

Assimil Vietnamien Sans Peine

Tips on how to study Norwegian and the rudiments of pronunciation provide learners with the basic tools for self-instruction. Each of the 13 lessons is designed with the novice language learner in mind, and moves from day-to-day dialogue to a comprehensive breakdown of the grammatical elements contained in the previous dialogue. Important cultural notes give a context to the user, while exercises reinforce newly acquired concepts and terminology at the end of each chapter. The appendix contains a full glossary, commonly heard Norwegian expressions, and a key to the exercises. Includes 2 companion CDs.

A French-speaking American discovers the soul of France on foot through an extensive network of long-distance walking trails crisscrossing the country.

This book explores literary representations of cultural hybridity spanning nearly half a century, a period marked by major shifts in Franco-Vietnamese relations. How can identity be thought and represented outside of the oppositional categories that divide cultures, histories, languages and races? Can the intercultural subject be understood as more than a site of cultural contestation, as anything other than a confrontation between incompatible binary opposites? This book offers compelling responses to these questions through a series of close readings of francophone novels written by Vietnamese authors during and just after the colonial period. While many contemporary studies of cultural hybridity tend to privilege the postmodern, deconstructive play of postcolonial identities, Disorientation seeks to uncover what is often obscured in such celebratory analyses: the rigid and potentially traumatic conditions under which colonized subjects experienced the tensions and contradictions of intercultural identity. The close readings that form the core of the book are inflected by cultural and historical considerations, and informed by a range of primary documents that includes training manuals for colonial administrators, works of imperialist propaganda, tourist guidebooks and travel writing, and textbooks from Franco-Vietnamese schools. These contextualized analyses recast the problem of interculturality in an Asian francophone context, expanding the historical and cultural fields within which questions of identity and difference are currently discussed and offering a striking perspective from which to question postcolonial theories of hybridity.

On the Trail in France

How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World

The Bilingual Reform

Russian Without Toil

The practical manual clearly describes how to build your learning, how to develop your memory, why you forget how to develop your language skills to automatism, how to create a language environment for yourself, what a cultural shock is, and how to overcome it. As well as many other topical issues that people face when learning a language. Each person throughout his or her life has to deal with different cultures and languages one way or another. Knowledge of language greatly facilitates the interaction of a person with another type of culture, improves social status, provides career growth, provides great opportunities for self-expression and dissemination of ideas, opens up prospects for modern education, improves financial situation, contributes to the achievement of your goals and objectives. However, in the process of learning many people necessarily face difficulties, which they lack experience and necessary knowledge to overcome. This practical manual will become a desktop assistant for a large audience: for those who want to or are already learning a foreign language, do it alone or with a teacher, individually, in a group or educational institution (school, college, university, academy). The workshop will help to structure and organize your individual language learning process and will give you the opportunity to independently determine the methodology of learning a language that will be interesting and not burdensome. The title of the manual reflects its content: current issues and possible solutions. The material is presented in a concise and concrete manner. The methods presented in the book can be immediately applied in language practice. Each person can choose the method that is interesting and most adapted to him or her, as well as suitable to his or her pace and lifestyle, so that language learning becomes a natural and exciting process.

Copublished with the Institute of International Visual Arts, London This anthology, edited by Cuban art historian and critic Gerardo Mosquera, offers a wide selection of writings by some of the most important cultural theoreticians of contemporary Latin America. Together they comprise a distinctive corpus of new theoretical discourses, critical of modernity and solidly and pragmatically anti-utopian. The collection balances traditional and popular aesthetic-symbolic production as well as Afro- and Indo-American presences in the visual arts, and covers the whole of the Americans, including the Caribbean and the United States. Contributors: Monica Amor. Pierre E. Bocquet. Gustavo Buntinx. Luis Camnitzer. Nestor Garcia Canclini. Ticio Escobar. Andrea Giunta. Guillermo Gomez-Pena. Paulo Herkenhoff. Mirko Lauer. Celeste Olalquiaga. Gabriel Peluffo Linari. Carolina Ponce de Leon Mari Carmen Ramirez. Nelly Richard. Tomas Ybarra-Frausto. George Yudice.

Revenge of the Bully

Fluent in 3 Months

Karen, Sally and Alex are three teenagers who take a camping trop at Yellowstone National Park during a wolf alert. Two of the park's wolves are missing and the three teens decide to look for them. Their trip becomes an exciting, yet dangerous adventure when they meet a hungry grizzly bear, an angry mountain lion and a herd of bison that destroy their tent. Will they ever solve the mystery of the missing wolves?

Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in the world, Fluent In 3 Months. Lewis is a full-time "language hacker," someone who devotes all of his time to finding better, faster, and more efficient ways to learn languages. Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World is a new blueprint for fast language learning. Lewis argues that you don't need a great memory or "the language gene" to learn a language quickly, and debunks a number of long-held beliefs, such as adults not being as good of language learners as children.

