Music is rooted in the heart of Western culture. The absence of music from the usual publications of medieval history and history of art of the Middle Ages is understandable, considering the rarity of sources. And yet, throughout the last decades, an intense activity of historico-musicological research has been carried out internationally by a select group of specialized scholars. The ambitious goal of this work is to set medieval music within its historical and cultural context and to provide readers interested in different disciplines with an overall picture of music in the Middle Ages; multi-faceted, enjoyable, yet scientifically rigorous. To achieve this goal, the most prominent scholars of medieval musicology were invited to participate, along with archaeologists, experts of acoustics and architecture, historians and philosophers of medieval thought. The volume offers exceptional iconography and several maps, to accompany the reader in a fascinating journey through a network of places, cultural influences, rituals and themes.

A Winter's Night

**A handful of disparate lives converge at a remote seaside inn: a lovclorn professor, a renowned painter, an inscrutable seductress - and a beautiful young girl, fatally ill, brought to the sea by a desperate father's last hope. An intricate web of destinies and associations begins to reveal itself, but it is not until the arrival of a mysterious sailor called Adams that the truth in all its dreamlike beauty and cruelty becomes clear. Adams may furnish the key to the girl's salvation, but only the fulfillment of his obsessive secret purpose - to answer murder with murder - can conclude the journey that has brought him from the ends of the earth. Alternately playful and profoundly serious, Baricco's novel surges with the hypnotic power of the ocean sea.**

**A charming, touching story about an imaginative, introverted boy whose best friend is an old oak named Bertolt.**

**The Vegetable Lamb of Tartary**

**Il Tesoretto**

**La Sacra Bibbia, Antico e Nuovo Testamento**

**Goodbye Stranger**

**Pescatori e Uomini neri**

**The Writings of Saint Francis of Assisi**

This brilliant, New York Times bestselling novel from the author of the Newbery Medal winner When You Reach Me explores multiple perspectives on the bonds and limits of friendship. Long ago, best friends Bridge, Emily, and Tab made a pact: no fighting. But it's the start of seventh grade, and everything is changing. Emily's new curves are attracting attention, and Tab is suddenly a member of the Human Rights Club. And then there's Bridge. She's started wearing cat ears and is the only one who's still tempted to draw funny cartoons on her homework. It's also the beginning of seventh grade for Sherm Russo. He wonders: what does it mean to fall for a girl/as a friend? By the time Valentine's Day approaches, the girls have begun to question the bond/and the limits/of friendship. Can they grow up without growing apart? (Sensitively explores togetherness, aloneness, betrayal and love.)(The New York Times A Boston Globe/Horn Book Honor Book for Fiction Named a Best Book of the Year by The New York Times, The Washington Post, The Wall Street Journal, The Boston Globe, The Guardian, NPR, and more!)

Digital history is an emerging field that draws on digital technology and computational methods. A global enterprise that invites scholars worldwide to join forces, it presents exciting and novel ways we might explore, understand and represent the past. Hannu Salmi provides the most compelling introduction to digital history to date. Beginning with an examination of the origins of the digital study of history, he goes on to discuss the question of how history exists in a digitized form. He introduces basic concepts and ideas in digital history, including databases and archives, interdisciplinarity and public engagement. Outlining the problems and methods in the study of big data, both textual and visual, particular attention is paid to the born-digital era: the contemporary age that exists primarily in digital form. What is Digital History? is essential reading for students of history and other humanities fields, as well as anyone interested in how digitization and digital cultures are transforming the study of history.

What is Digital History?

La parola e il silenzio. Discorsi e scritti 1986-1995

*In a strangely heartwarming story, a duck strikes up an unlikely friendship with Death. "Who are you? Why are you creeping along behind me?" "Good. You've finally noticed me," said Death. "I am Death." Duck was startled. You couldn't blame her for that. Death, Duck and the Tulip is the much anticipated translation of Wolf Erlbruch's latest masterpiece. Death, Duck and the Tulip will intrigue, haunt and enchant teenagers and adults. Simple, unusual, warm and witty - a picture book version of The Book Thief. This book deals with a difficult subject in away that is elegant, straightforward, and thought-provoking.*

