It was due the next day. We were out at our family cabin in Bolinas, and he was at the kitchen table close to tears, surrounded by binder paper and pencils and unopened books on birds, immobilized by the hugeness of the task ahead. happiness by thinking differently about their lives and their problems. The advice the Stoics provided centuries ago is still the best anyone has offered, and it ' s as useful today as it was then—or more. When anyone today says something really wise, the Stoics usually said it first. Today the word “ stoicism ” is often used to mean suffering without complaint, but the true ideas, and ideals, of the Stoics are far more powerful and interesting.
