In the second book of this lauded series, Fox and Chick are off on three new adventures involving a boat ride, a mysterious box, and an early morning trip to see the sunrise. Despite the antics ensuing from their opposite personalities, the contradictory duo always manages to find a happy center. This early chapter book in comic-book form is perfect for emerging readers, while the sweet and funny characters and captivating art hold appeal for picturebook audiences as well.

A thoroughly revised and updated edition of Thomas C. Foster's classic guide—a lively and entertaining introduction to literature and literary basics, including symbols, themes, and contexts—that shows you how to make your everyday reading experience more rewarding and enjoyable. While many books can be enjoyed for their basic stories, there are often deeper literary meanings interwoven in these texts. How to Read Literature Like a Professor helps us to discover those hidden truths by looking at literature with the eyes—and the literary codes—of the ultimate professional reader: the college professor. What does it mean when a literary hero travels along a dusty road? When he hands a drink to his companion? When he's drenched in a sudden rain shower? Ranging from major themes to literary models, narrative devices, and form, Thomas C. Foster provides us with a broad overview of literature—a world where a road leads to a quest, a shared meal may signify a communion, and rain, whether cleansing or destructive, is never just a shower—and shows us how to make our reading experience more enriching, satisfying, and fun. This revised edition includes new chapters, a new preface, and a new epilogue, and incorporates updated teaching points that Foster has developed over the past decade.

This remarkable and acclaimed debut novel, by the Newbery-winning author of *When You Reach Me* and the new instant classic *The List of Things That Will Not Change*, introduces readers to a captivating, hidden world below the ice. Peter is thrilled to join his parents on an expedition to Greenland. But when they finally reach the ice cap, he struggles to understand a series of frightening yet enticing visions. Thea has never seen the sun. Her extraordinary people, suspected of witchcraft and nearly driven to extinction, have retreated to a secret world they've built deep inside the arctic ice. As Thea dreams of a path to Earth's surface, Peter's search for answers brings him ever closer to her hidden home in this dazzling tale of mystery, science, and adventure at the top of the world. "A mystic thriller." —*Entertainment Weekly*
"Optimistic science fiction that highlights human ingenuity and survival under dire conditions." —*The Wall Street Journal*

A Little Story About a Powerful Business Idea

*The Giver*Houghton Mifflin Harcourt

A Newbery Honor Book that the New York Times called "an eerie delight," The Wish Giver is an engaging literary folk story about those who get what they wish for—whether they want it or not. The people of Coven Tree are no strangers to magic. In fact, the town's very name comes from a gnarled old tree where covens of witches used to gather. Even now, imps and fiends continue to appear, frightening the townsfolk with their devilish pranks. Usually these creatures are easy to spot. They have a particular smell, or sound, or way of moving, that betrays their dark nature. But Thaddeus Blinn showed none of these signs when he came to Coven Tree. He was just a funny little man who drifted into town with a strange tale about being able to give people whatever they wished—for only fifty cents. There was nothing scary about him. At least, not until the wishing began...

Includes an author biography, chapter summaries, vocabulary builders, reproducibles, discussion questions, and cross-curricular activities for students of all learning styles for Lowry's novel, "The Giver"

Based on principles from their book, How People Change, Paul David Tripp and Timothy S. Lane have created this study guide to be used, along with the corresponding, facilitator guide and video seminar, in church-wide training, small group, Sunday school, youth group, or one-on-one discipleship settings. Change doesn't happen overnight for the Christian.

Growth is a lifelong journey. Tripp and Lane masterfully guide readers toward biblical truths that lead to a life of repentance and faith. The How People Change study invites participants to consider their circumstances as well as their responses to them—examining the heart's desire and turning toward Christ. The How People Change Study Guide helps participants understand the underlying motivations for their actions, giving them specific, practical help in changing long-standing patterns of behavior so they grow in love for God and others. Each of the twelve lessons includes teaching, homework discussion, relational application, illustrations, group discussion guide, and "Make It Real" life applications.

A classic tale by Newbery Medalist Kate DiCamillo, America's beloved storyteller. One summer's day, ten-year-old India Opal Buloni goes down to the local supermarket for some groceries - and comes home with a dog. But Winn-Dixie is no ordinary dog. It's because of Winn-Dixie that Opal begins to make friends. And it's because of Winn-Dixie that she finally dares to ask her father about her mother, who left when Opal was three. In fact, as Opal admits, just about everything that happens that summer is because of Winn-Dixie. Featuring a new cover illustration by E. B. Lewis and an excerpt of Kate DiCamillo's newest novel, *Raymie Nightingale*.

A new edition with expanded content is available now, “The Go-Giver, Expanded Edition: A Little Story About a Powerful Business Idea” An engaging book that brings new relevance to the old proverb “Give and you shall receive” The Go-Giver tells the story of an ambitious young man named Joe who yearns for success. Joe is a true go-getter, though sometimes he feels as if the harder and faster he works, the further away his goals seem to be. And so one day, desperate to land a key sale at the end of a bad quarter, he seeks advice from the enigmatic Pindar, a legendary consultant referred to by his many devotees simply as the Chairman. Over the next week, Pindar introduces Joe to a series of “go-givers:” a restaurateur, a CEO, a financial adviser, a real estate broker, and the “Connector,” who brought them all together. Pindar’s friends share with Joe the Five Laws of Stratospheric Success and teach him how to open himself up to the power of giving. Joe learns that changing his focus from getting to giving—putting others’ interests first and continually adding value to their lives—ultimately leads to unexpected returns. Imparted with wit and grace, The Go-Giver is a heartwarming and inspiring tale that brings new relevance to the old proverb “Give and you shall receive.” From the Hardcover edition.