*La Bibbia riporta molte preghiere, racconta di uomini che pregano e insegna a pregare. Tutto questo è normale: la preghiera fa parte di ogni esperienza religiosa. L'originalità biblica sta allora nel “come” e nel “perché”. La preghiera biblica, prima che un parlare a Dio, è un ascolto della sua Parola. La Bibbia è ricca anche di uomini che si pongono “davanti al loro Dio” e con lui parlano, riflettono, discutono. Nelle pagine bibliche troviamo le nostre domande poste con una forza e una lucidità che da soli non sapremmo raggiungere. Non sempre troviamo nella Bibbia l’immediata risposta alle nostre domande. Sempre troviamo, però, la giusta direzione in cui porle.Don Bruno, con la consueta chiarezza e lucidità, offre una densa carrellata sulle forme e gli stili della preghiera biblica, che trova in Gesù il vertice e il modello.*

Il fiume gli stava davanti, giallo, profondo e devoto ai potenti argini che lo contenevano. Questo è l'inizio e questa è la fine, in mezzo il racconto di quasi due anni di guerra tra uomini e fascisti. Agguati e uccisioni, torture e percosse per carpire informazioni. La vicenda si svolge in un paese alla foce del grande fiume Po. Due uomini Anselmo e Carteno, amici da sempre che cercano con la pesca di campare la vita, si trovano a un certo punto a cercare di salvare il figlio di Anselmo così come altri ragazzi, che hanno deciso di non aderire alla Repubblica di Salò i fascisti li braccano, così come cercano quelli che si sono nascosti in valle per sfuggire ai rastrellamenti. Un uomo spietato guida i fascisti, ma non da meno sono i metodi con i quali si difendono i pescatori. È nella vita di questi uomini che la morte si affaccia e ne fa parte, come se fosse elemento naturale, infliggerla o subirla. Sono i tempi, che la scelta che ogni uomo fa, determina la sua fine o il suo futuro.

The Battlefield of the Mind Bible will help readers connect the truths of Joyce Meyer's all-time bestselling book, Battlefield of the Mind, to the Bible, and change their lives by changing their thinking. Worry, doubt, confusion, depression, anger, and feelings of condemnation. . .all these are attacks on the mind. If you struggle with negative thoughts, take heart! The Battlefield of the Mind Bible will help you win these all-important battles through clear, practical application of God's Word to your life. With notes, commentary, and previously unpublished insights by Joyce Meyer, this Bible is packed with features specifically designed for helping you deal with thousands of thoughts you have every day and focus your mind to think the way God thinks. Commento ai Salmi

A Curious Fable of the Cotton Plant. To which is Added a Sketch of the History of Cotton and the Cotton Trade

In The Spiritual Child, psychologist Lisa Miller presents the next big idea in psychology: the science and the power of spirituality. She explains the clear, scientific link between spirituality and health and shows that children who have a positive, active relationship to spirituality:
\* are 40% less likely to use and abuse substances
\* are 60% less likely to be depressed as teenagers
\* are 80% less likely to have dangerous or unprotected sex
\* have significantly more positive markers for thriving including an increased sense of meaning and purpose, and high levels of academic success. Combining cutting-edge research with broad anecdotal evidence from her work as a clinical psychologist to illustrate just how invaluable spirituality is to a child's mental and physical health, Miller translates these findings into practical advice for parents, giving them concrete ways to develop and encourage their children's—as well as their own—well-being. In this provocative, conversation-starting book, Dr. Miller presents us with a pioneering new way to think about parenting our modern youth.

In questa terza parte dello Zohar, tradotto dalla versione integrale di Jean de Pauly, si commentano gli altri tre libri del Pentateuco. Questo secondo volume comprende tutto il commentario sui Numeri (dal foglio 117a al foglio 259b).

La Sacra Bibbia di Vence

Della poesia biblica

La Sacra Bibbia secondo la Volgata [l'Antico ed il Nuovo Testamento]

*Every so often a love story captures our hearts and becomes more than just a story – it becomes an experience to treasure and to share. The Notebook is such a book. It is a celebration of a passion both ageless and timeless, a tale of laughter and tears, and makes us believe in true love all over again. At thirty-one, Noah Calhoun is rebuilding his life on the coast after the horrors of World War II, but he is haunted by images of the girl he lost more than a decade earlier. Allie Nelson is about to marry into wealth and security, but she cannot stop thinking about the boy who stole her heart years ago. And so begins an extraordinary tale of a love so strong it turns tragedy into strength and endures everything . . . 2014 marks the 10th anniversary of the film adaptation of The Notebook starring Ryan Gosling and Rachel McAdams. This new edition includes gorgeous colour photographs from the film, author Q & A, discussion questions and an exclusive chapter from The Longest Ride, the new Nicholas Sparks novel.*
