American Headway 2 builds on the firm grammatical, lexical and functional foundation laid in American Headway 1. Students' understanding of English is widened and their abilities to use the language for communicative purposes are extended. Integrated skills work is an important feature of the series. All four skills are developed in context. Universal topics are selected from a wide variety of material. There is in-depth treatment of grammar, with clear presentations, self-check exercises in the 'Grammar Spot', and detailed explanations in the 'Grammar Reference' followed by extensive practice activities. A systematic vocabulary syllabus includes dictionary training and work on systems such as collocations. Pronunciation work is integrated at appropriate points. An 'Everyday English' section practises functional language and social situations.

The Headway series and its award-winning authors, Liz and John Soars, have helped around 100 million students in over 127 countries learn English. Teachers around the world have told us that Headway helps students succeed in and beyond the classroom. Read their stories at www.oup.com/elt/provensuccess.

American Headway third edition supports students to succeed beyond the classroom more than ever before. Students can: Accelerate their progress in speaking and prepare for high-stake tests with more conversation. Manage their own learning with new digital resources. The Oxford Online Skills Program allows students to improve their reading, writing, listening and speaking skills independently. iChecker Online Self-Assessment prepares students for exam success with a variety of exam-style test preparation exercises. American Headway also supports teachers to prepare successful lessons. In our American Headway global teacher survey (Oxford University Press, 2014), 89% of teachers reported that they are more creative and willing to try new activities after using American Headway. 71% said they are more passionate in their teaching. With the third edition, teachers can now: Download 100% new assessment material from the Testing Program. Bring the Student Book, Workbook, and all media together in one place and create a dynamic classroom environment with iTools classroom presentation software.

American Headway 3 extends and revises many of the structures covered in American Headway 2. The clear, modern design and international focus to texts and topics give the course a universal appeal. The 8-page units offer a wide range of activities and encourage a sense of real progress through the course. Active analysis of grammar through 'Test your Grammar' and 'Grammar Spots' builds and extends students' knowledge. A 'Grammar Reference' section at the back of the Student Book gives clear, detailed rules of form and use. A thoroughly integrated skills and vocabulary syllabus enables students to successfully learn through meaningful practice. Appealing reading material and new activities develop comprehension and stimulate discussion. The listening material is just the right length and level to challenge students, while maintaining their sense of achievement in understanding. A writing syllabus at the back of the Student Book provides a complete writing programme for the level.

This volume features 100% new assessment material available to download from the testing program tests including exit tests, progress tests, skills tests, stop and check tests and unit tests. Teachers can download the tests online, and can send to their class as a digital version or use as a print version.
