

Assamese Love Letter Photo

It is 2002 and young Pablo, a city boy who has mostly lived a sheltered and privileged life in Guwahati, is visiting his ancestral village for his aunt's wedding. This is his second time in Mayong, in rural Assam, since 1998, when he had come for a few days to attend his father's best friend's funeral. As the wedding preparations gather pace, Pablo is amused as well as disturbed by squabbling aunts, dying grandmothers, cousins planning to elope for love and hysterical gossips. And on this heady theatre of tradition and modernity hovers the sinister shadow of insurgency and the army's brutal measures to quell militancy. In the days leading up to the wedding, which ends in an unspeakable tragedy, Pablo finds first love, discovers family intrigues and goes through an extraordinary rite of passage. Written with clinical precision, this gripping first novel announces the arrival of one of the most original voices from India's North-East.

An English Translation Of The Work Earlier Published In Bengali.

Reprint of the original, first published in 1867.

The neem tree, one of the most promising of all plants, may eventually benefit every person on the planet. Probably no other plant yields as many varied products or has as many exploitable by-products. Indeed, as foreseen by some scientists, this tree may usher in a new era in pest control; provide millions with inexpensive medicines; cut the rate of population growth; and perhaps even reduce erosion, deforestation, and the excessive temperature of an overheated globe. On the other hand, although the enthusiasm may be justified, it is largely founded on exploratory investigations and empirical and anecdotal evidence. The purpose of this book is to marshal the various facts about this little-known species, to help illuminate its future promise, and to speed realization of its potential.

WINNER OF THE MAN BOOKER PRIZE • NEW YORK TIMES BESTSELLER • An affluent Indian family is forever changed by one fateful day in 1969, from the author of *The Ministry of Utmost Happiness* “[*The God of Small Things*] offers such magic, mystery, and sadness that, literally, this reader turned the last page and decided to reread it. Immediately. It’s that haunting.”—USA Today
Compared favorably to the works of Faulkner and Dickens, Arundhati Roy’s modern classic is equal parts powerful family saga, forbidden love story, and piercing political drama. The seven-year-old twins Estha and Rahel see their world shaken irrevocably by the arrival of their beautiful young cousin, Sophie. It is an event that will lead to an illicit liaison and tragedies accidental and intentional, exposing “big things [that] lurk unsaid” in a country drifting dangerously toward unrest. Lush, lyrical, and unnerving, *The God of Small*

Things is an award-winning landmark that started for its author an esteemed career of fiction and political commentary that continues unabated.

A heart-swelling debut for fans of *The Silver Linings Playbook* and *The Curious Incident of the Dog in the Night-Time*. Sometimes life isn't as simple as heroes and villains. For Zelda, a twenty-one-year-old Viking enthusiast who lives with her older brother, Gert, life is best lived with some basic rules: 1. A smile means "thank you for doing something small that I liked." 2. Fist bumps and dabs = respect. 3. Strange people are not appreciated in her home. 4. Tomatoes must go in the middle of the sandwich and not get the bread wet. 5. Sometimes the most important things don't fit on lists. But when Zelda finds out that Gert has resorted to some questionable—and dangerous—methods to make enough money to keep them afloat, Zelda decides to launch her own quest. Her mission: to be legendary. It isn't long before Zelda finds herself in a battle that tests the reach of her heroism, her love for her brother, and the depth of her Viking strength. When *We Were Vikings* is an uplifting debut about an unlikely heroine whose journey will leave you wanting to embark on a quest of your own, because after all... We are all legends of our own making.

Mother Earth writes a letter telling people about herself and asking them to take care of her for themselves and for all living creatures.

