Watch a video The music came back up and the next group of little girls, slightly older, came out. There was a lot of that in the next hour and change. I liked dance, and it was no reflection on the kids, but my will to live began to seep away on about the fifth group of sequined children... Anita Blake is back in St. Louis and trying to live a normal life-as normal as possible for someone who is a legal vampire executioner and a U. S. Marshal. There are lovers, friends and their children, school programs to attend. In the midst of all the ordinary happiness a vampire from Anita's past reaches out. She was supposed to be dead, killed in an explosion, but the Mother of All Darkness is the first vampire, their dark creator. It's hard to kill a god. This dark goddess has reached out to her here-in St. Louis, home of everyone Anita loves most. The Mother of All Darkness has decided she has to act now or never, to control Anita, and all the vampires in America. The Mother of All Darkness believes that the triumvirate created by master vampire Jean-Claude with Anita and the werewolf Richard Zeeman has enough power for her to regain a body and to immigrate to the New World. But the body she wants to possess is already taken. Anita is about to learn a whole new meaning to sharing her body, one that has nothing to do with the bedroom. And if the Mother of All Darkness can't succeed in taking over Anita's body for herself, she means to see that no one else has the use of it, ever again. Even Belle Morte, not always a friend to Anita, has sent word: "Run if you can..."

For the first time in trade paperback: the fifth novel in the #1 New York Times bestselling series from Laurell K. Hamilton. When Branson, Missouri, is hit with a death wave 'four unsolved murders' it doesn't take an expert to realize that all is not well. And she's got an 'in' with the creature that can make sense of the slayings-the sexy master vampire known as Jean-Claude.

In her tenth adventure, nothing can save vampire hunter Anita Blake from a twist of fate that draws her ever closer to the brink of humanity.

Anita heads to Vegas, where's she's joined by three other federal marshals, including the ruthless Edward hiding behind his mild-mannered persona. It's a good thing Edward always has her back, because, when she gets close to the bodies, Anita senses "tiger" too strongly to ignore it. And the weretigers are powerful in Las Vegas, which means the odds of her rubbing someone very powerful the wrong way just got a lot higher...

"Enjoying pain with your pleasure is something you either get, or you don't. If you get it, then you don't really need it explained, because you know how good it feels, and if you don't get it then no amount of talking is going to convince you it makes sense." But sometimes you have to explain the unexplainable, especially if the love of your life needs to understand, or she'll leave you. Jason Schuyler is one of Anita Blake's best friends and favorite werewolves, with benefits. J.J. is his lady love, an old flame from childhood who dances at one of the top ballet companies in New York. She's accomplished, beautiful, and she's crazy about him, too. Neither of them wants to be monogamous, so what could go wrong? J.J. is enthusiastically bisexual, with an emphasis on the female side of things. She plans to keep sleeping with women, because Jason can't meet that need, just like she can't meet Jason's need for rough sex and bondage. J.J. doesn't understand why Jason isn't content to go elsewhere for a need she can't fulfill, so Jason asks Anita to help him explain. Anita is having her own relationship growing pains with her only female lover ever, Jade. Jason suggests that J.J. might be able to help Anita with her girl problem, while she helps him with his kinky explanations. With some encouragement from a few other lovers in Anita's life she reluctantly agrees, and J. J. makes plans to fly into town for an experience that none of them will ever forget.

Anita has seen her share of freaky undead fetishes, so this shouldn't bother her. But the women being victimized aren't just mindless, rotting corpses. Their souls are trapped behind their eyes, signaling voodoo of the blackest kind. It's the sort of case that can leave a mark on a person. And Anita's own soul may not survive unscathed...
