

Arkandias Contre Attaque

Honor de Balzac, the renowned French novelist and playwright, and one of the pioneers of literary realism, makes a short fantasy diversion to the mystical island of Java, where he, or rather the narrateur, encounters a deadly poison-breathing tree, civilised monkeys, love-sick sparrows and that epitome of Oriental desirability of his day ? the women of Java.

Malheureusement, les formules magiques ne marchent jamais comme on le voudrait et nos deux héros vont rapidement être pris à leur propre jeu... surtout que, tapi dans l'ombre, le mystérieux Agénor Arkandias attend son heure !

There were moments when I laughed, moments where I gasped in surprise, and moments where I knew I could not read this book because I had to know what was going to happen next... My only complaint? That it ended and now I need to wait. I must know what happens next!!!!' Series Tracker 'Are you ready for a grip the edge of your seat-repeating mantra of OMG as you turn the pages eagerly? Looking for something with intensity but also something that leaves you begging for more??? Looking for a new fav??? YES. This book is all of what you want and so much more! Go Into This One Knowing. Best. Book. Ever.' Crossroad Reviews 'This was incredible!... such a slow burn romance but the author had my heart beating out of my chest, the angst and suspense was killing me... This book was perfectly paced and the lack of info-dump and triangles and insta-love made for a perfect start to a new series. Switching from POV's from England and Paris and following the characters from across countries was a great concept. With the addition of magic, action and adventure this book could really do no wrong in my opinion. A cliffhanger ending just the promise of lots more to come in the next installment which I'm now anxiously awaiting. I highly recommend this to fantasy lovers who are looking for a brand new world to immerse themselves in, with great characters, a promising romance and a thrill ahead.' Literary-ly Obsessed 'I love this book! It was really great! I've always loved books that include Alchemy as its major fantasy core and that it's such a fascinating 'science!' ... I read the first chapter, and I was completely swept into this amazing world! ... can't wait until the next book comes out, and to continue exploring this amazing story! Just Another Bookish Blog 'thrilling and exciting all at the same time... an exceptional paranormal fantasy... such amazing story telling' Books at Dawn

"A brainy noir . . . [a] winningly cryptic tale . . . a cabinet of wonders written by a novelist whose surname and sensibility fit comfortably on the shelf between Umberto Eco and John Fowles."
—Los Angeles Times "One of the year's most literate and absorbing entertainments." —Kirkus Reviews
Jon Fasman's dizzyingly plotted intellectual thriller suggests a marriage between Dan Brown and Donna Tartt. When reporter Paul Tomm is assigned to investigate the mysterious death of a reclusive academic, he finds himself pursuing leads that date back to the twelfth century and the theft of alchemical instruments from the geographer of the Sicilian court. Now someone is trying to retrieve them. Interspersed with the present action are the stories of the men and women who came to possess those charmed—and sometimes cursed—artifacts, which have powers that go well beyond the transmutation of lead into gold. Deftly combining history, magic, suspense, and romance—and as handsomely illustrated as an ancient incunabulum—The Geographer's Library is irresistible.

Enfin une histoire du roman policier pour la jeunesse, rendant compte avec précision de l'évolution, de la grande

richesse et de la variété d'un genre finalement admis dans sa diversité et sa légitimité ! Non seulement le polar jeunesse existe, mais il manifeste aujourd'hui une belle vitalité, tant par sa présence dans des collections " noires " et spécifiques que dans les collections généralistes où figure souvent l'étiquette policière. Certes l'histoire du genre dans le domaine juvénile, d'abord clandestine, différée par rapport à celle du polar adulte, a dû d'abord ruser avec les censeurs de tous bords qui voulaient soit l'exclure, soit la réduire à des récits d'aventures jugés puérils ou purement distractifs. Vint le temps des séries d'abord anglo-saxonnes puis françaises, mettant en scène des enfants enquêteurs, le plus souvent en petites bandes, sous le contrôle strict de la loi du 16 juillet 1949. La mutation capitale se produit lors de la naissance, chez Syros, de la collection " Souris noire " faisant appel aux meilleurs auteurs pour adultes. Elle démontre que le polar peut s'ouvrir au monde actuel et à la réalité quotidienne, au prix de quelques précautions, ellipses ou métaphores. Depuis 1986, les collections du genre, les séries mettant en évidence héros et héroïnes du polar et les oeuvres autonomes se sont multipliées, s'ouvrant à toutes les variantes du polar, y compris le pastiche et la parodie. Peu à peu, le policier jeunesse s'est affranchi des frontières de l'âge et du genre en flirtant ouvertement avec le roman historique, fantastique ou même de science-fiction, tout en prenant parfois comme support l'album illustré ou de bande dessinée, le manga ou le livre interactif et ludique. L'intégration d'oeuvres policières dans les listes de lecture de l'Éducation nationale, au collège puis à l'école primaire, a favorisé la légitimation d'un genre dont le rôle éducatif et pédagogique est aujourd'hui reconnu.

This second book in the acclaimed Bliss trilogy mixes the down-home heart-punch of Ingrid Law's Newbery Honor Book Savvy, the always-on-the-edge-of-chaos comedy of Cheaper by the Dozen, and a humorous magic all its own to create a thoroughly original confection to please every reader's sweet tooth! The Bliss family's magical Cookery Booke was stolen by evil Aunt Lily at the end of Bliss, the first novel in the series. Now twelve-year-old Rosemary has a chance to win it back: she challenges her aunt to an Iron Chef-style international baking competition in Paris. But the only way to beat the cheating Aunt Lily is to gather magical ingredients of her own. Together with her brothers and their talking cat and mouse, Rose races across Paris—from the Eiffel Tower to the Cathedral of Notre Dame to the Mona Lisa in the Louvre Museum—to gather what she needs to out-bake—and out-magic—her conniving aunt. If Rose wins, the cherished Cookery Booke will return to her family where it belongs. If she loses—well, the consequences are too ugly to think about.
