Historically, angels have been viewed as either disconnected objects of speculative investigation, or as mystifying beings mysteriously influencing our lives. However, this is not how the Bible describes them. Scripture, in sober and straightforward terms, simply describes what angels do. It is a practical depiction, a pastoral presentation. We see messages of encouragement, revelation, and guidance; we see judgment and correction; we see strengthening; we see journeying; we see prayer and worship. The biblical focus concerning angels is on ministry to the people of God. Angels are one way that God intervenes in human affairs in response to pastoral concerns or problems. Created to minister, angels are best understood, not using speculative or detached theology, but through applied and pastoral lenses. Using only Scripture and a classic model of pastoral theology as the framework, this book shows practically how angels are employed by God to bless His church and people as His servant ministers who glorify Him alone.

These true stories are Yahweh ' s story written through the lives of His people. They take place within the context of a Hebraic Christian Community and it is an exciting expedition that just happens to occur in the lives of two midwives

who live life caught in the crossfire between the natural and supernatural realms. Nanna and Mercy live life from the Kingdom backwards and truly delight in bringing the Kingdom of Heaven down into the earth. Their stories are presented as tiny portraits of the Heart of our beloved Father, and hopefully will bring a smile to your face and joy to your heart. They are shared in hopes of stirring up curiosity, expanding your vision and wonder, and awakening a hunger for the things unseen that can impact the birth of each new spirit-vessel exponentially. Expect the itsy-bitsy glimpses into the heavenlies to inspire your faith in Him. More information may be found on www.HebraicMidwifery.com