Dear Parents, The language is a basic characteristic which constitutes one's own representation of who you are. Some children may feel that using English as a common language, it won't matter whether they learn ASSAMESE or not. It happens that your child might just stop speaking assamese leading to identity change. Since a child's assamese language skills are lacking, they will not be able to interact well in assamese as they do in English. How can parents support their child's learning process? Here the solution is! This book enables your kids to practice and learn letters, words in an interesting way. Content of the book: For each letter there will be two pages ★1st page has an outline of an assamese vowel letter with the image that starting with that letter, name in assamese, English with the phonics of assamese name and image. The children can color the letter and images that are allocated for each number. ★2nd page is for practicing the letter. ★This book has similar setup for all the vowels. ★Last 4-5 pages contains all vowels in single paper with space for further practice. That looks like a great start right!!! Hope your kids will learn something useful in the meantime. Let us gift meaningful book as a gift to our kids. If you loved the book, we request you to take a moment to review it?. It helps in further progression for our future works.

Thanks for your support. Team SECOND TEACHER

Translated from original Marathi by Indira Kher, this work is a verse composition containing the known facts about Shri Sai Baba's life at Shirdi, and also his teachings seeks to meet a long-felt need. This is the Bible of Sai devotees in every sense of the term, In its veracity, sanctity, faith and devotion that it inspires and the deep satisfaction, a sense of fulfilment that it brings to the devotee, it has no equal. Its sanctity derives from the fact that its idea was conceived during Baba's lifetime and with his blessings and express permission. For those unaware of Shri Sai Satcharita it is necessary to add that in the original it runs into 53 chapters and contains over 9,000 verses. Every chapter has a judicious mixture of philosophy, stories and anecdotes along with the Baba's teachings.

'I am reduced to a thing that wants Virginia. I composed a beautiful letter to you in the sleepless nightmare hours of the night, and it has all gone. I just miss you...' At a dinner party in 1922, Virginia Woolf met the renowned author, aristocrat - and sapphist - Vita Sackville-West. Virginia wrote in her diary that she didn't think much of Vita's conversation, but she did think very highly of her legs. It was to be the start of almost twenty years of flirtation, friendship, and literary collaboration. Their correspondence ended only with Virginia's death in 1941. Intimate and playful, these selected letters and diary entries allow us to hear these women's constantly changing feelings for each other in their own words. Eavesdrop on the affair that inspired Virginia to write her most fantastical novel, Orlando, and discover a relationship that - even a hundred years later - feels radical and relatable. Explore the bold flavors, regional dishes, and stunning scenery of India with Chopped judge and James Beard Award-winning chef Maneet Chauhan. "A sumptuous whistle-stop tour of India's diverse food ways. Maneet has penned a love letter to the best of Indian food."--Padma Lakshmi, host and executive producer of Top Chef and Taste the Nation In Chaat, Maneet Chauhan explores India's most iconic, delicious, and fun-to-eat foods coming from and inspired by her discoveries during an epic cross-country railway journey that brought her to local markets, street vendors, and the homes of family and friends. From simple roasted sweet potatoes with star fruit, lemon, and spices to a fragrant layered chicken biryani rice casserole, and the flakiest onion and egg stuffed flatbreads, these recipes are varied, colorful, and expressive. Maneet weaves in personal stories and remembrances as well as historical and cultural

notes as she winds her way from North to South and East to West, sharing recipes like Goan Fried Shrimp Turnovers, Chicken Momo Dumplings from Guwahati in Assam, Hyderabad's Spicy Pineapple Chaat, and Warm-Spiced Carrot and Semolina Pudding from Amristar. With breathtaking photography and delectable recipes, Chaat is a celebration of the diversity of India's food and people.

While the nation was celebrating Independence from British Rule and singing all praises for the 'Father of The Nation' - Mahatma Gandhi, the news of his assassination came as a shock. He was shot in the chest three times while he was walking towards the prayer grounds at the Birla House, New Delhi. The man behind the assassination - Nathuram Godse was a well known nationalist. He was arrested at the crime scene and sentenced to death after a year long trial. The book contains the final speech given by Godse in the court, mentioning the reason behind the drastic step he took.

