A Kirkus Best Book of 2019! From the critically acclaimed author of Just Like Jackie comes a strikingly tender novel about one family ' s heartbreak and the compassion that carries them through, perfect for fans of Sara Pennypacker, Lisa Graff, and Ann M. Martin. It ' s been almost a year since Rain ' s brother Guthrie died, and her parents still don ' t know it was all Rain ' s fault. In fact, no one does—Rain buried her secret deep, no matter how heavy it weighs on her heart. So when her mom suggests moving the family from Vermont to New York City, Rain agrees. But life in the big city is different. She ' s never seen so many people in one place—or felt more like an outsider. With her parents fighting more than ever and the anniversary of Guthrie ' s death approaching, Rain is determined to keep her big secret close to her heart. But even she knows that when you bury things deep, they grow up twice as tall. Readers will fall in love with the pluck and warmth of Stoddard ' s latest heroine and the strength that even a small heart can lend.

Lord Gabriel Sharpe is guilt-ridden by his friend's death to the point that he recklessly accepts a challenge to compete in the same race that ended his friend's life, but develops unexpected feelings for his friend's sister.

In a thick forest on the continent of Australia, with closely packed eucalyptus trees towering up into the sky. And a lake spreading out all around it. There lived a happy koala family. Mummy Koala, Daddy Koala, and their child, K. K was now two years old and he was growing into a healthy young male koala. K was just like the other teenage koalas, except for one thing, oh my, K was so lazy, he loved sleeping. You should know that koalas actually sleep for 16-20 hours per day. But K, he was extraordinary, he could sleep for 22 hours per day. Goodness, just imagine how long K slept. If he went to sleep at eight o'clock in the evening, that meant, he would only wake up at six o'clock in the evening on the following day. But one day, something happens in the forest, and K will have a new adventure! Fantastic adventure!

Published in Indonesia in 2005, The Rainbow Troops, Andrea Hirata's closely autobiographical debut novel, sold more than five million copies, shattering records. Now it promises to captivate audiences around the globe. Ikal is a student at the poorest village school on the Indonesian island of Belitung, where graduating from sixth grade is considered a remarkable achievement. His school is under constant threat of closure. In fact, Ikal and his friends—a group nicknamed the Rainbow Troops—face threats from every angle: skeptical government officials, greedy corporations hardly distinguishable from the colonialism they've replaced, deepening poverty and crumbling infrastructure, and their own low self-confidence. But the students also have hope, which comes in the form of two extraordinary teachers, and Ikal's education in and out of the classroom is an uplifting one. We root for him and his friends as they defy the island's powerful tin mine officials. We meet his first love, the unseen girl who sells chalk from behind a shop screen, whose pretty hands capture Ikal's heart. We cheer for Lintang, the class's barefoot math genius, as he bests the students of the mining corporation's school in an academic challenge. Above all, we gain an intimate acquaintance with the customs and people of the world's largest Muslim society. This is classic storytelling in the spirit of Khaled Hosseini's The Kite Runner: an engrossing depiction of a milieu we have never encountered before, bursting with charm and verve.

The Golden Apple

A revelation of the guiding spirit of the Islamic moral code.

Tetukong was the son of a family who were herders. He lived in a house which was like a tent, so that they could move around each season. This tribe of herders was truly unique. They didn't herd their livestock on horseback, they rode kites, flying high above the ground, circling around and around to make sure the thousands of animals were safe. Ready? For an amazing adventure?

Filled with political intrigue, violent magic, and malevolent spirits, the mesmerizing second book in Sarah Beth Durst's Queens of Renthia epic fantasy trilogy that started with the award-winning The Queen of Blood. Everything has a spirit: the willow tree with leaves that kiss the pond, the stream that feeds the river, the wind that exhales fresh snow . . . And those spirits want to kill you. It's the first lesson that every Renthian learns. Not long ago, Daleina used her strength and skill to survive those spirits and assume the royal throne. Since then, the new queen has kept the peace and protected the humans of her land. But now for all her power, she is hiding a terrible secret: she is dying.