In this State Standards-aligned Literature Kit™, we divide the novel by chapters or sections and feature reading comprehension and vocabulary questions. In every chapter, we include Before You Read and After You Read questions. The Before You Read activities prepare students for reading by setting a purpose for reading. They stimulate background knowledge and experience, and guide students to make connections between what they know and what they will learn. The After You Read activities check students’ comprehension and extend their learning. Students are asked to give thoughtful consideration of the text through creative and evaluative short-answer questions and journal prompts. Also included are writing tasks, graphic organizers, comprehension quiz, test prep, word search, and crossword to further develop students’ critical thinking and writing skills, and analysis of the text. About the Novel: The Giver is a Newbery Medal winning story about a child named Jonas

who lives in a futuristic society in which everything is managed and controlled, eliminating hatred, hunger, war, love, families and personal decisions. When Jonas is assigned the task of becoming the next Receiver of Memory, the Giver transmits memories of a past world where hatred, war and love existed, revealing the truth to the young boy. Jonas soon realizes the horrors of his “perfect” society. Through the memories imparted to him from the Giver, Jonas also learns of an alternative, better world. The Giver and Jonas come to the realization that for the good of the community, these memories must be transferred to the entire community. In order to do this, Jonas and the Giver must leave — the Giver through death, and Jonas through escape. All of our content is aligned to your State Standards and are written to Bloom's Taxonomy.

The classic story about the power of words. Donovan Allen doesn't collect coins, comics, or trading cards like most kids. He collects words—big words, little words, soft words, and silly words. Whenever Donovan finds a new word, he writes it on a slip of paper and puts it in his word jar. But one day, Donovan discovers that his word jar is full. He can't put any new words in without taking some of the old words out—and he wants to keep all his words. Donovan doesn't know what to do, until a visit to his grandma provides him with the perfect solution.

Lois Lowry once again creates a mysterious but plausible future world. It is a society ruled by savagery and deceit that shuns and discards the weak. Left orphaned and physically flawed, young Kira faces a frightening, uncertain future. Blessed with an almost magical talent that keeps her alive, she struggles with ever broadening responsibilities in her quest for truth, discovering things that will change her life forever. As she did in THE GIVER, Lowry challenges readers to imagine what our world could become, how people could evolve, and what could be considered valuable. Every reader will be taken by Kira's plight

and will long ponder her haunting world and the hope for the future.

#1 NEW YORK TIMES BESTSELLER | A REESE WITHERSPOON X HELLO SUNSHINE BOOK CLUB PICK “A great narrative about personal strength and really captures how books bring communities together.” —Reese Witherspoon From the author of *The Last Letter from Your Lover*, now a major motion picture on Netflix, a breathtaking story of five extraordinary women and their remarkable journey through the mountains of Kentucky and beyond in Depression-era America Alice Wright marries handsome American Bennett Van Cleve, hoping to escape her stifling life in England. But small-town Kentucky quickly proves equally claustrophobic, especially living alongside her overbearing father-in-law. So when a call goes out for a team of women to deliver books as part of Eleanor Roosevelt’s new traveling library, Alice signs on enthusiastically. The leader, and soon Alice's greatest ally, is Margery, a smart-talking, self-sufficient woman who's never asked a man's permission for anything. They will be joined by three other singular women who become known as the Packhorse Librarians of Kentucky. What happens to them--and to the men they love--becomes an unforgettable drama of loyalty, justice, humanity, and passion. These heroic women refuse to be cowed by men or by convention. And though they face all kinds of dangers in a landscape that is at times breathtakingly beautiful, at others brutal, they’re committed to their job: bringing books to people who have never had any, arming them with facts that will change their lives. Based on a true story rooted in America’s past, *The Giver of Stars* is unparalleled in its scope and epic in its storytelling. Funny, heartbreaking, enthralling, it is destined to become a modern classic--a richly rewarding novel of women’s friendship, of true love, and of what happens when we reach beyond our grasp for the great beyond.

Thirteen-year-old Meg envies her sister Molly's beauty and popularity, and these feelings make it difficult for her to cope with Molly's illness and death.

This remarkable and monumental book at last provides a comprehensive answer to the age-old riddle of whether there are only a small number of 'basic stories' in the world. Using a wealth of examples, from ancient myths and folk tales via the plays and novels of great literature to the popular movies and TV soap operas of today, it shows that there are seven archetypal themes which recur throughout every kind of storytelling. But this is only the prelude to an investigation into how and why we are 'programmed' to imagine stories in these ways, and how they relate to the inmost patterns of human psychology. Drawing on a vast array of examples, from Proust to detective stories, from the Marquis de Sade to E.T., Christopher Booker then leads us through the extraordinary changes in the nature of storytelling over the past 200 years, and why so many stories have 'lost the plot' by losing touch with their underlying archetypal purpose. Booker analyses why evolution has given us the need to tell stories and illustrates how storytelling has provided a uniquely revealing mirror to mankind's psychological development over the past 5000 years. This seminal book opens up in an entirely new way our understanding of the real purpose storytelling plays in our lives, and will be a talking point for years to come.

A groundbreaking look at why our interactions with others hold the key to success, from the bestselling author of Think Again and Originals For generations, we have focused on the individual drivers of success: passion, hard work, talent, and luck. But in today's dramatically reconfigured world, success is increasingly dependent on how we interact with others. In Give and Take, Adam Grant, an award-winning researcher and Wharton's highest-rated professor, examines the surprising forces that shape why some people rise to the top of the success ladder while others sink to the bottom. Praised by social scientists, business theorists, and corporate leaders, Give and Take opens up an approach to work, interactions, and productivity that is nothing short of revolutionary.
