Carol Tyler has been a professional (and highly acclaimed) cartoonist for over 20 years, appearing in such venues as Weirdo, Wimmen's Comix, and Drawn & Quarterly magazine. But over the years her status as a working mother has drastically curtailed her ability to set aside time for her cartooning. Thus each rare new story from her pen has been greeted with hurrahsas well they should be, because she's one of the most skillful, caustic, and emphatic cartoon storytellers of her generation. This new book presents the biggest, richest and most delightful collection of Tyler's work to date featuring many new and previously unpublished works.

For the first time in over 75 years, three of the 'lost' plays presented by the famed Group Theatre are now back in print. A huge part of American Theatrical History is now available to the public! The book features '1931-' by Claire and Paul Sifton, and 'Success Story' and 'Gentlewoman' by John Howard Lawson. Foreword by the legendary Estelle Parsons, with additional material by George Bartenieff, Jonathan Chambers, Jeffrey Lawson and Allie Mulholland. '1931-' by Claire & Paul Sifton is the story of Adam, who is fired from his warehouse job at the start of the play. Proud and determined, he sets out to find another job, only to find hundreds of other men in the same situation. Without a paycheck, Adam soon realizes how much he has to lose; health, dignity, hope, and possibly even the young shop girl he loves. Alternately, it is the story of all the men, young and old in Adam's situation. These are the men who sleep in the parks, beg for coins and even turn to crime when there seems to be no other option. When their story and Adam's comes to a head at the gripping finale, there is only one way left to turn: revolution. One of the preminent playwrights of the early 20th century, John Howard Lawson was the first playwright to have 2 plays presented by the Group Theatre. SUCCESS STORY is a classic tale of ambition, the American Dream and what actually constitutes "success." Set in the New York advertising agency, we follow the rise of Sol Ginsburg and his struggles for contentment, before and after, the 1929 stockmarket crash. In 1934, The Group presented Mr. Lawson's GENTLEWOMAN. It is the story of socialite, Mrs. Gwyn Ballantine, who falls for the "inspired Bohemian" Rudy Flannigan. After it is discovered her husband has been committing scandalous business deals, Gwyn is tempted to pursue her passions for the poet Flannigan, despite their conflicting social standing. Can she turn her back on her privileged status and extravagant tastes in the name of love?

History of Theatre

To All Wildflowers

Although by writers better known for their verse and narrative prose, the plays of the Symbolists were not intended, like the dramatic poems of the Romantics, for the study rather than the stage. Instead, they are highly theatrical creations in a new style that demanded a new style of production. Meyerhold played a decisive role in the new Symbolist theatre and it was his production of Blok’s The Puppet Show in Komissarzhevskaya’s Theatre that launched the new direction in Russian drama. Among the works collected here are the plays The Puppet Show and The Rose and the Cross (Blok), The Triumph of Death (Sologub), The Comedy of Alexis and The Venetian Madcaps (Kuzmin), Thamyris Kitharodos (Annensky), and The Tragedy of Judas (Remizov) and essays by Briusov, Blok, Ivanov, Bely, Sologub, and Andreyev. Rounding out this essential anthology are Michael Green’s general introduction, as well as insightful prefaces for each writer, placing the plays and essays into their cultural and historical contexts.

The most comprehensive and distinctive collection of its kind, The Norton Anthology of Drama offers sixtyfive major plays—including three twentieth-century plays not available in any other drama anthology—the most carefully prepared introductions, annotations, and play texts, and a convenient two-volume, one-column format for ease of reading and carrying. Less expensive than rival anthologies, The Norton Anthology of Drama is also the best value—a book that students will keep long after the class is over.

Introduces the genres of noh, kyogen, kabuki, and bunraku puppet theater, and offers translations of thirty of the best-known plays, with background information on their history, characters, staging, and significance

ISE The Theatre Experience

A Play in Two Acts

"Cripples ain't supposed to be happy" sings Anita Hollander, balancing on her single leg and grinning broadly. This moment--from her multi-award-winning one-woman show, Still Standing--captures the essence of this theatre anthology. Hollander and nineteen other playwright-performers craftily subvert and smash stereotypes about how those within the disability community should look, think, and behave. Utilizing the often-conflicting tools of Critical Disability Studies and Medical Humanities, these plays and their accompanying essays approach disability as a vast, intersectional demographic, which ties individuals together less by whatever impairment, difference, or non-normative condition they experience, and more by their daily need to navigate a world that wasn't built for them. From race, gender, and sexuality to education, dating, and pandemics, these plays reveal there is no aspect of human life that does not, in some way, intersect with disability.

Living Theater: A History conveys the excitement and variety of theater throughout time and the dynamic way in which our interpretation of theater history is informed by contemporary scholarship. Rather than presenting readers with a mere catalog of historical facts and figures, Wilson and Goldfarb set each period in context through an exploration of the social, political and economic conditions of the day, and create a vivid study of the developments in theater during that time. Changes to the third edition include the addition of new biographies of key players in the dramatic world, expanded existing biographies, and a completely revised chapter on early Asian theater.