And if she leaves the world before a new heir is ready, the spirits that inhabit her beloved realm will run wild, destroying her cities and slaughtering her people. Naelin is one such person, and she couldn't be further removed from

the Queen—and she wouldn't have it any other way. Her world is her two children, her husband, and the remote village tucked deep in the forest that is her home, and that's all she needs. But when Ven, the Queens champion, passes through the village, Naelin's ambitious husband proudly tells him of his wife's ability to control spirits—magic that Naelin fervently denies. She knows that if the truth of her abilities is known, it will bring only death and separation from those she loves. But Ven has a single task: to find the best possible candidate to protect the people of Aratay. He did it once when he discovered Daleina, and he's certain he's done it again. Yet for all his appeals to duty, Naelin is a mother, and she knows her duty is to her children first and foremost. Only as the Queen's power begins to wane and the spirits become emboldened—even as ominous rumors trickle down from the north—does she realize that the best way to keep her son and daughter safe is to risk everything. Sarah Beth Durst established a place of dark wonder in *The Queen of Blood*, and now the stakes are even higher as the threat to the Queen and her people grows both from within and beyond the borders of Aratay in this riveting second novel of the *Queens of Renthia* series.

Is there a bicycle at your house? Does it belong to your parents or is it your very own? Hey, that's great. Do you like riding your bike? Amazing. Having a bike is actually great fun. Do you all know what the most valuable plant in the whole wide world is? The answer is: The Golden Apple. A mysterious plant that only grows in the Bukhara Valley. The golden apple is the crowning glory of all plants. The king of all plant species. It looks just like a normal apple but it's golden in colour. A single golden apple fruit not only satisfies your hunger but can also cure every illness known to mankind. And if someone who eats the golden apple is not actually sick, munching it gives that person a feeling of happiness, peace and serenity. So where is Bukhara Valley? That valley is mysterious too. Not many people know about it, hidden as it is in a particular part of the Earth. This is a story about The Golden Apple.

Botchan is a modern young man from the Tokyo metropolis, sent to the ultra-traditional Matsuyama district as a Maths teacher after his the death of his parents. Cynical, rebellious and immature, Botchan finds himself facing several tests, from the pupils - prone to playing tricks on their new, naïve teacher; the staff - vain, immoral, and in danger of becoming a bad influence on Botchan; and from his own as-yet-unformed nature, as he finds his place in the world. One of the most popular novels in Japan where it is considered a classic of adolescence, as seminal as *The Catcher in the Rye*, Botchan is as funny, poignant and memorable as it was when first published, over 100 years ago. In J. Cohn's introduction to his colourful translation, he discusses Botchan's success, the book's clash between Western intellectualism and traditional Japanese values, and the importance of names and nicknames in the novel.

Today the bottle tops dwelling in Cupboard Number 10 are having an important conference (meeting). There are fifteen bottle tops dwelling in that cupboard and they are flocking to the meeting place. Cupboard Number 10 is made out of teak wood, it's two metres high and has five shelves. Three bottle tops occupy each shelf. A resilient young woman must outwit a sadistic psychopath in this pulse-pounding thriller from the author of *The Silence of the Lambs*, a "master still at the top of his strange and chilling form" (*Wall Street Journal*). Twenty-five million dollars in cartel gold lies hidden beneath a mansion on the Miami Beach waterfront. Ruthless men have tracked it for years. Leading the pack is Hans-Peter Schneider. Driven by unspeakable appetites, he makes a living fleshing out the violent fantasies of other, richer men. Cari Mora, caretaker of the house, has escaped from the violence in her native country. She stays in Miami on a wobbly Temporary Protected Status, subject to the iron whim of ICE. She works at many jobs to survive. Beautiful, marked by war, Cari catches the eye of Hans-Peter as he closes in on the treasure. But Cari Mora has surprising skills, and her will to survive has been tested before. Monsters lurk in the crevices between male desire and female survival. No other writer in the last century has conjured those monsters with more terrifying brilliance than Thomas Harris. Cari Mora, his sixth novel, is the long-awaited return of an American master.