Raghu Nath Choudhury

Nalinibala Devi

A Tree for Solving Global Problems

'I was seventeen when I fell in love with Bhupen Hazarika. A man older than my father.' We all know Bhupen Hazarika as a singer-composer, poet and lyricist non-pariel. What about the man behind the legend? Told through the lens of Kalpana Lajmi, Bhupen Hazarika: As I knew Him is a free-flowing memoir, moving back and forth across time, defying description, much like the love story it narrates. It is the story of a unique bond, of the coming together of two talented artistes, of a man who used his art as an instrument of social change, who was charismatic and passionate, and a woman, a fierce feminist, who has never cared much about societal norms, and yet who could never turn away from him despite his mercurial ways, his unreasonable tantrums and his unwillingness to recognize her as a companion. On the life and works of Nalinibala Devi, 1898-1977, Assamese poetess.

The Social Contract, originally published as On the Social Contract; or, Principles of Political Rights by Jean-Jacques Rousseau, is a 1762 book in which Rousseau theorized about the best way to establish a political community in the face of the problems of commercial society, which he had already identified in his Discourse on Inequality (1754). The Social Contract helped inspire political reforms or revolutions in Europe, especially in France. The Social Contract argued against the idea that monarchs were divinely empowered to legislate. Rousseau asserts that only the people, who are sovereign, have that all-powerful right.

"A deeply beautiful book, with the fierce galloping pace of a great novel."—Liz Rosenberg Boston Globe

Informed by the death of a beloved brother, here are the stories of childhood, its thicket of sex and sorrow and joy, boys and girls growing into men and women, stories of a brother who in his dying could teach how to be most alive. What the Living Do reflects "a new form of confessional poetry, one shared to some degree by other women poets such as Sharon Olds and Jane Kenyon. Unlike the earlier confessional poetry of Plath, Lowell, Sexton et al., Howe's writing is not so much a moan or a shriek as a song. It is a genuinely feminine form . . . a poetry of intimacy, witness, honesty, and relation" (Boston Globe).

I Know Why the Caged Bird Sings

As I Knew Him

Chaat

A Natural History of the Sonoran Desert

The Book Traces The History And Character Of Mutual Trade Relations Between Assam And Bhutan Since The Centuries Long Ahom Rule. It Reveals That After 1865, During The Colonial Rule, Assam'S Local Industry And Crafts Suffered Due To Unhealthy Practices Of British Companies To Promote Their Foreign Made Goods. ;;It Discusses The Strategic Importance Of The Several Duars The Only Gateways, Travel, Trade, Social And Political Relations And The Socioeconomic Impact. ;;The Book May Be A Useful For All Having Interest In The Subject. ;;;

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. I Know Why the Caged Bird Sings captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, I Know Why the Caged Bird Sings will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.

Study on the life and works of Raghu Nath Choudhury, 1878-1967, Assamese author. "Spring on the Sonoran Desert can be a four-month-long spectacle of life and color. Within these well-written pages, Alcock exposes us to the plant and animal life of a land many regard as desolate. To Alcock, the desert has a constant evolutionary beauty he never seems to tire of. Alcock's approach to his subject is an elegant combination of science and literature. Only the desert itself, arrayed in its April apparel, can rival the beauty of this book." ÑArizona Highways "Deserts are not as bereft of life as they seem; their barren landscapes can support a remarkable variety of plant and animal life, though it may require a patient and skilled naturalist to reveal its mysteries. John Alcock is just such a naturalist. . . . Alcock provides delightful insights into how insects provision their developing young, how parasites find their victims and how flowers

attract pollinators. A book of this kind allows its author, more accustomed to the rigours and constraints of writing academic papers and books, to relate revealing anecdotes and simply to express their fascination for natural history. . . . Books such as this serve a vital function in bringing the mysteries of the desert to the attention of a wider public."
