*New 2017 Cambridge A Level Maths and Further Maths resources to help students with learning and revision. Written for the AQA AS/A Level Further Mathematics specifications for first teaching from 2017, this print Student Book covers the compulsory content for AS and the first year of A Level. It balances accessible exposition with a wealth of*

worked examples, exercises and opportunities to test and consolidate learning, providing a clear and structured pathway for progressing through the course. It is underpinned by a strong pedagogical approach, with an emphasis on skills development and the synoptic nature of the course. Includes answers to aid independent study. This book has entered an AQA approval process.

Exam Board: AQA Level: AS/A-level Subject: Spanish First Teaching: September 2017 First Exam: June 2018 Our Student Book has been approved by AQA. Support the transition from GCSE and through the new A-level specification with a single textbook that has clear progression through four defined stages of learning suitable for a range of abilities. We have developed a completely new textbook designed specifically to meet the demands of the new 2016 specification. The Student Book covers both AS and A-level in one textbook to help students build on and develop their language skills as they progress throughout the course. - Exposes students to authentic target language material with topical stimulus, and film and literature tasters for every work - Supports the transition from GCSE with clear progression through four stages of learning: transition, AS, A-level and extension - Builds grammar and translation skills with topic-related practice and a comprehensive grammar reference section - Develops language skills with a variety of tasks, practice questions and research activities - Gives students the tools they need to succeed with learning strategies throughout - Prepares students for the assessment with advice on essay-writing and the new individual research project Audio resources to accompany the Student Book must be purchased separately through your institution. They can be purchased in several ways: 1) as part of the Dynamic Learning Teaching and Learning resource; 2) as a separate audio download; 3) as part of the Student eTextbook. The Audio resources are not part of the AQA approval process.

With content tailored to AQA specifications, and activities that are designed to reinforce learning, this work features integrated assessment support throughout to help boost grades. It also includes: exam-style practice questions; summary mindmaps; and key terminology defined to support its accurate usage: in context; within a glossary.

Please note this title is suitable for any student studying: Exam Board: AQA Level: A

Level Subject: Biology First teaching: September 2015 First exams: June 2017 Fully revised and updated for the new linear qualification, written and checked by curriculum and specification experts, this Student Book supports and extends students through the new course whilst delivering the maths, practical and synoptic skills needed to succeed in the new A Levels and beyond. The book uses clear straightforward explanations to develop true subject knowledge and allow students to link ideas together while developing essential exam skills.
