Jonathan R. White, the market-leading **TERRORISM AND HOMELAND SECURITY** is widely recognized as the most comprehensive, balanced, and objective terrorism book available. In the Eighth Edition, White continues to provide a theoretical and conceptual framework that enables readers to understand how terrorism arises and how it functions. Packed with cutting-edge coverage, the book discusses the most sophisticated theories of the world's best terrorist analysts, while still focusing on the domestic and international threat of terrorism and the basic security issues surrounding

This sixteenth edition of Annual Editions: Business Ethics is a collection of articles from the best of the public press. The goal of this title is to present different perspectives on understanding basic concepts and concerns of business ethics and to provide ideas on how to incorporate these concepts into the policies and decision-making processes of

Online Library Annual Editions Homeland Security 04 05

businesses. Additional student support is available for this title at dushkin online at <http://www.dushkin.com/online>

Examines the human response to existential threats--once a matter for theology, but now looming before us in multiple forms. Nuclear weapons, pandemics, global warming: each threatens to destroy the planet, or at least to annihilate our species. Freud, Wuthnow notes, famously taught that the standard psychological response to an overwhelming danger is denial. In fact, Wuthnow argues, the opposite is true: we seek

Online Library Annual Editions Homeland Security 04 05

ways of positively meeting the threat, of doing something--anything--even if it's wasteful and time-consuming. It would be one thing if our responses were merely pointless, Wuthnow observes, but they can actually be harmful.--From publisher description.

This is a collection of current articles from such sources as Journal of Drug Education, The New York Times, American Journal of Public Health, and World Watch. This informative anthology examines the historical evolution of drugs in the United States; major drugs in use; developing patterns of drug use;

Online Library Annual Editions Homeland Security 04 05

criminal behaviour perpetuated by drugs; the impact of drugs on public and private American institutions; drug-related policy; and drug treatment. A student Web site, Dushkin Online (www.dushkin.com/online/), provides additional support and links to sites related to drug education.

Homeland Security

This volume presents 19 original essays addressing what is widely regarded as the most serious problem confronting America today and for years to come — terrorism — from the unique perspective of criminology. The chapters collected here address such issues as the prevention of terrorism, the applicability of community policing and routine activities models of crime to the problem of terrorism, how to balance liberty and security, and how to think about and manage the fear of terrorism, as well as the coordination of federal and local efforts to prevent and counter terrorism. Criminologists on

Online Library Annual Editions Homeland Security 04 05

Terrorism and Homeland Security will be of interest to anyone concerned about violence prevention in general and terrorism in particular, policing, prosecution, adjudication, sentencing and restorative justice.

This FOURTEENTH EDITION of ANNUAL EDITIONS: INTERNATIONAL BUSINESS provides convenient, inexpensive access to current articles selected from the best of the public press. Organizational features include: an annotated listing of selected World Wide Web sites; an annotated table of contents; a topic guide; a general introduction; brief overviews for each section; a topical index; and an instructor's resource guide with

testing materials. USING ANNUAL EDITIONS IN THE CLASSROOM is offered as a practical guide for instructors. ANNUAL EDITIONS titles are supported by our student website, www.mhcls.com/online.

Designed to meet the needs of lay people and introductory-level students who are curious about psychology. It provides a selection of articles primarily from popular magazines and newspapers.

All too often, public policy textbooks offer a basic grounding in the policy process without the benefit of integrating the use of policy analysis. Kraft and Furlong, since their first edition, take a different tack. They want

Online Library Annual Editions Homeland Security 04 05

students to understand how and why policy analysis is used to assess policy alternatives--not only to question the assumptions of policy analysts, but to recognize how analysis is used in support of political arguments. To encourage critical and creative thinking on issues ranging from the financial bailout to rising gas prices to natural disasters, the authors introduce and fully integrate an evaluative approach to policy. Public Policy starts with a concise review of institutions, policy actors, and major theoretical models. The authors then discuss the nature of policy analysis and its practice, and show students how to employ evaluative criteria in six substantive policy areas.

Online Library Annual Editions Homeland Security 04 05

Public Policy arms students with analytic tools they need to understand the motivations of policy actors--both within and outside of government--influence a complex, yet comprehensible, policy agenda. Enhancements to the 4th edition: - All chapters have been comprehensively updated to include recent events, issues, and policy debates including the conduct of the wars in Afghanistan and Iraq, the use of private contractors for military support and operations, the rising cost of gasoline and disputes over energy policy and climate change, the controversy over immigration policy, requirements for financial regulation, heightened concerns over economic and social

Online Library Annual Editions Homeland Security 04 05

inequality, and the clash over reforming taxes and entitlement programs, as well as dealing with the federal deficit and national debt. - New and updated "working with sources" and "steps to analysis" features help students investigate sources of information and apply evaluative criteria. - New and updated end-of chapter discussion questions, suggested readings, and web sites.

