Offers a detailed study of the anatomical structure of the human body, and provides tips on motion, proportion, and shading the figures.

She was the last ruler of the Macedonian dynasty of Ptolemies who had ruled Egypt for three centuries. Highly educated (she was the only one of the Ptolemies to read and speak ancient Egyptian as well as the court Greek) and very clever (her famous liaisons with Julius Caesar and Mark Antony were as much to do with politics as the heart), she steered her kingdom through impossibly taxing internal problems and railed against greedy Roman imperialism. Stripping away preconceptions as old as her Roman enemies, Joyce Tyldesley uses all her skills as an Egyptologist to give us this magnificent biography.

"Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

In this book, Thomas Pauly and his daughter describe the simple system that took their family from a second personal bankruptcy to a rich and happy life, practically overnight.

A collection of Books 3.5, 4, 5, & 5.5 of the Trident Security Series. Includes: Not Negotiable (A Novella), Topping the Alpha, Watching From the Shadows, & Whiskey Tribute (A Novella).

Fleeing Nazi Germany in 1936, the Schwarts immigrate to a small town in upstate New York. Here the father—a former high school teacher—is demeaned by the only job he can get: gravedigger and cemetery caretaker. When local prejudice and the family's own emotional frailty give rise to an unthinkable tragedy, the gravedigger's daughter, Rebecca heads out into America. Embarking upon an extraordinary odyssey of erotic risk and ingenious self-invention, she seeks renewal, redemption, and peace—on the road to a bittersweet and distinctly "American" triumph.

~It is HIGHLY recommended to thoroughly enjoy this story that you do NOT read spoilers or reviews. It is BEST to go on blind.~ Fresh off of a broken heart I met Cal Scott. He was just what I lacked, a beautiful distraction. At six-foot-two, with ebony hair, storm gray eyes, and a smile that could only hide an agenda, I knew he was trouble. And for the first time in my life, a little trouble was just what I needed. No. What I wanted. It wasn't like I'd ever marry the guy. Until I did. What I thought would be my happily ever after, was only the beginning. Cal has a secret. One that makes loving him come with a price, and being his wife cost more than I bargained for.

«You shall not kill, son, you shall not kill, because no man can be the same after taking another man's life.» Fernando, a young literary editor and the son of a persecuted Spanish Republican, decides to flee a Spain battered by the Civil War. His friends, Catalina and Eulogio, escaping their own circumstances, join him in the adventure. The three young friends live a great story of unwavering friendship and loyalty which takes them on a journey through Second World War Alexandria, occupied Paris, Lisbon, Prague, Boston and Chile. An ode to friendship Fernando, Catalina and Eulogio have grown together in a Madrid neighborhood close to the Encarnación convent. The Spanish Civil War has just ended and the young trio try to recover from the impact it had on their lives and those of their families. Fernando lives with his mother, Isabel, awaiting his father's liberation -incarcerated because of his Republican ideals-, hoping for an absolution that never arrives. Catalina lives on the same street. Her family has come to ruins during the Civil War and in order to confront their debts, her father plans to marry her to a man she despises. Eulogio is the one whose war losses are greatest. His father died in combat and he himself returned from war a cripple after a heroic act which saved Marvin's life, a young American who arrived in Spain in 1936 to study literature, and when war broke, decided to stay and portray the pain of conflict in a celebrated poem anthology. The future's perspectives look grimmer each day for the three friends. They decide to unite their destinies and embark on a new life away from Madrid to save the little that they have left.

Harold Bloom, the doyen of American literary critics and author of *The Western Canon*, has spent a professional lifetime reading, writing about and teaching Shakespeare. In this magisterial interpretation, Bloom explains Shakespeare's genius in a radical and provocative re-reading of the plays.

#8 on the Wall Street Journal; #1 book in the Amazon Store A scarred fighter. A girl with rules. One night of unbridled passion. There are three things you need to know about Elizabeth Bennett: she's smart as a whip, always in control, and lives by a set of carefully crafted rules. She's learned the hard way that people you love the most always hurt you in the end. But then she meets Declan Blay, the new neighbor at her apartment complex. A tattooed British street fighter, he's the campus bad boy she's supposed to avoid, but when he saves her from a frat party gone bad, all her rules about sex and love fly out the window. She gives him one night of unbridled passion, but he longs for more. With only a cardboard-thin wall separating their bedrooms, he dreams of possessing the vulnerable girl next door forever. All I Am: Drew's Story (A This Man Novella)

