*innovative account of world history, these six beverages turn out to be much more than just ways to quench thirst. They also represent six eras that span the course of civilization—from the adoption of agriculture, to the birth of cities, to the advent of globalization. A History of the World in 6 Glasses tells the story of humanity from the Stone Age to the twenty-first century through each epoch's signature refreshment. As Standage persuasively argues, each drink is in fact a kind of technology, advancing culture and catalyzing the intricate interplay of different societies.*

Techniques

**The authors of VOYAGES IN WORLD HISTORY never forget that history is made up of the stories of people. Each chapter of the text centers on a story -- a traveler's account that highlights the book's main theme, the constant movement of people, goods, and ideas. The travelers include merchants, poets, rulers, explorers, soldiers, missionaries, and scholars, and their voyages provide a framework for each chapter that will capture students' interest and draw them into the stories of the people, places, and events crucial to understanding world history.**
