruption and evidence tampering, of collusion between street and shield, cast the serial killer theory into doubt. But what was really going on in the humid rooms of the Boudreaux Inn? Why were crimes going unsolved and police officers being indicted? What had the eight women

known? And could anything be done to stop the bloodshed? Mixing muckraking research and immersive journalism over the course of a five-year investigation, Ethan Brown reviewed thousands of pages of previously unseen homicide files to posit what happened during each woman's final hours delivering a true crime tale that is "mesmerizing" (Rolling Stone) and "explosive" (Huffington Post). "Brown is a man on a mission...he gives the victims more respectful attention than they probably got in real life" (The New York Times). "A must-read for true-crime fans" (Publishers Weekly, starred review), with a new afterword, *Murder in the Bayou* is the story of an American town buckling under the dark forces of poverty, race, and class division—and a lightning rod for justice for the daughters it lost.
