Comparative Dictionary of Geʿez (Classical Ethiopic)

English Afan Oromo Amharic Dictionary

Ethiopia is one of the oldest countries in the world. This book traces the country's expansion southward during medieval times, its resistance to Muslim invasion, and, under energetic leaders, its defense of its independence during the Euro

The author is concerned not only with kings, princes and politicians but also includes insights on daily life, art, architecture, religion, culture, customs and observations by travelers.

Covering the political, social and historical background of each language, Dictionary of Languages offers a unique insight into human culture and communication. Every language with official status is included, as well as all those that have a 'minor' languages with special historical or anthropological interest. We see how, with the rapidly increasing uniformity of our culture as media's influence spreads, more languages have become extinct or are under threat of extinction. The and charts of scripts, while proverbs, anecdotes and quotations reveal the features that make a language unique.

This book closes the gap for beginners who want to study the Amharic language and had difficulties in finding the right grammar for this purpose: The first grammar of Amharic, the national language of Ethiopia, was published by Hiob Ludw grammar published by Praetorius in 1879 is based on Amharic religious texts and on scattered material, usually composed by missionaries. A milestone in the study of Amharic is Marcel Cohen's Traite de langue amharique (1936), but this g completely suited for beginners since the author's generalizations are at times aimed at linguists. The grammar that comes closest to the concept of a beginner's grammar is that of C.H. Dawkin (1960), yet this grammar is extremely short does not introduce the student to the intricacies of the language.The new book gives all the grammatical forms and the sentences of the present grammar in Amharic script and in phonetic transcription. The illustrative examples have a fro

This procedure should likewise prove to be useful for the Semitist as well as for the general linguist.

This landmark publication in comparative linguistics is the first comprehensive work to address the general issue of what kinds of words tend to be borrowed from other languages. The authors have assembled a unique database of over 70,000 words from 40 languages from around the world, 18,000 of which are loanwords. This database (http://loanwords.info) allows the authors to make empirically founded generalizations about general tendencies of word exchange among languages.

This book contains essential words and phrases for effective communication with local people. There is a helpful punctuation guide and all words are given in relevant script where applicable. Includes phrases for shops and restaurants.

A sweeping history of Ethiopian musicians during and following the 1974 Ethiopian revolution. Sing and Sing On is the first study of the forced migration of musicians out of the Horn of Africa dating from the 1974 Ethiopian revolution, a political event that overthrew one of the world's oldest monarchies and installed a brutal military regime. Musicians were among the first to depart the region, their lives shattered by revolutionary violence, curfews, and civil war. Reconstructing the memories of forced migration, Sing and Sing On traces the challenges musicians faced amidst revolutionary violence and the critical role they played in building communities abroad. Drawing on the recollections of dozens of musicians, Sing and Sing On details personal, cultural, and economic hardships experienced by musicians who have resettled in new locales abroad. Kay Kaufman Shelemay highlights their many artistic and social initiatives and the ways they have offered inspiration and leadership within and beyond a rapidly growing Ethiopian American diaspora. While musicians held this role as sentinels in Ethiopian culture long before the revolution began, it has taken on new meanings and contours in the Ethiopian diaspora. The book details the ongoing creativity of these musicians while exploring the attraction of return to their Ethiopian homeland over the course of decades abroad. Ultimately, Shelemay shows that musicians are uniquely positioned to serve this sentinel role as both guardians and challengers of cultural heritage.

For over a quarter of a century Siegbert Uhlig has been involved in Ethiopian Studies. As wide as the scope of his interests and contributions to Ethiopian Studies has been, so versatile is the thematic range of the 36 articles in this anthology. The essays in fields such as philology, history, linguistics, anthropology and arts were written by the ethiopisants from Ethiopia, Germany, Israel, Italy, the Netherlands, Poland, Russia, Sweden, Thailand, the United Kingdom and the USA. The Festschrift also includes an account of Ethiopian Studies in Hamburg, and a selected bibliography of Siegbert Uhlig's publications. An index to the contributions of the collection will be made available on the internet.List of contributors: L. Gerhardt, J. Abbink, H. Amborn, D. Appleyard, B. Zewde, B. Tafla, E. Balicka-Witakowska, A. Bausi, B. Yimam, V. Boll, S. Chernetsov, G. Fiaccadori, G. Haile, G. Gelaye, M. Heldman, O. Kapeliuk, S. Kaplan, M. Kleiner, J. Launhardt, G. Lusini, P. Marrassini, A. Ethiopia is one of the world's oldest countries; its Rift Valley may be the location where the ancestors of humankind originated more than four million years ago. With a population of 67 million people today, it is the third most populous country on the African continent after Nigeria and Egypt. It is the source of 86 percent of the water reaching the Aswan Dam in Egypt, most of it carried by the amazing Blue Nile. Ethiopia offers major historical sites such as the pre-Christian palace at Yeha, the stele and tombs of the old Kingdom of Axum, and the rock-carved churches of Lalibela. For anyone interested in Ethiopia, this historical dictionary, through its individual and carefully cross-referenced entries, captures the importance and intrigue of this truly significant African nation. Historical Dictionary of Ethiopia appeals to all levels of readers, providing entries for each of Ethiopia's 85 ethnic groups and covering a broad range of cultural, political, and economic topics. Readers interested in the cultural aspects or who are planning to visit Ethiopia will find a wealth of entries on art, literature, handicrafts, music, dance, bird life, geography, and historic tourist sites. Practitioners in government and non-governmental organizations will find entries on pressing economic, social, and political issues such as HIV/AIDS, female circumcision , debt, human rights, and the environment. The important historical role of missionaries and the combination of conflict and cooperation between Christians and Muslims in the region are also issues reviewed. And, finally, many of the entries highlight relations between Ethiopia and her neighbors-Eritrea, Somalia, Somaliland, Djibouti, Kenya, and Sudan. In the bibliography, considerable emphasis has been placed on including both new and old materials covering all facets of Ethiopia, organized for easy identification by areas of major interest.
