This is a comprehensive and unique text that details the latest research on smell and taste disorders for use by clinicians and scientists.

Eye, Ear, Nose and Throat Disorders include many of the most common conditions encountered in clinical practice, affecting women and men , children and the elderly equally. This book is designed primarily for overseas readers. It aims to provide real-life case studies and references for teachers and students of international TCM, acupuncture colleges, acupuncturists, and biomedical doctors who are interested in TCM and acupuncture. It is also geared to the general reader to familiarize them with the advantages of treating ophthalmic and otolaryngological disorders with TCM. This book is

practical and is highly readability. It took more than two years to complete. During the writing process, there were many group discussions where the book was reviewed and revised. However, despite the authors' best efforts, this book is still a work on progress. We invite the readers to send their comments, corrections and suggestions to supplement, amend, and improve when reprinted.

store in Money, Mississippi. Roy Bryant and J. W. Milam were acquitted of murdering Till and dumping his body in the Tallahatchie River, and later that year, an all-white grand jury chose not to indict the men on kidnapping charges. A few months later, Bryant and Milam admitted to the crime in an interview with the national media. They were never convicted. Although Till's body was mutilated, his mother ordered that his casket remain open during the funeral service so that the country could observe the results of racially motivated violence in the Deep South. In this innovative study, Darryl Mace explores media coverage of Till's murder and provides a close analysis of the regional and racial perspectives that emerged. He investigates the portrayal of the trial in popular and black newspapers in Mississippi and the South, documents posttrial reactions, and examines Till's memorialization in the press to highlight the media's role in shaping regional and national

The distinctiveness of this commentary lies in its consistent rotation between synchronic and diachronic views. This double perspective is directed toward the three prophetic books as a single entity, toward each individual book, and toward the interpretation of each pericope. The result is a sophisticated picture, on the one hand of the structure and

intention of the texts in their final form, and on the other hand of their compositional history - from the second half of the 7th century to the late Old Testament period. Each exegetical section opens with a precise, text-critically supported translation and finishes with a synthesis that attempts to make note of the lasting insights from each text and the most important results of the analysis.