Four friends, Julia, Chantal, Helen, and Philippa, discuss their sexual experiences, but increasingly veer off into fantasy

What is it about the canine personality which has singled this animal out from all the 4,236 species of non-human mammals to be man's closest companion? Strangely enough, all dogs, from scruffy mongrels to haughty show champs, are members of the same species – that of the wolf. In *Dogwatching*, zoologist Desmond Morris gives answers to fascinating fundamental questions about our canine companions – questions so often overlooked by standard dog books, which concentrate on grooming, feeding and veterinary care. It is a book for dog-lovers everywhere, one which will lead to an even deeper bond of understanding and an insight into such remarkable and delightful creatures. Why do dogs bark? Why does a frightened dog put its tail between its legs? Why do puppies chew slippers? Why does a dog bury a bone? Why does a Pointer point? Why do we cure a hangover with the 'hair of the dog'? Do dogs have a sixth sense? Why do some dogs chase their own tails?

A NEW NOVELLA IN THE THIS MAN SERIES! You don't need to read the series to enjoy this story. But if you're already a Jesse Ward fan, just wait until you see the advice he gives Drew about falling in love. I thought I had control. I was so, so wrong... I don't need a relationship. I have Hux, a decadent club where I quench whatever raw desire I choose. I take pleasure and I give it - no strings attached. So when Raya Rivers comes in asking for someone cold, emotionless, and filthy... well, no man ever takes his wicked pleasure quite the way I do. Only Raya is different. Vulnerable. And carrying some deep sorrow that gets past all my carefully constructed walls and inexplicably makes me care. Now craving controls me. Ice has given way to red-hot need. But Raya has no idea about my other life - my real life. That I'm daddy to an adorable little girl. My two worlds are about to collide with the force of a supernova. Once Raya knows the truth, will she be able to accept all I am? Includes a special preview of *THE FORBIDDEN*, a standalone novel coming in August.

One of the great masterpieces of modern Latin American fiction, *Terra Nostra* is concerned with nothing less than the history of Spain and of South America, with the Indian Gods and with Christianity, with the birth, the passion, and the death of civilizations. Fuentes skillfully blends a wide range of literary forms, stories within stories, Mexican and Spanish myth, and famous literary characters in this novel that is both a historical epic and an apocalyptic vision of modern times. *Terra Nostra* is that most ambitious and rare of creations—a total work of art.

Art of Drawing the Human Body

In this explosive new world of betrayals #1 NEW YORK TIMES BESTSELLING AUTHOR and shaky alliances created by New York Times bestselling author Sherrilyn Kenyon and Dianna Love, the only free Alterant faces an impossible task—recapture three dangerous escaped creatures before they slaughter more humans . . . or her. The way Evalle Kincaid sees it, saving mankind from total destruction should have cleared her name. But when words uttered in the heat of combat are twisted against her, she's blamed for the prison break of three dangerous Alterants. She has one chance to clear the cloud of suspicion hanging over her . . . for good. All she has to do is recapture the escapees. But deals with gods and goddesses are tricky at best, and now the lives of all Beladors, and the safety of innocent humans, rides on Evalle's success. The only person she can ask for help wants to see her dead.

A great American writer's confrontation with a great European critic—a personal and intellectual awakening A hundred years ago, the Viennese satirist Karl Kraus was among the most penetrating and farsighted writers in Europe. In his self-published magazine, Die Fackel, Kraus brilliantly attacked the popular media's manipulation of reality, the dehumanizing machinery of technology and consumer capitalism, and the jingoistic rhetoric of a fading empire. But even though he had a fervent following, which included Franz Kafka and Walter Benjamin, he remained something of a lonely prophet, and few people today are familiar with his work. Luckily, Jonathan Franzen is one of them. In The Kraus Project, Franzen, whose "calm, passionate critical authority" has been praised in The New York Times Book Review, not only presents his definitive new translations of Kraus but annotates them spectacularly, with supplementary notes from the Kraus scholar Paul Reitter and the Austrian author Daniel Kehlmann. Kraus was a notoriously cantankerous and difficult writer, and in Franzen he has found his match: a novelist unafraid to voice unpopular opinions strongly, a critic capable of untangling Kraus's often dense arguments to reveal their relevance to contemporary America. While Kraus is lampooning the iconic German poet and essayist Heinrich Heine and celebrating his own literary hero, the Austrian playwright Johann Nestroy, Franzen is annotating Kraus the way Kraus annotated others, surveying today's cultural and technological landscape with fearsome clarity, and giving us a deeply personal recollection of his first year out of college, when he fell in love with Kraus's work. Painstakingly wrought, strikingly original in form, The Kraus Project is a feast of thought, passion, and literature.

