The last person Alice Shipley expected to see when she arrived in Tangier with her new husband was Lucy Mason. After the horrific accident at Bennington, the two friends - once inseparable roommates - haven't spoken in over a year. But Lucy is standing there, trying to make things right. Perhaps Alice should be happy. She has not adjusted to life in Morocco, too oppressive heat. Lucy, always fearless and independent, helps Alice emerge from her flat and explore the country. But soon a familiar feeling starts to overtake Alice - she feels controlled and stifled by Lucy at every turn. Then Alice's husband, John, goes missing, and she starts to question everything around her... We have questions. Child-like inquiries. And deep, heavy ones. In more than twenty-five years of writing and ministry, Max Lucado has received thousands of such questions. They come in letters, e-mails, even on Dunkin Donuts napkins. In Max on Life he offers thoughtful answers to more than 170 of the most pressing questions on topics ranging from hope to hurt to prayer, the purpose of pain, and the reason for our ultimate hope. He responds to the day-to-day questions—parenting quandaries, financial challenges, difficult relationships—as well as to the profound: Is God really listening? A special addendum includes Max's advice on writing and publishing. Including topical and scriptural indexes and filled with classic Lucado o become a favorite resource for pastors and ministry leaders as well as new and mature believers.

George and Kate are promised the best education but instead face obsessed administrators, endless tests, and evil spirits when they are transferred to Whittaker Magnet School.

A childhood in a privileged household in 1950s Havana was joyous and cruel, like any other-but with certain differences. The neighbour's monkey was liable to escape and run across your roof. Surfing was conducted by driving cars across the breakwater. Lizards and firecrackers made frequent contact. Carlos Eire's childhood was a little different from most. His father was convinced he had been Louis XVI in a past life. At school, classmates with fathers in the Batista government were attended by chauffeurs and bodyguards. At a home crammed with artifacts and paintings, portraits of Jesus spoke to him in dreams and nightmares. Then, in January 1959, the world changes: Batista is suddenly gone, a cigar-smoking guerrilla has taken his place, and Christmas is cancelled. The echo of firing squads is everywhere. And, one by one, the author's schoolmates begin to disappear-spirited away to the United States. Carlos will end up there himself, without his parents, never to see his father again. Narrated with the urgency of a confession, WAITING FOR SNOW IN HAVANA is both an ode to a paradise lost and an exorcism. More than that, it captures the terrible beauty of those times in our lives when we are certain we have died-and then are somehow, miraculously, reborn.

In the city of Coketown, young and stifled Louisa accepts the marriage proposal of a man 30 years her senior, Stephen strives to earn a living by honest means, and Sissy has to decide between an education and the circus she grew up in. In this classic of great renown, Charles Dickens brings to life a world where each character has a choice and every choice has the power to evoke good or the greatest of evils.

A special 25th anniversary edition of the extraordinary international bestseller, including a new Foreword by Paulo Coelho. Combining magic, mysticism, wisdom and wonder into an inspiring tale of self-discovery, The Alchemist has become a modern classic, selling millions of copies around the world and transforming the lives of countless readers across generations. Paulo Coelho's masterpiece tells the mystical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure. His quest will lead him to riches far different—and far more satisfying—than he ever imagined. Santiago's journey teaches us about the essential wisdom of listening to our hearts, of recognizing opportunity and learning to read the omens strewn along life's path, and, most importantly, to follow our dreams.

Considered by many the greatest war novel of all time, All Quiet on the Western Front is Erich Maria Remarque's masterpiece of the German experience during World War I. I am young, I am twenty years old; yet I know nothing of life but despair, death, fear, and fatuous superficiality cast over an abyss of sorrow. . . . This is the testament of Paul Bäumer, who enlists with his classmates in the German army during World War I. They become soldiers with youthful enthusiasm. But the world of duty, culture, and progress they had been taught breaks in pieces under the first bombardment in the trenches. Through years of vivid horror, Paul holds fast to a single vow: to fight against the principle of hate that meaninglessly pits young men of the same generation but different uniforms against one another . . . if only he can come out of the war alive. "The world has a great writer in Erich Maria Remarque. He is a craftsman of unquestionably first rank, a man who can bend language to his will. Whether he writes of men or of inanimate nature, his touch is sensitive, firm, and sure."—The New York Times Book Review

An insightful, achingly funny coming-of-age story as well as a brilliant dissection of class, race, and gender in a hothouse of adolescent angst and ambition. Lee Fiora is an intelligent, observant fourteen-year-old when her father drops her off in front of her dorm at the prestigious Ault School in Massachusetts. She leaves her animated, affectionate family in South Bend, Indiana, at least in part because of the boarding school's glossy brochure, in which boys in sweaters chat in front of old brick buildings, girls in kilts hold lacrosse sticks on pristinely mown athletic fields, and everyone sings hymns in chapel. As Lee soon learns, Ault is a cloistered world of jaded, attractive teenagers who spend summers on Nantucket and speak in their own clever shorthand. Both intimidated and fascinated by her classmates, Lee becomes a shrewd observer of—and, ultimately, a participant in—their rituals and mores. As a scholarship student, she constantly feels like an outsider and is both drawn to and repelled by other loners. By the time she's a senior, Lee has created a hard-won place for herself at Ault. But when her behavior takes a self-destructive and highly public turn, her carefully crafted identity within the community is shattered. Ultimately, Lee's experiences—complicated relationships with teachers; intense friendships with other girls; an all-consuming preoccupation with a classmate who is less than a boyfriend and more than a crush; conflicts with her parents, from whom Lee feels increasingly distant—coalesce into a singular portrait of the painful and thrilling adolescence universal to us all. BONUS: This edition includes an excerpt from Curtis Sittenfeld's *Sisterland*. Praise for Prep "Curtis Sittenfeld is a young writer with a crazy amount of talent. Her sharp and economical prose reminds us of Joan Didion and Tobias Wolff. Like them, she has a sly and potent wit, which cuts unexpectedly—but often—through the placid surface of her prose. Her voice is strong and clear, her moral compass steady; I'd believe anything she told me."—Dave Eggers, author of *A Heartbreaking Work of Staggering Genius* "Prep's every sentence rings true. Sittenfeld is a rising star."—Wally Lamb, author of *She's Come Undone* and *I Know This Much Is True*

In 2035 kidnapping rich children has become an industry, but when thirteen-year-old Charity Meyers is taken and held for ransom, she soon discovers that this particular kidnapping is not what it seems.

A sharp-witted teenager discovers surprising truths after her mother's death in a wry and heartrending novel touching on denial, identity, and family lore. When her mother is knocked down and killed by a London bus, fifteen-year-old Melon Fouraki is left with no family worth mentioning. Her mother, Maria, never did introduce her to a living, breathing father. The indomitable Auntie Aphrodite, meanwhile, is hundreds of miles away on a farm in Crete, and she is not likely to jump on a plane to come to East Finchley anytime soon. But at least Melon has *The Story*. *The Story* is the Fouraki family fairy tale. A story is something. Balanced with tenderness and humor, this time-shifting novel offers a narrator by turns angry and vulnerable, hurt and defiant as she struggles with sudden grief—and the unfolding process of finding out who she really is.
