American Headway 4

American Headway is a multilevel series for adults and young adults who want to use American English both accurately and fluently. Grammar and vocabulary are taught and explained thoroughly, and all four language skills are developed systematically. American Headway combines the best of traditional methods with more recent approaches to make the learning of English stimulating, motivating, and effective. American Headway 3 builds on the firm grammatical, lexical, and functional foundation laid in American Headway 1 and 2. Students broaden and deepen their understanding of English and extend their abilities to use it. Both fluency and accuracy are given equal attention at this intermediate level. Key features - Integrated skills work, where all four skills are developed in context - Universal topics selected from a wide variety of material - In-depth treatment of grammar, with clear presentations, self-check exercises in the Grammar Spot, and detailed explanations in the Grammar Reference followed by extensive practice activities - Systematic vocabulary syllabus, including dictionary training and work on systems such as collocation - Pronunciation work, which is integrated at appropriate points - Everyday English section, which practices functional language and social situations

The Headway series and its award-winning authors, Liz and John Soars, have helped around 100 million students in over 127 countries learn English. Teachers around the world have told us that Headway helps students succeed in and beyond the classroom. Read their stories at www.oup.com/elt/provensuccess.

American Headway third edition supports students to succeed beyond the classroom more than ever before. Students can: Accelerate their progress in speaking and prepare for high-stake tests with more conversation. Manage their own learning with new digital resources. The Oxford Online Skills Program allows students to improve their reading, writing, listening and speaking skills independently. iChecker Online Self-Assessment prepares students for exam success with a variety of exam-style test preparation exercises. American Headway also supports teachers to prepare successful lessons. In our American Headway global teacher survey (Oxford University Press, 2014), 89% of teachers reported that they are more creative and willing to try new activities after using American Headway. 71% said they are more passionate in their teaching. With the third edition, teachers can now: Download 100% new assessment material from the Testing Program. Bring the Student Book, Workbook, and all media together in one place and create a dynamic classroom environment with iTools classroom presentation software.

American Headway

"Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: The Phonology of English as an International Language). American English File integrates pronunciation into every lesson - the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation. Four-skills American English course with a communicative methodology, engaging texts, and a strong pronunciation syllabus - designed to get students speaking. With texts and topics that make learners want to speak, American English File is the course that gets students talking. It gives you full skills coverage with a clear focus on pronunciation, plus wide-ranging support and resources too. Resources include Test Generator CD-ROMs, DVDs, Multi-ROMs, and websites. The highly popular teacher's site has extra lesson ideas and resources for you to download.

English File Third Edition Elementary Student Book (UK)

Comprehensive, challenging, and effective - the best of American Headway for upper-intermediate to advanced students.

Completely reviews all the major structures in American English. Students practice and master using the grammar for a wider range of communicative purposes. An expanded three-CD audio program exposes students to real spoken English. Up-to-date texts focus on international topics -

everything from the impact of global tourism to the American sitcom Friends. The readings stimulate class discussion and provide the rich vocabulary input that students need at this level.

Two sections new to the course, "The Music of English" and "Spoken English," highlight stress and intonation patterns and focus on features of informal spoken English. "Hot words" sections

present and practice essential collocations. Active analysis of grammar in "Test Your Grammar" and "Grammar Spot" activities helps students build and extend their understanding of English.

The Grammar Reference in the back of the Student Book gives clear, detailed rules and examples of form and use. A writing syllabus at the back of the book provides a complete

writing program for the level.