An Introduction to Principles and Practice, Second Edition

Implementing Security Policies and Programs
Sociological Perspectives

Online Library Annual Editions Homeland Security 04 05

Homeland security is a massive enterprise that gets larger by the moment. What was once mostly a TSA/aviation concern has evolved into a multidimensional operation covering a broad array of disciplines. These include critical infrastructure protection, border security, transportation security, intelligence and counterterrorism, emergency management, immigration and naturalization, and public health. Homeland Security: An Introduction to Principles and Practice, Second Edition provides students and practitioners alike with the latest developments on the makeup, organization, and

Online Library Annual Editions Homeland Security 04 05

strategic mission of the Department of Homeland Security (DHS). This new edition is fully updated with new laws, regulations, and strategies that reflect changes and developments over the last several years. The book offers unique insights into the various roles of multi-jurisdictional agencies and stakeholders at all levels of government—including law enforcement, the military, the intelligence community, emergency managers, and the private sector. Coverage includes: The history of security threats in the American experience, the events leading up to 9/11, and the formation and evolution of the DHS

Online Library Annual Editions Homeland Security 04 05

The legal basis and foundation for the DHS The nature of risk and threat Training and preparatory exercises for homeland security professionals How states and localities can work compatibly with federal policy makers Federal Emergency Management Agency (FEMA) in both the pre- and post-9/11 and post-Katrina world The agencies and entities entrusted with intelligence analysis Issues surrounding border security, immigration, and U.S. citizenship Homeland security practice in the airline, maritime, and mass transit industries—including national, regional, and local rail systems The

Online Library Annual Editions Homeland Security 04 05

interplay between public health and homeland security Each chapter contains extensive pedagogy, including learning objectives, informative sidebars, chapter summaries, end-of-chapter questions, web links, and references to aid in comprehension and retention. Homeland Security: An Introduction to Principles and Practice, Second Edition is the only book to provide an objective, balanced perspective on each of the core components that comprise the DHS's mission and the priorities and challenges that federal and state government agencies continue to face.

Publisher description

This eleventh edition of Annual Editions: Mass Media is a compilation of carefully selected articles from the best of the public press. Articles come from such sources as Newsweek, The Washington Post Magazine, and American Journalism Review. Some topics discussed are: Feminist Media Criticism and Feminist Media Practices, The Contest of Television Violence and Media Culpas. The title is supported by our student Web site, Dushkin Online.

Theory and Practice, Second Edition

Protecting Transportation: Implementing Security Policies and Programs provides a thorough overview of transportation security in the United States, with a focus on policy.

The book covers all major transportation modes and puts the American security system into perspective against other national and

Online Library Annual Editions Homeland Security 04 05

international systems. Author R. William Johnstone, a transportation security expert and member of the 9/11 Commission staff, discusses how the current transportation security system came to be and how it is performing. Whether you are a current or aspiring transportation security professional, a policymaker, or an engaged citizen, Johnstone's presentation equips you to understand today's issues and debates on a problem that affects every member of the global community. Transportation security has

Online Library Annual Editions Homeland Security 04 05

evolved in the years since 9/11 from a relatively modest, sporadic undertaking into a multi-billion dollar enterprise employing tens of thousands. Protecting Transportation describes how that system is organized, funded, and implemented. Fosters critical thinking by reviewing the development and evaluation of key transportation security programs Clarifies security issues in the context of civil liberties, federal spending, and terrorist incidents in the United States and globally Considers the "inputs of security

Introduces readers to the world of homeland security and provides them with up-to-date information on recent attacks, new terrorist threats, visible terrorist organizations, current dilemmas, updated research, and best practices This book provides comprehensive coverage of issues relating to terrorism, terrorist behavior, homeland security policies, and emergency management. It offers a foundation that spans the readily apparent chasm between the homeland security and disaster communities, and covers the stages of emergency management with a focus on terrorism prevention and response. Based on both the academic literature and practical understanding, the book includes research findings, covering theory and principles as well as their application.

