In my opinion, unless you’re a total introvert, agoraphobic, disabled or too lazy to leave the house, your best bet to buy most things you need is locally. Go to the Yellow Pages, read your local newspapers, drive around the shopping areas, go to local free ad websites and talk to people you know about what you need. I generally buy most of my stuff from the big department stores but if I need something like furniture, I'll check out the furniture stores on the poor side of the town because the prices for the same goods are often much cheaper than a store in the higher class part of town plus you can often haggle with the owner on a cash deal. By shopping on the poor side of town at supermarkets for food, you can often save several dollars on a load of groceries. Beyond that, I generally go to the thrift stores a few times a year to buy t-shirts, clothes and anything else that strikes my fancy as I look around.

Since its original landmark publication in 1980, A People’s History of the United States has been chronicling American history from the bottom up, throwing out the official version of history taught in schools -- with its emphasis on great men in high places -- to focus on the street, the home, and the, workplace. Known for its lively, clear prose as well as its scholarly research, A People’s History is the only volume to tell America’s story from the point of view of -- and in the words of -- America’s women, factory workers, African-Americans, Native Americans, the working poor, and immigrant laborers. As historian Howard Zinn shows, many of our country’s greatest battles -- the fights for a fair wage, an eight-hour workday, child-labor laws, health and safety standards, universal suffrage, women’s rights, racial equality -- were carried out at the grassroots level, against bloody resistance. Covering Christopher Columbus’s arrival through President Clinton’s first term, A People’s History of the United States, which was nominated for the American Book Award in 1981, features insightful analysis of the most important events in our history. Revised, updated, and featuring a new after, word by the author, this special twentieth anniversary edition continues Zinn’s important contribution to a complete and balanced understanding of American history.

NEW YORK TIMES BESTSELLER • In this thoughtful and revealing memoir, readers will accompany one of the world’s most recognizable women on her journey of self-discovery. “I have always felt that life is a solitary journey, that we are each on a train, riding through our hours, our days, our years. We get on alone, we leave alone, and the decisions we make as we travel on the train are our responsibility alone.” A remarkable life story rooted in two different worlds, Unfinished offers insights into Priyanka Chopra Jonas’s childhood in India; her formative teenage years in the United States; and her return to India, where against all odds as a newcomer to the pageant world, she won the national and international beauty competitions that launched her global acting career. Whether reflecting on her nomadic early years or the challenges she has faced as she has doggedly pursued her calling, Priyanka shares her challenges and triumphs with warmth and honesty. The result is a book that is philosophical, sassy, inspiring, bold, and rebellious. Just like the author herself. From her dual-continent twenty-year-long career as an actor and producer to her work as a UNICEF Goodwill Ambassador, from losing her beloved father to cancer to marrying Nick Jonas, Priyanka Chopra Jonas’s story will inspire a generation around the world to gather their courage, embrace their ambition, and commit to the hard work of following their dreams.

Kaplan’s, 5-Steps, Crash Course and other review books are great resources for that last month before the exam, but Tamm’s Textbook Tools student activity books are meant to be an accompaniment all year long. This AP* U.S. History companion is filled with vocab and assignments that follow the Kennedy/Cohen sixteenth edition for all 41 chapters. They can be used as regular weekly assignments or reviews. They can be used on short notice if there is a sub, or be assigned as regular homework. All you need is the textbook. Teachers can copy at will, or the book can be used as a student consumable. As publishers began putting their content online, a niche for traditional classwork was opened, a void filled by this series. And whether the textbook itself is written in ink or electrons, many students still find it more valuable to write and keep notes for themselves on paper, and portfolios still matter. The activities in this workbook challenge students to apply the concepts, give examples, and diagram every chapter. Find TTT on FB.

From the Man Booker Prize-winning author of The Sense of an Ending and one of Britain’s greatest writers: a brilliant collection of essays on the books and authors that have meant the most to him throughout his illustrious career. In these seventeen essays (plus a short story), Julian Barnes examines the British, French and American writers who have shaped his writing, as well as the cross-currents and overlappings of their different cultures. From the deceptiveness of Penelope Fitzgerald to the directness of Hemingway, from Kipling’s view of France to the French view of Kipling, from the many translations of Madame Bovary to the fabulations of Ford Madox Ford, from the National Treasure status of George Orwell to the despair of Michel Houellebecq, Julian Barnes considers what fiction is, and what it can do. As he writes, "Novels tell us the most truth about life: what it is, how we live it, what it might be for, how we enjoy and value it, and how we lose it."