Literary Nonfiction. CALIBAN AND THE WITCH is a history of the body in the transition to capitalism. Moving from the peasant revolts of the late Middle Ages to the witch-hunts and the rise of mechanical philosophy, Federici investigates the capitalist rationalization of social reproduction. She shows how the battle against the rebel body and the conflict between body and mind are essential conditions for the development of labor power and self-ownership, two central principles of modern social organization."It is both a passionate work of memory recovered and a hammer of humanity's agenda." "Though secrets and lies keep Juliette and Roma apart, a monster still prowls the city of Shanghai, and the two are going to have to put aside their differences to end this threat once and for all."--

In this brilliant work, the most influential philosopher since Sartre suggests that such vaunted reforms as the abolition of torture and the emergence of the modern penitentiary have merely shifted the focus of punishment from the prisoner's body to his soul.

"The Lord has shown me that Satan was once an honored angel in heaven, next to Jesus Christ. His countenance was mild, expressive of happiness like the other angels. His forehead was high and broad, and showed great intelligence. His form was perfect. He had noble, majestic bearing. And I saw that when God said to his Son, Let us make man in our image, Satan was jealous of Jesus. He wished to be consulted concerning the formation of man. He was filled with envy, jealousy and hatred. He wished to be the highest in heaven, next to God, and receive the highest honors. Until this time all heaven was in order, harmony and perfect subjection to the government of God."-Ellen G White

Barbarous Mexico

Written by a Russian prince who renounced his title, this work promotes an anarchist market economy – a system of autonomous cooperative collectives. A century after its initial publication, it remains fresh and relevant.

An early 20th century American journalist's articles on Mexico before the Revolution.

Wulf is an ancient Viking warrior with a useful but extremely aggravating power-amnesia. No one who meets him in person can remember him 5 minutes later. It makes it easy to have one-night stands, but hard to have a meaningful relationship, and without true love he can never regain his soul. When he finally meets Cassandra, the one woman who can remember him, she turns out to be the princess of the cursed race he's sworn to hunt-and forbidden to him. The two of them must face ancient curses, prophecies, and the direct meddling of the Greek gods to find true happiness at last. Welcome to Gospel, Idaho, where everyone knows that there are two universal truths. First, God did His best work when He created the Sawtooth Wilderness Area. Second, every sin known to heaven and earth—from the hole in the ozone to alien abductions—is all California's fault. This is the story of what happened when a Californian came to visit . . . Hope Spencer knows wacky: as a writer for The Weekly News of the Universe she's "spotted" Bigfoot, Elvis, and the face of Jesus on a tortilla. Arriving in Gospel hoping for some peace and quiet and normal . . . she quickly figures out that there's nothing normal going on in Gospel. From the Barnes sisters with their color-coordinated hair, to the toilet-tossing sportsmen . . . to the murder victim whose body had been found in her house years before, the Gospel truth really is stranger than fiction—even tabloid fiction. Hell, she should have stayed in L.A. And then there's local sheriff Dylan Taber. He's no made-up character from one of her stories. She could never create anything that good. Dylan's all too real . . . and soon Hope is forced to face the awful truth—she's been too long without a man. But once she gets wind of a Hollywood actress somehow mixed up in Dylan's life, Hope realizes that if they are to have any chance together, he has some true confessing to do.

H. G. Wells wasn't the only nineteenth-century writer to dream of a time machine. The Spanish playwright Enrique Gaspar published *El anacronópete*—"He who flies against time"—eight years before Wells's influential work appeared. The novel begins at the 1878 Paris Exposition, where Dr. Don Sindulfo unveils his new invention—which looks like a giant sailing vessel. Soon the doctor embarks on a voyage back in time, accompanied by a motley crew of French prostitutes and Spanish soldiers. The purpose of his expedition is to track down the imprisoned wife of a third-century Chinese emperor, believed to possess the secret to immortality. A classic tale of obsession, high adventure, and star-crossed love, *The Time Ship* includes intricately drawn illustrations from the original 1887 edition, and a critical introduction that argues persuasively for *The Time Ship*'s historical importance to science fiction and world literature.

