A heavenly shade of blue was always in her eyes and her innocent smile captured the hearts of many. But even a beautiful smile can cover the ugliest of things. Who would've ever known that the beautiful and loving Princess MARRISA would fall victim to a very dark and hostile scheme, conjured up by something that is as old as time? No one did—not even Tairren, who was one of MARRISA's dearest friends. Overtaken by MARRISA's beauty and charm, Tairren was very much in love with her and would do anything for her—even if that meant facing the overwhelming powers of darkness... It was on MARRISA's long awaited sixteenth birthday, her engagement to Prince Phillip and the day before her enthronement to the kingdom of Ishkar, when it happened. When MARRISA is abducted by someone she had always trusted, she is forced into the Forbidden Lands of Minslethrate and awakens upon a plot that would shake the world. With the company of his very different comrades, the unconventional Lady Natalia and the arrogant Prince Phillip of Ishkar, Tairren travels across the uncertain lands of Minslethrate to rescue MARRISA. They begin to realize that their precarious situation is dealing with more than just a kidnapped princess—that's just the beginning... They must trust in the unseen God of Light and have faith in a legend that they don't even understand. Prophecy stirs, blood spills, light burns and darkness screams—revealing The Last Legend...

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

Another Place at the Table A Story of Shattered Childhoods

Redeemed by Love Tarcher

With an uncanny relevance to today's world and inspired by the life of its author, Karl's Story, is a WW II child refugee's tale of resilience, hope and courage as told through the narrative of her beloved teddy bear, Karl. A story perfect for

all ages: read to children by parents, grandparents and teachers alike. It has been read many times to middle elementary grades. A book to be handed down from parent to child to child for generations to come. Karl, "a very old teddy bear," has a magic gift- he can tell stories to children who are still young enough to understand toy talk . Karl's Story begins in Europe. It's about Karl, the young girl Karin, and Mimi the mind reading cat, ... how the three friends experience and survive WW II and then escape from communism to a new and hope-filled life with his beloved friend Karin .Their journey, their story, enchants children but in the sense of The Little Prince speaks timelessly to adults as well . Karl's Story tells of European refugees and is as relevant today as then. The chaos of the time turned the world of the three friends upside down, slowly at first, from no more whipped cream at birthday parties to ever more frequent air raids, crashing bombs, and a harrowing train ride, with Karl and Mimi stuffed in Karin's old wicker trunk. In the journey Karin loses all she ever knew or loved, but goes on to rebuild her world in America. The book is categorized as Children's Fiction because of its charming cover and talking stuffed animals but is inspirational to young and old alike, and a perfect antidote in these still troubled times; this is indeed a book for all.

For more than a decade Kathy Harrison has sheltered troubled youngsters - the offspring of prostitutes, addicts, abusers and teenage parents who can't handle parenthood. This is a portrait of life in her extraordinary American family, set against the backdrop of an overwhelmed child welfare system.

They discover that Vincent Van Gogh is not only alive, but managing a small hotel in Holland, accidentally wander into the middle of a Nazi-rally, and little by little discover that remarkable things await around every corner down every avenue. This award winning book tells a mother's story of raising her son Michael, who

was born missing a submicroscopic piece of chromosome 22. That tiny missing fragment of DNA affected every aspect of his life physically, mentally, and spiritually. Michael's mother describes her adventures and misadventures with the medical system, educational system, and legal system during his growing up years. While Michael and his mother were both yearning for normal through their struggles, they were also learning acceptance of life as it is with all its glory and imperfections.

The startling and ultimately uplifting narrative of one woman's thirteen-year experience as a foster parent. For more than a decade, Kathy Harrison has sheltered a shifting cast of troubled youngsters—the offspring of prostitutes and addicts; the sons and daughters of abusers; and teenage parents who aren't equipped for parenthood. All this, in addition to raising her three biological sons and two adopted daughters. What would motivate someone to give herself over to constant, largely uncompensated chaos? For Harrison, the answer is easy. *Another Place at the Table* is the story of life at our social services' front lines, centered on three children who, when they come together in Harrison's home, nearly destroy it. It is the frank first-person story of a woman whose compassionate best intentions for a child are sometimes all that stand between violence and redemption.