Beauty Is Never Enough. As a thirteen-year-old, Elizabeth B. Alton participated in the 1920 Atlantic City International Rolling Chair Parade, an event that gave rise to the Miss America Pageant. Walking the length of the Boardwalk surrounded by an enthusiastic crowd-she remembered the day for the rest of her life. Alton narrates the details of her innocent childhood, marriage to her high school sweetheart John, and varied business ventures. Her community service is extensive and praiseworthy, especially her participation in the New Jersey Federation of Women’s Clubs and the establishment of Stockton University. The centerpiece of her memoir is Alton’s longtime association with the Miss America Pageant, providing a behind the scenes view of the Pageant’s earliest years through the mid 1990s. Throughout, she notes the difficulties of working in a man’s world determined to gain appropriate recognition for women. It is a story of a pioneer who lived her life advocating that beauty is never enough.

THE BRIEF AMERICAN PAGEANT presents a concise and vivid chronological narrative, focusing on the central themes and great public debates that have dominated American history. Colorful anecdotes, first-person quotations, and the text ’s trademark wit are all evident throughout. Voted America’s Best-Loved Novel in PBS’s The Great American Read Harper Lee’s Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, To Kill a Mockingbird has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

Now a popular Netflix feature film, starring Jennifer Aniston, Danielle Macdonald, and Dove Cameron, as well as a soundtrack from Dolly Parton! The #1 New York Times bestseller and feel-good YA of the year—about Willowdean Dixon, the fearless, funny, and totally unforgettable heroine who takes on her small town’s beauty pageant. Self-proclaimed fat girl Willowdean Dickson (dubbed “Dumplin’” by her former beauty queen mom) has always been at home in her own skin. Her thoughts on having the ultimate bikini body? Put a bikini on your body. With her all-American beauty best friend, Ellen, by her side, things have always worked . . . until Will takes a job at Happy’s, the local fast-food joint. There she meets Private School Bo, a hot former jock. Will isn’t surprised to find herself attracted to Bo. But she is surprised when he seems to like her back. Instead of finding new heights of self-assurance in her relationship with Bo, Will starts to doubt herself. So she sets out to take back her confidence by doing the most horrifying thing she can imagine: entering the Miss Clover City beauty pageant—along with several other unlikely candidates—to show the world that she deserves to be up there as much as any girl does. Along the way, she’ll shock the hell out of Clover City—and maybe herself most of all.

All Good People Here

In the propulsive debut novel from the host of the #1 true crime podcast Crime Junkie, a journalist uncovers her hometown’s dark secrets when she becomes obsessed with the unsolved murder of her childhood neighbor—and the disappearance of another girl twenty years later. You can’t ever know for sure what happens behind closed doors. Everyone from Wakarusa, Indiana, remembers the infamous case of January Jacobs, who was discovered in a ditch hours after her family awoke to find her gone. Margot Davies was six at the time, the same age as January—and they were next-door neighbors. In the twenty years since, Margot has grown up, moved away, and become a big-city journalist. But she’s always been haunted by the feeling that it could’ve been her. And the worst part is, January’s killer has never been brought to justice. When Margot returns home to help care for her uncle after he is diagnosed with early-onset dementia, she feels like she’s walked into a time capsule. Wakarusa is exactly how she remembers—genial, stifled, secretive. Then news breaks about five-year-old Natalie Clark from the next town over, who’s gone missing under circumstances eerily similar to January’s. With all the old feelings rushing back, Margot vows to find Natalie and to solve January’s murder once and for all. But the police, Natalie’s family, the townspeople—they all seem to be hiding something. And the deeper Margot digs into Natalie’s disappearance, the more resistance she encounters, and the colder January’s case feels. Could January’s killer still be out there? Is it the same person who took Natalie? And what will it cost to finally discover what truly happened that night twenty years ago? Twisty, chilling, and intense, All Good People Here is a searing tale that asks: What are your neighbors capable of when they think no one is watching?
