

Astrology A Cosmic Science The Classic Work On Spiritual Astrology

Astrology Yoga: Cosmic Cycles of Transformation is the first comprehensive book on the practice of Yoga using the ancient science of Vedic Astrology, or Jyotish. Written for yoga practitioners with a limited knowledge of astrology, Astrology Yoga explains the dynamic relationship between these two ancient Vedic sciences. You will learn about your **your Sun sign and Moon sign**, the specific karmic issues in your life, the most appropriate yoga practices based on your birth date, and the most beneficial times to do your yoga practices. Astrology and Yoga are explained in connection with the chakras, the nadis (energy channels), the koshas (levels of existence), and **Patanjali's Eight Limbs of Yoga**. The major yoga practices of asanas, pranayamas, mudras, mantras and meditations are correlated with your astrological makeup so you can discover which techniques are best for you. Mehtab Benton is a life-long practitioner and teacher of Yoga and a certified Vedic astrologer. He has trained hundreds of yoga teachers and given astrological readings to spiritual seekers worldwide. He is the author of Gong Yoga: Healing and Enlightenment through Sound. **Don't wait for the stars to align—find the perfect drink for your astrological sign with the Mixology of Astrology**, by Allure magazine's go-to astrologer, Aliza Kelly Faragher. True love is just one martini away...if you're a Leo, that is. Meet your perfect (cocktail) match with Mixology of Astrology. No matter your sign, here you'll find the best drinks for every occasion. Demystify both the stars and the drink menu with these simple guidelines. Try a French 75 for balanced Libra, suggest something adventurous for carefree Sagittarius, or stick to a classic with an Old Fashioned for Capricorn. When your friends wonder how you always know their perfect drink, you can just tell them it was written in the stars...

Presenting a new formulation of traditional astrology that emphasizes its use as a therapeutic tool for self-understanding, and includes excerpts from interviews with the author.

Being able to forecast your future gives you a remarkable edge. Whether it's taking advantage of approaching opportunities or preparing for challenges that are heading your way, predictive astrology helps you maximize your innate potential—and make choices that will lead to a more satisfying life. The perfect companion to Llewellyn's Complete Book of Astrology, popular astrologer Kris Brandt Riske lends her signature easy-to-understand style to this definitive guide to predictive astrology. Step by step, she lays out clear instructions for performing each major predictive technique, including solar arcs, progressions, transits, lunar cycles, and planetary returns. She also provides a basic introduction to horary astrology, the method used to obtain answers to specific questions. Discover how to read all elements of a predictive chart and pinpoint when changes in your career, relationships, finances, and other important areas of life are on the horizon. To make learning even easier, this astrology book includes examples that illustrate major events in the lives of the author's clients as well as celebrities such as Marilyn Monroe, Jimmy Carter, Martha Stewart, and Pamela Anderson.

Phoebe Weiss, an experienced astrologer, here examines all aspects of astrology in the light of the emerging worldview known as archetypal cosmology. She sets out by exploring the classical roots of astrology in sources of wisdom found in the ancient Egyptian mysteries. She then follows the tradition to modern times through C.G. Jung's ideas on the nature of the psyche. She also discovers that the claims of astrology are entirely compatible with new cosmological thinking as envisioned by post-modern physics and chaos theory. In the second part of the book, she proposes that the mathematical basis of astrology and the components of astrological charts are both archetypal and cosmic in scope. She argues that the twelve astrological archetypes make up a single 'cosmic mind', whose patterns are imprinted on all our individual minds. Finally, she exemplifies this radical approach to astrology through an interpretation of the chart of William Blake.

1969 If a man die, shall he live again? is reincarnation a fact? the sublime truths of the Universe, the Mysteries of Nature, of Man; the Grand cycle of Creation; Conscious & subconscious Mind; Intuition; Immortality; dormant Organs; the Mysteri.

"This compelling book pours a clear light into the concealed reasons why certain events appear in our lives and the world at large. Exploring the ancient principles of Kabbalistic Astrology reveals that each of us is born into an astrological environment best suited for the completion of the corrections that we must make in our lives."--Publisher description.

