common weaknesses that lecturers highlight when they write comments such as:  
‘You have not answered the question’ ‘Your work is more descriptive than critical’ ‘You did not tell me anything new’ ‘Your English is weak; it was difficult to follow your arguments’  
And by understanding what tutors are looking

for in essays, students can quickly learn how to improve their assignment structures, the language they use, and their referencing skills in order to raise their grades. There is also a vital section on how to be more creative in assignments as well as a chapter on where to go for more help. This is an essential companion

for all students who are  
not sure how to address  
the assignment feedback  
raised by their lecturer.

It is also key reading for  
those who give feedback  
to students.
