The athletes of the ancient world assemble in Athens for the Olympic Games. Asterix and the Gauls enter too, but they're due for a setback. As an artificial stimulant, magic potion is banned. Can our friends win at the Games without it? And what's the special ingredient of the other potion, the one in the cauldron in the shed with the door that doesn't close properly?

It all starts in a school playground, and then it moves to a classroom, where Larcenet's superb graphic camera zooms in on two ten-year-old kids: Gildas and Martina. As far as they're concerned, their entire world is made up of false appearances, and they're soon to be the victims of a huge intergalactic plot! You read, you smile, you