Isabel Hickey's classic, comprehensive "textbook" of spiritual astrology is now once again available in a new edition with a Foreword by internationally renowned author of eight popular books on modern astrology, Stephen Arroyo. This handy reference book provides a strong foundation for the beginner as well as new insights and self-knowledge for more advanced astrology students. Isabel Hickey's inspirational approach has been extraordinarily popular for years, and her emphasis on the deeper, more metaphysical aspects of astrology's mysteries has resulted in continuous word-of-mouth recommendation by enthused readers—resulting in sales now topping 150,000 copies.

A world-renowned astrologer reveals the path to successful relationships. . . . In this powerful guide, astrology expert Jan Spiller shows you how the practical science of astrology can lead to real-life results in the realm of intimate relationships. Moving beyond the commonly known sun-sign profiles, Spiller delves into the meanings and mysteries of your personal North Node—the vital point where the orbits of the earth, moon, and sun intersect—to help you bring love into your life. For more than thirty years, she has studied how the effects of the Nodes of the Moon help us steer our life force in positive ways, accept the possibilities the universe has placed in our path, and stop sabotaging relationships. By locating the position of your North Node, which can be found in the chart provided, and the house in which it falls in an important relationship, Spiller helps you discover the astrological, psychological, and spiritual tools to: • Learn the secrets to open up intimacy and enjoy satisfying, lifelong romance • Move beyond old hurts that can tear a relationship apart • Allow others to be themselves—and not try to change them • Experiment with new ways of interacting in important relationships • Discover what gifts your partner brings to you—and what gifts you bring to your partner • Navigate the energy of pastlife connections

Stars and planets have always fascinated us. The sturdy majesty of these cosmic bodies have had a captivating effect on humans from ancient times. Astrology involves the forecasting of mundane events in one's life through analysing planets, fixed stars and their arbitrary combinations called constellation. Astrology uses a set of rules about the relative positions and movements of heavenly bodies to generate predictions and explanations for events and human personality traits. We can understand the unambiguous truth of how Astrology embodies a sense that life on Earth is affected by events in the wider universe, and how it offers hope of making sense of a bewilderingly complicated cosmos, and reassures us that we are a part of its grand design. The motivation behind this book is to establish a comprehensive, concise yet dynamic guide that can help anyone learn this science.

Tapping into the political power of magic and astrology for social, community, and personal transformation. In a cross-cultural approach to understanding astrology as a magical language, Alice Sparkly Kat unmarks the political power of astrology, showing how it can be channeled as a force for collective healing and liberation. Too often, magic and astrology are divorced from their potency and cultural contexts: co-opted by neoliberalism, used as a force of oppression, or distilled beyond recognition into applications that belie their individual and collective power. By looking at the symbolic and etymological histories of the sun, moon, Saturn, Venus, Mercury, Mars, and Jupiter, we can trace and understand the politics of magic—and challenge our own practices, interrogate our truths, and reshape our institutions to build better frameworks for communities of care. Fearless, radical, and fresh, Sparkly Kat's Postcolonial Astrology ushers in a new wave of astrology revival, refusing to apologize for its magicism and connecting its power to the spirituality and politics we need now. Intersectional, inclusive, and geared towards queer and POC communities, it uses our historical and collective constructs of the planets, sun, and moon to re-chart our subconscious history, redefining the body in the world, and assert our politics of the personal, in astrology and all things.

In this breakthrough book, Stephen Arroyo discusses the two subjects that people most often want to understand through astrology: Relationship Compatibility and the Cycles that Shape Our Lives. The spontaneous quality of this book makes it especially informative and valuable, since it includes numerous insights and observations not found in more conventional presentations. As many reviewers have observed, the sections on precisely how to compare charts to analyze relationships and how to use the houses in such comparisons are completely unique and original contributions to the field of astrological psychology.