Online Library Annual Editions Homeland Security 04 05

Introduction to Homeland Security: Understanding Terrorism Prevention and Emergency Management, Second Edition teaches how to define homeland security, understand how it changed after 9/11, and explore its relationship with emergency management; recognize the causes of terrorism and what prompts people to engage in terrorist attacks; assess the trade-offs between security and rights, and understand how terrorism exploits the tension between these two priorities; work to prevent terrorist attacks through intelligence gathering, by promoting laws that prohibit terrorism, and by protecting borders and various sectors of society; prepare for a terrorist attack by creating an advisory council, passing ordinances, acquiring monetary resources, and establishing an EOC; effectively respond to a terrorist

Online Library Annual Editions Homeland Security 04 05

attack through the many functions involved, including the protection of first responders and the decontamination of the victims; recover from a terrorist attack through both short-term and long-term measures; anticipate the current challenges faced in homeland security; and comprehend the various types of attacks that might take place in the future. The second edition: Covers the four traditional phases of emergency response, with a focus on terrorism prevention and infrastructure protection Includes new content such as recent domestic and international terrorist attacks including the attacks in Paris and Boston Has a strong "practitioner" approach and draws upon a solid foundation of academic literature in the field Discusses the roles and responsibilities of government agencies, non-government organizations, and

Online Library Annual Editions Homeland Security 04 05

individual citizens Introduction to Homeland Security is an excellent book for all scholars, students, and practitioners interested or involved in homeland security and emergency management.

The tenth of a new, well-received, and highly acclaimed series on critical infrastructure and homeland security, Communications Sector Protection and Homeland Security is an eye-opening account and an important reference source about a complex sector.

Demonstrating how political culture facilitates or distorts political preferences and political outcomes, this book explores how the historical development of social conditions and the current social structures shape understandings and constrain individual and collective actions within the Nigerian political system. *Political Culture, Change, and Security Policy* examines the extent to which specific norms and socialization processes within the political and civic

Online Library Annual Editions Homeland Security 04 05

culture abet corruption or the proclivity to engage in corrupt practices and how they help reinforce political attitudes and civic norms that have the potential to undermine the effectiveness of government. It also delineates specific doctrinal models and strategic framework essential to the development and implementation of Nigeria's national security policy, as well as innovative approaches to national development planning. Professor Kalu N. Kalu offers an exhaustive study that integrates several quantitative models in addressing a series of theoretical and empirical questions that

Online Library Annual Editions Homeland Security 04 05

inform historical and contemporary issues of the Nigerian project. The general premise is that it is not enough to simply highlight the problems of the state and address the what question, we must also address the why and how questions that drive political change, policy preferences, and competing political outcomes.

Educating Exceptional Children 03/04 is one in a series of over seventy-five volumes, each designed to provide convenient, inexpensive access to a wide range of current, carefully selected articles from some of the most respected magazines,

newspapers, and journals published today. Within the pages of this volume are interesting, well-illustrated articles by educators, researchers, and writers providing effective and useful perspectives on today's important topics in the study of education exceptional children.

More than 12 years have passed since the publication of the first edition of Crisis and Emergency Management. During that time numerous disasters—from 9/11 to massive earthquakes in Iran and China, to the giant Asian Tsunami, Hurricane Katrina, and the Fukushima Tsunami and ensuing nuclear

Online Library Annual Editions Homeland Security 04 05

meltdown—have changed the way we manage catastrophic events. With contributions from leading experts, this second edition features 40 new chapters that address recent worldwide crises and what we have learned from emergency responses to them. See What's New in the Second Edition: Up-to-date concepts, theories, and practices Analysis of recent disasters and their effect on emergency management Policy and managerial lessons Suggestions for capacity building in crisis and emergency management The book covers a wide range of international issues using critical, empirical, and quantitative

Online Library Annual Editions Homeland Security 04 05

analyses. It discusses various approaches to topics such as resolving political tension and terrorism issues, the potential use of biological weapons, and the role of public relations in crisis. The author offers insight into organizational and community resiliency development; a "surprise management" theory in practice for upgrading the knowledge and skills in managing crises and governing emergencies; and better and more effective organizational, political, social, and managerial coordination in the processes. He presents case studies that enhance and advance the future theory and

Online Library Annual Editions Homeland Security 04 05

practice of crisis and emergency management, while at the same time providing practical advice that can be put to use immediately.

Managing crises and governing emergencies in such an age of challenges demands a different kind of knowledge, skills, and attitudes that were not available yesterday. This book gives you valuable information with applications at the macro, micro, organizational, and interorganizational levels, preparing you for emergency management in an increasingly globalized and uncertain world.