100 dynamic and humorous lessons to learn German. With this method, only five months, you will be able to express yourself and talk in German. The recordings, made as always by professionals at a gradual pace, will help you feel perfectly comfortable with the language of Goethe

Recorded by native speakers, the audio material features the dialogues and texts from the book and will help develop your listening and pronunciation skills.

Si la richesse d'une nation s'apprécie par sa diversité ethnique, alors le Vietnam est sans doute un des pays les plus riches de l'Asie du Sud-Est. L'histoire de ce peuple mosaïque, qui s'étend sur quatre mille ans riches en pages d'héroïsme, est émaillée de contes, de légendes ou de mythes, reflets d'idéologies ou de fantômes alliant l'ordinaire à l'extraordinaire. Les Viêt-Namais représentent l'ethnie majoritaire du Vietnam qui en compte officiellement cinquante-quatre. Cet ouvrage présente des récits populaires de l'ancienne société mandarinale. Ils nous entraînent à travers son histoire en nous dépeignant des acteurs historiques ou fonctionnels, des religions et des croyances populaires, des coutumes, des mœurs ou encore les origines de la culture vietnamienne.

Book & mp3 CD. Pour vous aider à passer d'un anglais "appris" à l'aisance d'une langue pratiquée, cet ouvrage vous familiarisera avec le vocabulaire économique, politique, informatique... Vous y découvrirez également la littérature anglaise contemporaine, ainsi qu'une sérieuse approche de l'américain et des américanismes.

Le vietnamien est parlé par plus de 70 millions personnes résidant au Viêt-nam et dans de nombreuses communautés à l'étranger. Parler vietnamien vous donnera accès à toute une culture et vous permettra, si vous visitez le pays, d'arriver à un degré d'échanges bien plus intéressant qu'en ne parlant que français ou anglais. Le vietnamien sans peine vous propose de réussir l'apprentissage de cette langue réputée difficile en raison de sa prononciation, mais facile par la simplicité de son vocabulaire et de sa syntaxe. Vous y trouverez en outre de nombreux renseignements concernant la civilisation vietnamienne, depuis l'histoire jusqu'aux petits détails de la vie quotidienne. Avec le principe Assimil de l'assimilation intuitive, votre apprentissage se fait en deux phases : * la phase passive, où il vous suffit de répéter et de comprendre. * la phase active, où, tout en continuant à progresser, vous commencez à former vos propres phrases et pouvez contrôler vos acquis en permanence. A la fin de votre étude, vous aurez atteint, naturellement et sans trop d'effort, un niveau de conversation courante

dans un vietnamien vivant et utile, tel qu'on le parle aujourd'hui. Les enregistrements (cassettes ou CD) de l'ensemble des leçons et des exercices peuvent être obtenus séparément. Réalisés par des locuteurs professionnels, ils sont une aide précieuse pour votre étude.

La liste exhaustive des ouvrages disponibles publiés en langue française dans le monde. La liste des éditeurs et la liste des collections de langue française.

Now in its second edition, The Routledge Dictionary of Cultural References in Modern French reveals the hidden cultural dimension of contemporary French, as used in the press, going beyond the limited and purely lexical approach of traditional bilingual dictionaries. Even foreign learners of French who possess a good level of French often have difficulty in fully understanding French articles, not because of any linguistic shortcomings on their part but because of their inadequate knowledge of the cultural references. This cultural dictionary of French provides the reader with clear and concise explanations of the crucial cultural dimension behind the most frequently used words and phrases found in the contemporary French press. This vital background information, gathered here in this innovative and entertaining dictionary, will allow readers to go beyond a superficial understanding of the French press and the French language in general to see the hidden yet implied cultural significance that is so transparent to the native speaker. This fully revised second edition includes: a broad range of cultural references from the historical and literary to the popular and classical; an enhanced analysis of punning mechanisms used in the press; over 3,000 cultural references explained with updated examples; a three-level indicator of frequency; new and expanded chapters on the French of Quebec, institutional and academic references, and English borrowings in the areas of IT and medical science; over 600 online questions to test knowledge before and after reading. The Routledge Dictionary of Cultural References in Modern French is the ideal reference for all undergraduate and postgraduate students of French seeking to enhance their understanding of the French language. It will also be of interest to teachers, translators and Francophiles alike. French students in khâgne, Sciences-Po and schools of journalism will also find this book valuable and relevant for their studies. Test questions and solutions are available at www.routledge.com/9780367376758, in addition to three online chapters. These bonus chapters explore figurative expressions involving the names of animals, the language of the law and slang terms.