Isabel Hickey, known as "Boston's Spiritual Sparkplug," began her journey in the 1930's and became a gifted Astrologer, healer, author and Western mystic, combining occult wisdom, a devotional heart and deep understanding of the Bible, in a quest to awaken consciousness. IT IS ALL RIGHT is a balm for weary souls who want to understand life's enigmas and apply the wisdom of Eastern mysticism to Western culture. In it, she explains how to protect yourself if dealing with psychic forces, to align with your bright Higher Self, transmute negativity, and gain inner peace and energy. Her teachings help seekers evolve beyond the world of appearance through the power of positive prayer, creative visualization and much more. Isabel, "Issie" to many, was praised by thought leaders, including Elizabeth Kubler-Ross, and the in the book "Meetings With Remarkable Men and Women." Just as special was praise by readers from around the world who wrote about IS ALL RIGHT: "It carries a healing force within its pages." M.G., New York, USA"It's so inspiring; I was depressed, and it helped lift the cloud." H.J. from Sussex, England"I found such love and beauty within the pages, after years of unhappiness. I found the spiritual path ... or it found me. M.H., from Ontario, Canada"The only thing that made sense of all this pain was the words in it IS ALL RIGHT." P.H., Fort Worth, Texas, USAThis republication was lovingly prepared by her protegee, Amy Shapiro, of Gloucester, MA, who co-authored "Never Mind" with Isabel and Jay Hickey, as well as "Your Cosmic Blueprint: A Seeker's Guide" report, based on Isabel's classic text, "Astrology: A Cosmic Science" with Helen Hickey. This edition is also thanks to the support of Isabel's grandson Donald and his beloved wife June. To learn more, visit NewAge5ages.comMay your journey begin!

A modern classic and international bestseller that revolutionized modern understanding of astrology, this book is truly a pioneering work that established a new science of astrological psychology. It clearly presents a language of energy that enables astrology to be reliably used by those in the helping professions as well as by the general public. As Library Journal stated, "Transcending the boundaries of separate disciplines, this work represents a major distillation of astrological principles."

Isabel Hickey taught that we can heal the Earth with loving, right relations: "We cannot relate to one another on a head to head basis; only heart to heart. Never Mind! We say it all the time and never hear what it is saying."At last, Isabel Hickey's long-awaited autobiography, held posthumously for over 30 years, is filled with personal stories of her youth, family and the forces that guided her to become an astrologer, healer as "Boston's Spiritual Sparkplug". In her last book, Never Mind, she discusses psychic realms, spiritual adventures, Earth-bounds, reincarnation and much more. Memoirs by her grandson, Jay Hickey, and protegee of many years, Amy Shapiro, add rich texture to this loving portrait of a great teacher, and self-realized being.

This book attempts to bridge the gap between traditional Vaastushastra and modern architecture. The cosmic effects of a wrong vaastu and the remedial approaches are discussed at length. Virtues of directions, analysis of the five great elements, two stream theory, Ind flying stars and the relation between Nature and Individual are also discussed in detail. This book covers all the concepts, theories and correlations of various disciplines like astrology, yogshastra, modern architecture and traditional vaastushastra and will be helpful for those who want to learn Vaastushastra.

Lavishly illustrated and with an updated design, this new edition is an indispensable sourcebook for unlocking the mysteries of the cosmos through the twenty-first century and beyond.

Astrology has been found in civilizations worldwide and throughout history. It has greatly influenced the philosophy, religion, art, and magic of Western culture and has inspired countless decisions and guided people in their daily lives. Traditional Western astrology differs from your typical daily Sun-sign horoscopes. While it still follows the course of the Zodiac through the Heavens, it grounds itself in the seven classical planets-great celestial spheres that the ancients gazed upon for guidance and wisdom. Traditional astrology is a holistic framework that melds the influence of the stars with your experience here on Earth to help you understand the Cosmos, your place within it, and the power to transform your fate. With it, you can integrate the entire vision of the Heavens into your magical and divinary practices, for traditional Astrology is the cosmic playing field upon which both magic and divination intertwine. The power of astrology is a path for humans to understand the sacred. You aren't just naming stars. You are naming and discovering gods. You are seeking angels. You are seeing reflections of your own experience, your hopes and fears. By working with the systems of astrology and its magic,

you can connect to the infinite chain of divinity in creation and find within your own microcosmic soul that golden light that tethers you to the macrocosmic soul of the All!

This widely praised and internationally acclaimed classic on the spiritual aspects of astrology, a continual best-seller since publication, has now been translated into more than 20 languages, including Chinese, Turkish, Russian, Serbian, & Romanian. It has been enthusiastically reviewed by Library Journal, Isabel Hickey, CAO Times, and dozens of others. Often ranked as "my favorite astrology book" in surveys, it is now, as it has always been, a profound book far ahead of its time that speaks to readers personally in a life-changing way.

