an organ donor? In this true story, Dr. Karen A. Kelly M.D. shares her husband's journey through a life-saving lung transplant. Learning about his courageous battle can help any patient or caregiver

Get Free American Journey Guided Activity Answers 3

understand the extensive responsibilities required for a successful organ transplant. As a pediatrician, Dr. Kelly found herself in a different role as caretaker not as provider. Her experience highlights the vital

Get Free American Journey Guided Activity Answers 3

importance of taking care of oneself in order to adequately care for a sick loved one. She also stresses the importance of stopping: to rest, to take a deep breath, to laugh, and to rejuvenate.

The Kelly's story

Get Free American Journey Guided Activity Answers 3

sheds light on the shocking realization that 120,000 people in the U. S. right now are waiting for an organ transplant and that twenty of those people will die every day waiting on the "list" for a stranger to decide to be a

We are in trouble.

Church attendance has

Get Free American Journey Guided Activity Answers 3

dropped, spiritual life in our services has ebbed and we face a serious lack of people preparing for the ministry. Perhaps most alarming is that we have failed to reach or keep our youth. The Sunday school rooms and youth groups of many churches have no real hope or strategy in place to bring them in. Beyond this, dozens of

Get Free American Journey Guided Activity Answers 3

churches close each week never to reopen, while just a few new ones are started.

Without some real changes in these areas we will lose our Christian influence in this nation almost entirely in the very near future. Certainly God has not planned for the failure of His church.