"A remarkably well-researched and accomplished book." —The New York Times Book Review "A wrenching, riveting book." —Chicago Tribune In this deeply moving and myth-shattering work, Ann Fessler brings out into the open for the first time the astonishing untold history of the million and a half women who surrendered children for adoption due to enormous family and social pressure in the decades before *Roe v. Wade*. An adoptee who was herself surrendered during those years and recently made contact with her mother, Ann Fessler brilliantly brings to life the voices of more than a hundred women, as well as the spirit of those times, allowing the women to tell their stories in gripping and intimate detail.

As Ruben Wells kneels with a gun pointed at his head all he can do is reflect on the life he spoiled. What has led him here? Selling at the Table

*In this debut memoir, a James Beard Award-winning writer, whose childhood idea of fine dining was Howard Johnson's, tells how he became one of Paris's most influential food critics. Until Alec Loblano landed a job in the glamorous Paris office of Women's Wear Daily, his main experience of French cuisine was the occasional supermarket éclair. An interview with the owner of a renowned cheese shop for his first article nearly proves a disaster because he speaks no French. As he goes on to cover celebrities and couturiers and improves his mastery of the language, he gradually learns what it means to be truly French. He attends a cocktail party with Yves St. Laurent and has dinner with Giorgio Armani. Over a superb lunch, it's his landlady who ultimately provides him with a lasting touchstone for how to judge food: "you must understand the intentions of the cook." At the city's brasseries and bistros, he discovers real French cooking. Through a series of vivid encounters with culinary figures from Paul Bocuse to Julia Child to Ruth Reichl, Loblano hones his palate and finds his voice. Soon the timid boy from Connecticut is at the epicenter of the Parisian dining revolution and the restaurant critic of one of the largest newspapers in the France. A mouthwatering testament to the healing power of food, *My Place at the Table* is a moving coming-of-age story of how a gay man emerges from a wounding childhood, discovers himself, and finds love. Published here for the first time is Loblano's "little black book," an insider's guide to his thirty all-time-favorite Paris restaurants.*

Small print edition 5x8 Starkishia: Estrella is a story about a little girl who grew up too fast to feel the grass wear thin under the soles of her shoes. Abuse thickened her skin, yet her nightmares were as dark as they were real. The library became her sanctuary where stories took her to another place and time. But, in reality there was nothing imaginary about the bruises under her clothing as she advanced from one classroom to another during middle school, or nothing fictitious about being molested by the maggot hands of a despicable relative. Her plight was hidden in a small town in Georgia, just as her physical abuse was disregarded by the school's social worker. This colored child was brought into this world by her 14 year old mother who was ruthlessly dominated by her husband. Starkishia loved her mother above all else; her step-father who provided shelter for them witnessed her birth and helped raise her. She consumed pieces of joy, but sometimes she received broken reprisals and ended up walking down the dark road alone; yet in some fortunate way humanity was always within reach. After her parents split up, Starkishia and her family ended up in Texas. Single parenthood changed their family structure forevermore. Starkishia became a wage earner at age 13; she also became homeless the following year. She was, for years, engulfed by her impoverished and dysfunctional environment. She married a native of Mexico a few days after her 15th birthday. He nicknamed her 'Estrella' a Spanish term which means 'Star.' It goes without saying that Starkishia was born in the land of opportunity, but it was not exactly within her reach. Yes, she was her grandmother's star, but she was a statistic of minimal proportions as far as small town and suburbia America was concerned. Shortly after marriage, she became a mother. Afterward the life of this teen went downhill at lightning speed. Many readers will identify with her; for, she walked away from her husband broken hearted; then, she fell in love with another man, and as new babies arrived, she took her limited funds and focused on the lives of those under her roof; in time, her parental absence to her oldest two children turned flat out into abandonment. Have mercy! Starkishia was a lost teen, but

through grace she eventually became a productive woman in American society. Meredith Etc., a small press, proudly introduces readers to Starkishia: Estrella, a story about the perils of teen parenthood, economic dispossession, and the charity of new beginnings. "Me and E: A Baseball Odyssey is a reflection on parenting a highly skilled, nationally-ranked and difficult baseball prodigy, told through the author's eyes as he witnessed and participated in the successes and failures of his son playing baseball and growing up in Central Florida. It deals with the changing world of competitive youth sports, over-involved parents, fanatical coaches, the hypocrisies inherent in high school athletics, the college recruiting process and how we teach our kids to grow up and become decent human beings - despite ourselves. It involves well-known sports figures as well as local sports icons with traits and characteristics that everyone will recognize.