Using a new language of energy based on the ancient "four elements" and in harmony with that used by the more advanced healing arts, renowned author Stephen Arroyo here explores how astrology as a language of energy can be astoundingly accurate and useful in illuminating individuals' energy exchange in all close relationships. The preface, author's note, introduction, and early chapters of Person-to-Person Astrology lay the groundwork for serious consideration of astrology as a significant discipline. The following chapters detail the influence of the four elements—Fire, Earth, Water, Air—on the 12 signs, with a particular emphasis on the rising sign (Ascendant). The author shows readers how to experiment by comparing birth charts, and explains, through detailed descriptions, people's psychological motivations and needs based on the positions of their Moon, Venus, and Mars. Appendices include astrological definitions, keywords, and sign tables that allow readers quick access to the basics. Written in the author's trademark clear, accessible style, Person-to-Person Astrology presents a new approach to finding fulfillment in any kind of relationship.

A comprehensive guide to the cosmic influences that underlie health and how to apply them for profound health and healing • Examines how ancient and modern traditions of healing interconnect through the doctrine of signatures. "As above, so below" • Reveals how one's astrological chart has implications for personal health and healing • Explains how each sign of the zodiac corresponds not only to parts of the body and its chakras but also to specific plants, herbs, colors, and emotions • Explores how to use sound healing to harmonize astrological imbalances When we look at the vast and intricate cosmos—galaxies, planets, organisms, organs, cells, molecules, atoms—there is a fundamental order, a music or harmony of the spheres. Our cells reflect the images of galaxies seen through our telescopes. We are the microcosm, reflecting the macrocosm of the heavens. Our ancestors understood these patterns and connections between humanity and the universe and developed spiritual and healing traditions in line with these cosmic truths. Yet in the 19th century, knowledge of these connections was set aside as medical science sought to create the "one size fits all" approaches to healing that dominate modern medicine today. In this comprehensive exploration of the celestial influences that underlie health and healing, Jennifer Gehl, with Marc Micozzi, examines how ancient and modern traditions of healing interconnect through the doctrine of signatures. "As above, so below." She reveals how one's celestial nature—the arrangement of the cosmos at the moment of birth—has implications for personal health and how each sign of the zodiac corresponds to parts of the body, the chakras, and specific plants, herbs, colors, and emotions. She explains how sound re-arranges forms according to the principles of harmony, leveraging not only the human self-regulating capacity to restore health but also that of the Earth to restore balance and harmony.

Also explored are the recurrence of geometric forms in nature and how to apply this knowledge in sound healing and medical astrology. Weaving together the threads of ancient science and spirit that formed the original tapestry of medicine, Gehl explains how to restore the cosmic foundations of healing for personal, planetary, and universal health and wellbeing.

In Astrology: Understanding the Birth Chart, Kevin Burk takes you step-by-step from the core basics to the finer complexities of chart interpretation while avoiding sidetracks into obscure techniques and fuzzy thinking. As a teacher, Burk also understands that a real grasp of the subject entails more than just learning the techniques—it also involves grasping the underlying principles that make those techniques valid. Astrology: Understanding the Birth Chart is designed to be useful to all students of astrology, from beginners to more advanced practitioners, and will help you develop an integrated, synthesized approach to understanding the birth chart. You will discover how classical astrology can enrich your understanding of the planets, signs, and houses. You will explore the meaning of the Lunar Nodes, eclipses, the angles, retrograde planets, and aspect patterns. You will also learn how to identify key themes in the chart, and how to relate the different aspects and elements together to gain a holistic understanding of the birth chart-and of the individual. An up-to-date listing of astrological organizations and software programs is included that offers a wealth of resources for any astrologer. In short, this is a well-designed course that provides a solid foundation for anyone who is interested in practicing astrology quickly and with confidence. While many books at this level simply give you a set of techniques and ready-made interpretations, this book will give you a deeper grasp of an art and science that has its expression in the world around us, but its roots in the invisible world of primal origins.
