classes. \* English for 21st century learners: StartUp helps students learn English as it is spoken and used in the 21st century, such as in text messages, emails, and podcasts; in informal social texts and conversations; and in formal texts and discussions for academic and business contexts. Students acquire collaborative and critical thinking skills they need to succeed in study and at work. \* Personalized, flexible teaching: StartUp gives you the flexibility to teach the way you want. The structure, the wealth of support materials and the practice app offer more options to flip the class, to focus on different

strands and skills, and to extend and differentiate instruction to meet students' individual needs. \*

Motivating and relevant learning: The rich integrated digital content draws students in with engaging video stories, coaching videos, video talks on compelling topics - such as innovation, relationships, and art - and much more to build the language and skills they need. \*

ActiveTeach allows teachers to present in class with ease and to access all the audio and video where they need it. \*

The new Pearson Practice English App with QR codes takes students from page to practice, and audio and video for out-of-class practice. \*