Supernatural warriors bound by an extraordinary code of honor face an ultimate test of loyalty in the exciting new paranormal thriller from New York Times bestselling authors Sherrilyn Kenyon and Dianna Love. Atlanta has become the battlefield between human and demon. All her life, Evalle Kincaid has walked the line between the two. Her origins unknown, she's on a quest to learn more about her past...and her future. When a demon claims a young woman in a terrifying attack and there's no one else to blame, Evalle comes under suspicion. Now she's on a deadly quest for her own survival. Through the sordid underground of an alternate Atlanta where nothing is as it seems to the front lines of the city, where her former allies have joined forces to hunt her, Evalle must prove her innocence or pay the ultimate price. But saving herself is the least of her problems if she doesn't stop the coming apocalypse. The clock is ticking and Atlanta is about to catch fire...

Highly anticipated conclusion to Fresán's Part Trilogy, which includes the Best Translated Book Award winning *The Invented Part*

A finalist for the National Book Award and National Book Critics Circle Award, here is an evocative novel about female friendship in the glittering 1980s. Alison and Veronica meet amid the nocturnal glamour of 1980s New York: One is a young model stumbling away from the wreck of her career, the other an eccentric middle-aged office temp. Over the next twenty years their friendship will encompass narcissism and tenderness, exploitation and self-sacrifice, love and mortality. Moving seamlessly from present and past, casting a fierce yet compassionate eye on two eras and their fixations, the result is a work of timeless depth and moral power.

From Abraham to David

The Conquest of Bread

From the days of Father Abraham to the rise of King David were ten turbulent centuries filled with pathos and drama. These were the times of many notable personalities from the Old Testament. This is the epoch of the famous patriarchs Abraham, Isaac and Jacob. Their exemplary lives, as they stood true and faithful in the midst of adversity, are especially poignant today. They were followed by the exciting and tumultuous life of Joseph, who rose to become prime minister of Egypt, and saved that nation from starvation and ruin through his prophetic gifts. From the desert and thundering slopes of Mount Sinai then came the amazing life of Moses, who rose out of his own fear to become one of the greatest prophets and leaders ever known, who used the power of the priesthood to unleash an astonishing flood of miracles that exceeded any other epoch until the ministry of Jesus Christ. He was soon followed by the great Ephraimite general, Joshua, who in his old age led the children of Israel forth in battle as they conquered the land of Palestine which had been promised to them by the Lord. However, Israel's rise to greatness was short-circuited by several hundred years of iniquity as they turned from the Lord and wallowed in sin. Fortunately, the Lord did not forsake them as he sent messages of light and hope to many prophets and judges such as Gideon, Deborah, Ruth and Samuel, whose lives still inspire us today. Eventually the children of Israel began to see glimpses of a new golden epoch of righteousness and prosperity through the influence of the prophet Samuel and the rise of King Saul and King David. All of these great names belong to the thrilling third thousand years of human history. *The Third Thousand Years*, like its predecessor, *The First 2,000 Years*, makes the Old Testament come alive with new understanding. Obscure and misunderstood passages of scripture can now be understood through the additional light of modern revelation. The text is carefully documented so that every important point is correlated with appropriate passages in the scriptures. Helpful maps, charts and illustrations are also included to enhance our understanding of this fascinating and dynamic epoch of history. This eBook includes the original index, illustrations, footnotes, table of contents and page numbering from the printed format.

Take a rousing romp through 1790s England with this second of four *Properly Spanked* novels...The Earl of Warren never considered himself the heroic type or the marrying type. Unfortunately, while attempting to save the mysterious Lady Maitland from the clutches of a degenerate fortune hunter, he ends up shackled to her himself. It was never in the plans, and worse, his bride doesn't want him. Rather than feel grateful, Josephine begs to be released from the marriage so she can accomplish her dearest goal—to be left alone. Troubled by an unconventional childhood, scarred by painful memories, Josephine acts out until Warren has no choice but to begin a disciplinary program to bring her to heel. Although his spankings are firm, painful, and plentiful, he makes little progress in taming his wild countess. But her wildness pleases him

in the bedroom, where they spend hours at uninhibited play, fulfilling licentious and carnal lusts. While Josephine struggles to understand her feelings toward her authoritative husband, Warren must decide if having a tame wife is worth the anguish of damaging her already vulnerable heart. This 82K word novel contains spanking, anal play, sado-masochism, and other sensual practices.
