*Need help with iOS 10? Whether you have an iPhone, an iPad, or even an iPod touch, this guide is for you. iOS 10 is the newest operating system from Apple as of September 13th, 2016. iOS 10 introduced many new features, which redefined the iPhone 5 and higher, iPad 4th Generation and higher, and iPod Touch 6th generation and higher. These features include: - Lock Screen Widgets - Interactive Notifications - Raise to Wake on the iPhone - Voicemail Transcriptions - Digital Touch in Text Messages - Handwriting Text Messages - New and Improved Control Center ...and many more! This guide will introduce you to these new features, as well as the rest of iOS 10. The Guide to iOS 10 gives task-based instructions without using any technical jargon. Learning which buttons on your iOS 10 device perform which functions is useless unless you know how it will help you in your everyday use of iOS 10. Therefore, this guide will teach you how to perform the most common tasks. Instead of presenting arbitrary instructions in lengthy paragraphs, this book gives unambiguous, simple step-by-step procedures. Additionally, detailed screenshots help you to confirm that you are on the right track. This guide also explains Secret Tips and Tricks to help you accomplish your day-to-day tasks much faster. If you get stuck, refer to the Troubleshooting section to isolate and solve the problem. Help is here!*

This is the official CHFI (Computer Hacking Forensics Investigator) study guide for professionals studying for the forensics exams and for professionals needing the skills to identify an intruder's footprints and properly gather the necessary evidence to prosecute. The EC-Council offers certification for ethical hacking and computer forensics. Their ethical hacker exam has become very popular as an industry gauge and we expect the forensics exam to follow suit. Material is presented in a logical learning sequence: a section builds upon previous sections and a chapter on previous chapters. All concepts, simple and complex, are defined and explained when they appear for the first time. This book includes: Exam objectives covered in a chapter are clearly explained in the beginning of the chapter, Notes and Alerts highlight crucial points, Exam 's Eye View emphasizes the important points from the exam 's perspective, Key Terms present definitions of key terms used in the chapter, Review Questions contains the questions modeled after real exam questions based on the material covered in the chapter. Answers to the questions are presented with explanations. Also included is a full practice exam modeled after the real exam. The only study guide for CHFI, provides 100% coverage of all exam objectives. CHFI Training runs hundreds of dollars for self tests to
