

Army Reserve Retirement Guide

Change is a given in the United States military, but the soon to be applied "Blended Retirement System" is a financial change like no other the military has ever experienced. It is a huge deal that will not only affect the wallets of many active duty service members today and certainly 100% of them beginning in 2018, but it could also have a significant impact on future recruiting and retention of our volunteer military force. Mission Transition: Managing Your Career and Your Retirement is a needed introduction of the military's new "Blended Retirement System," representing the big shift in how the DoD manages military retirements. In the process, it encourages service members to adopt the new concept of retirement in the military, improve their own financial literacy, and assume responsibility for their own retirement planning. Finally, it provides new civilian job survival tips and strategies for service members in the process of leaving the military for civilian life. For those who are contemplating joining the armed forces and who wish to better understand the myriad of changes to the overall military retirement system this is the ideal guide.

Offers advice about making the most of military and veteran benefits, sharing concise information about such areas as tuition assistance, health insurance, and retirement options.

The Soldier's Blue Book is mandated reading and will be maintained and available during BCT/OSUT and AIT.This pamphlet applies to all active Army, U.S. Army Reserve, and the Army National Guard enlisted IET conducted at service schools, Army Training Centers, and other training activities under the control of Headquarters, TRADOC.

This publication covers the special tax situations of active members of the U.S. Armed Forces. For federal tax purposes, the U.S. Armed Forces in-cludes commissioned officers, warrant officers, and enlis-ted personnel in all regular and reserve units under control of the Secretaries of the Defense, Army, Navy, and Air Force. The U.S. Armed Forces also includes the Coast Guard. The Public Health Service and the National Oce-anic and Atmospheric Administration can also receive many of the same tax benefits. The U.S. Armed Forces doesn't include the U.S. Merchant Marine or the American Red Cross. Members serving in an area designated or treated as a combat zone are granted special tax benefits. In the event an area ceases to be a combat zone, the IRS will do its best to notify you. Many of the relief provisions will end at that time.

This report analyzes the reenlistment part of the Reserve/National Guard force structure model. Analysis of the Defense Manpower Data Center's Reserve Component surveys, 1986, Reserve Components Common Personnel Data System, and civilian moonlighting wages predicted from the Bureau of the Census reveals that the U.S. Congress can increase reenlistment by increasing Reserve pay. Reenlistment can also be increased by assigning reservists to primary Military Occupational Specialties in which they are trained.
