Are you sitting the new 9 to 1 GCSE examinations and wish to achieve good grades? Are you overwhelmed by the new syllabus and the workload? Do you need some useful and reliable guidance from a student who has nailed the exams? This book has been written by a teenager, like you. Having achieved seven 9s, three A*s and one A in his GCSEs, the author has shared his revision style to help many other teenagers to realise their potential. In his book, Rohan has outlined his tried

and tested methods to achieve the best grades. There is step by step guide on planning, making a timetable, and revision techniques leading up to the GCSE exams.

There are separate chapters for subject-specific advice as the same technique cannot work for subjects like English and Chemistry. There are tips on how to stay motivated and also relax and enjoy at the same time. Smart working rather than a lot of working helps. Read this book and arm yourself with studying techniques which will help you not only in your GCSEs but all future exams.

Key content coverage is combined with practical tips to create a revision guide that students can rely on to

A Liverpudlian West Side Story, Blood Brothers is the story of twin brothers separated at birth because their mother cannot afford to keep them both. One of them is given away to wealthy Mrs Lyons and they grow up as friends in ignorance of their fraternity until the inevitable quarrel unleashes a blood-bath. Blood Brothers was first performed at the Liverpool Playhouse in 1983 and subsequently transferred to the Lyric Theatre, London. It was revived in the West End in 1988 for a long-running production and opened on Broadway in 1993.

Tells a story about the strange relationship of two migrant workers who are able to realize their dreams of an

easy life until one of them succumbs to his weakness for soft, helpless creatures and strangles a farmer's wife.

GCSE Economics has been specifically written to meet the requirements of the National Criteria and covers the new GCSE syllabuses completely. The book is a stand-alone course companion and includes everything needed for GCSE Economics courses - knowledge, course-work, exam guidance and homework activities. It is written in a straightforward style and, wherever possible, theory and knowledge

are supported with visual material. Case studies based on a fictional village, as it progresses through various stages of economic development, are used throughout the text and are tiered according to the degree of difficulty.
