professional tennis as

can offer. Patrick
McEnroe has been in
the world of
professional tennis in
one way or another
for most of his life. As
a player, coach, and
ESPN commentator,
he's seen it all. The
significant tennis
books of recent years

File Type PDF

have all been autobiographies--famous players burnishing their image or attempting to set the record straight within carefully controlled memoirs. No one has been willing to do a book that pulls back the curtain and presents an honest, no-holds-barred look into the ultimate

File Type PDF

Ashe Vs Connors

gentleman's sport and
the larger-than-life

personalities that

inhabit it. Patrick

McEnroe does just

that. Curious to know

which marquee

player threw a

tantrum and bailed

early on a

tournament? Why

Roger Federer,

presumably the

greatest player of all

with Rafael Nadal?

Why certain tennis

prodigies burned out

early? The real role of

coaches like Nick

Bollettieri? Which

player is as much of a

diva off the court as

on? The greatest

match ever played? In

Hardcourt

Confidential, McEnroe

File Type PDF

Ashe Vs Connors

uses his twenty-five-
plus years in the

trenches of the game

to tell true tales and

wild stories about the

players you think you

know (from Sampras

to Agassi to Roddick

to the Williams

sisters), how and why

the game has

changed since he first

swung a racket, and

what the future holds

in store for American
tennis. McEnroe takes

an unapologetic look

at the men, women,

and events of the past

three decades, right

up to the epic Federer

vs. Nadal rivalry that

dominates the game

today. He's got a lot

to say and he's not

afraid to say it.

Rod Laver's memoir is

the inspiring story of

how a diminutive, left-handed, red-headed country boy from