love. Ayesha Shamsi has a lot going on. Her dreams of being a poet have been set aside for a teaching job so she can pay off her debts to her wealthy uncle. She lives with her boisterous Muslim family and is always being reminded that her flighty younger cousin, Hafsa, is close to rejecting her one hundredth marriage proposal. Though Ayesha is lonely, she doesn't want an arranged marriage. Then she meets Khalid, who is just as smart and handsome as he is conservative and judgmental. She is irritatingly attracted to someone who looks down on her choices and who dresses like he belongs in the seventh century. When a surprise engagement is announced between Khalid and Hafsa, Ayesha is torn between how she feels about the straightforward Khalid and the unsettling new gossip she hears about his family. Looking into the rumors, she finds she has to deal with not only what she discovers about Khalid, but also the truth she realizes about herself. Acclaimed Regency romance from New York Times and USA Today bestselling author Amelia Grey Henrietta doesn't want a husband... Miss Henrietta Tweed is convinced that she carries a curse—one that's responsible for killing her previous guardians. So when she's sent to Lucien Trent Blakewell, the fifth Duke of Blakewell and the last man her father trusted to care for her, she knows the only way to save the duke is to persuade him to sign over her inheritance and set her free. Does she? Lucien doesn't believe there's a curse and just wants to get his new ward off his hands by finding her a suitable husband. But as the chemistry between him and Henrietta grows, he is increasingly tempted to fill that role himself. And when suspicious accidents begin to endanger the Duke's life, Henrietta must take drastic measures to save the one man she could love... In Character and Conflict in Jane Austen's Novels, Bernard J. Paris offers an analysis of the protagonists in four of Jane Austen's most popular novels. His analysis reveals them to be brilliant mimetic creations who often break free of the formal and thematic limitations placed upon them by Austen. Paris traces the powerful tensions between form, theme, and mimesis in *Mansfield Park*, *Emma*, *Pride and Prejudice*, and *Persuasion*. Paris uses Northrop Frye's theory of comic forms to analyse and describe the formal structure of the novels, and Karen Horney's psychological theories to explore the personalities and inner conflicts of the main characters. The concluding chapter turns from the characters to their creator, employing the Horneyan categories of self-effacing, detached, and expansive personality types to interpret Jane Austen's own personality. Readers of Jane Austen will find much that is new and challenging in this study. It is one of the few books to recognise and pay tribute to Jane Austen's genius in characterisation. Anyone who reads this book will come away with a new understanding of Austen's heroines as imagined human beings and also with a deeper feeling for the troubled humanity of the author herself.

Relax, unwind and soak up the wisdom of the sloth with the slowest page turner you'll ever read. From tidying and Hygge, to living Lagom, the endless pressure to be happier, live better, sleep soundly, and eat mindfully can be exhausting. But this year's lifestyle trend finally delivers the perfect antidote - welcome to the year of the sloth. Sloths are mindfulness in action. Contemplative, deliberate, relaxed, and focused. They resist the rat race, the incessant pressures from society to be more productive, and they don't care how many steps they've logged on their fitness tracker. Long-limbed, a little bit shaggy, and a lot wide-eyed, they're wonderful creatures, not to mention completely adorable. Here you can enjoy take-it-slow wisdom inspired by sloths; including advice on sleep (more restorative than a 6am run), eating and 'exercise' (sloths are the original pioneers of slow food and yoga after all), work (did you know that lazy people have higher IQs?), family life, and love. Dispelling over-complicated myths about productivity, this brilliant book confirms that it really is OK to be a sloth.

She's a free-spirited dreamer. He's a brilliant painter. But now their shared passion for art has turned into something deeper... For as long as she can remember, Kugy has loved to write. Whimsical stories are her passion, along with letters full of secret longings that she folds into paper boats and sets out to sea. Now that she's older, she dreams of following her heart and becoming a true teller of tales, but she decides to get a "real job" instead and forget all about Keenan, the guy who makes her feel as if she's living in one of her own fairy tales. Sensitive and introverted, Keenan is an aspiring artist, but he feels pressured to pursue a more practical path. He's drawn to Kugy from first sight: she's unconventional, and the light radiating from her eyes and the warmth of her presence pull him in. They seem like a perfect match—both on and off the page—but revealing their secret feelings means risking their friendship and betraying the people they love most. Can they find the courage to admit their love for each other and chase their long-held dreams?

From the international-bestselling author comes a "taut, entertaining archaeological murder-mystery-meets-spy-thriller" (Kirkus Reviews). When journalist Rivka Kleinberg is brutally murdered in a Jerusalem cathedral, it's a complicated case for detective Arie Ben-Roi. Kleinberg had racked up a wide array of enemies exposing corruption in the halls of power—from international corporations and the Russian mob to the Israeli government. Learning that Kleinberg was working on a story involving Egypt, Ben-Roi enlists the help of his old friend Yusuf Khalifa of the Luxor Police. Together they discover something far more sinister than a single murder. Kleinberg was chasing a mystery spanning centuries—a timeless search for an incredible treasure that has cost countless people their lives,

and a modern-day conspiracy that now threatens to add Ben-Roi and Khalifa to the tally of the dead. From a highly respected archaeologist and international-bestselling author comes “a well-researched tale combining an archaeological puzzler with contemporary Middle Eastern concerns” (Financial Times). “An absolutely top-notch thriller.” —Daily Mail