Hal Warren

The Norton Anthology of Drama

Ten stories of BDSM, submission, and service set in the secret world of Laura Antoniou's Marketplace. The Marketplace has fans all over the world, and Antoniou invited them to come play in her fictional sandbox/dungeon. Numbered among those fans happen to be some of the top erotica and alternative sexuality writers in the world, including D.L. King, Sassafras Lowrey, and Elizabeth Schechter. The full slate of writers contributing to NO SAFEWORDS runs the gamut of award-winning authors to bright-eyed new voices, as creator Laura Antoniou explains in her introduction: "As the saying goes, 'blessed are those who embellish the tale.' So here is the Marketplace, as seen through other eyes. There are some stories that show the world exactly as I created it, and some that push my boundaries a tad. There is romance and strife, glee and despair. There is hot sex, of course, but there's also humor and melodrama. Just the way I like it. "There were some surprises for me! I was delighted to find several female dominant/male submissive stories, especially since my examples of those relationships tend to be supporting, rather than main characters. I was also pleased by the writers who weren't afraid to go a little dark; a collection of stories all about slaves misbehaving in mildly inconvenient ways and getting fantastically, erotically punished would have been tiresome. "So whether you want a rollicking Victorian flavored tale of adventure and romance or a modern, sexy welcome to a new home for a familiar character, you will find flavors here to tempt or satisfy your tastes. Return for more time travel to a world where the language we so casually use to describe our tastes doesn't even exist, but where longing for a ritualized order and discipline and a sense of belonging transcends words, and gets expressed in the rich metaphor-and reality-of a garden. "Then swerve away from romance to feel the terror of a slave newly sold to an owner who represents their worst nightmare, whether because of demographics or the enormous challenge of a language barrier. "Here, you can get into the reflection of a trainer's long career or the grief and anguish of a new owner confronted with an inherited house full of property she didn't choose. Or, watch how even the jaded, experienced ways of the Marketplace aware people become awkward in that most awkward of adult challenges-a marriage proposal. Get a glimpse into the rarefied and formal household of an owner/spotter, and then take a detour to the desolate history of a young genderqueer punk fresh from the streets, confronted with the most iconic of Marketplace characters. All of this-a synthesis of my imagination and theirs, fed by culture, fantasy, fairy tales and fears. All fiction is, in a way, fan fiction. I am sorry it took so long for me to see this and to open myself to the interesting sensations-you might call it edge-play-in giving people access to my favorite victims. But better late than never!" Author Introduction Alexei Maximovich Peshkov primarily known as Maxim Gorky , was a Russian and Soviet writer, a founder of the socialist realism literary method and a political activist. He was also a five-time nominee for the Nobel Prize in Literature. Gorky's most famous works were The Lower Depths (1902), Twenty-six Men and a Girl, The Song of the Stormy Petrel, My Childhood, The Mother, Summerfolk and Children of the Sun. He had an association with fellow Russian writers Leo Tolstoy and Anton Chekhov; Gorky would later mention them in his memoirs. Several qualities set Theatre: The Lively Art apart from other introductory texts. A particularly important element is our emphasis on the audience. All students reading the book are potential theatregoers, not just during their college years but throughout their lives. We have therefore attempted to make This new edition is an ideal one-volume text to prepare students as future audience members. It will give them a grasp of how theatre functions, of how it should be viewed and judged, and of the tradition behind any performance they may attend. Lively Art allows instructors to focus on both the elements of the theatre and the history of the theatre. It also focuses on today's diverse and global theatre. In addition to serving as an ideal text for nonmajors, Theatre: The Lively Art will prepare students who wish to continue studies in theatre, as majors, minors, or students from other disciplines who take advanced courses.

This comedy is a fictitious "ED WOOD" type screenplay about the making of "MANOS The Hands of Fate." Harold P. Warren (October 23, 1923 - December 26, 1985), better known as Hal Warren, was an insurance and fertilizer salesman who lived in the El Paso, Texas area. He is best remembered for writing, directing, and producing the 1966 movie "Manos" The Hands of Fate. Manos is remembered as one of the worst films of all time. Warren made Manos on a bet. He had met Stirling Silliphant, who was in the area scouting locations for a film. Warren bet Silliphant (who would later write the award winning screenplay for In the Heat of the Night) that he could make a successful horror movie on a limited budget. Warren raised about \$20,000. He managed to find an old 16-millimeter Bell & Howell camera to use on the film. Because the camera was spring wound, it could only shoot just over 30 seconds of film at a time. After casting himself in the starring role of Michael, he approached locals to play the other roles, as well as fill crew positions. He did not pay anyone, instead promising people a percentage of the profits. Warren and two others also dubbed all the voices, as the camera was not capable of capturing sound. For two months, Warren, the cast, and crew filmed at County Judge Colbert Coldwell's ranch. Warren's prima donna attitude caused much friction among those working on the film, who began calling the film Mangos: The Cans of Fruit behind his back. When the time came to premiere the film in El Paso, Warren turned the premiere into a media event. He hired a limousine to carry the cast to the theater. But a few minutes into the film, the audience began heckling it, and soon broke down into hysterics. Manos had a short run on some drive-in theaters in West Texas. Afterwards, the movie was largely forgotten until it was featured in Mystery Science Theater 3000 in 1993. This is how the film MIGHT have been made...
