

Astrology Transformation Empowerment

This offering is designed for people with little or no knowledge of astrology, who would like to be able to understand and interpret their own birth charts, and perhaps those of their loved ones. It is a simple but complete guide to basic chart interpretation, including Sun, Moon, planets, Chiron and the four major asteroids. The approach is holistic, with an emphasis on harmonics. The technical aspects of chart creation and analysis are avoided. If you decide to study the subject in depth, you will most likely want to learn chart calculation and other tools of astrological application which are not covered here. This is a beginning place, and if studied and applied will provide a good grasp of your chart and a foundation for deeper study. For more information, please visit: www.wizzards.net/magyan

shares the secrets, previously known only to professionals, that hold the key to your future. Astrologer Jan Spiller shows you the key to discovering your hidden talents, your deepest desires, and the ways you can avoid negative influences that may distract you from achieving your true life purpose, as revealed in your chart by the position of the North Node of the Moon. With insight and depth impossible to gain from the commonly known sun-sign profiles, the enlightening self-portrait offered by the Nodes of the Moon can explain the life lessons you came here to learn and how to achieve the fulfillment and peace you desire. Jan Spiller shows you how to locate the all-important North Node of the Moon in your astrological chart and provides a detailed interpretation of its influence and exclusive exercises to help you learn about:

- The SPECIAL TALENT that is waiting for you, a unique gift that could easily be turned into professional success
- The SELF-DEFEATING TENDENCIES in your personality that can hold you back and sabotage relationships
- The LOVE PARTNER who can be your soul mate—and the partner whose hold over you can lead to heartbreak
- The TRAP or temptation from a past life that can lead to disaster if you are not forewarned
- The HEALING AFFIRMATIONS designed to help you release your positive energy and strengthen the qualities that can bring you true happiness

a guide which enables new insight and knowledge through the intertwining of physical and psychic worlds. I was reminded of "As Above, So Below" as I read over her pages, and the harmonious connections these two realms of thought create when they come together to bring illumination into our lives. "The expansion of consciousness naturally begins to weave the different elements of the physical, emotional, mental, and spiritual realms into the tapestry we call reality. As teachers and healers, we can all remember these connections, and the more we do, the more we can assist ourselves and others toward healing and awareness. The Astrology of Herbs and Tarot is the perfect, quick reference guide to have on hand while counseling or consulting or preparing your special remedies. The profound, yet clear and easy to read correlations, can help anyone and everyone make new connections between aspects of life to help heal and awaken our planet." - Kaypacha

The information contained within this handbook is intended to give practitioners and those interested in the healing arts, a convenient reference to elaborate upon one's own intuitive understanding, while highlighting important connections. This handbook does not go in depth about how to create specific herbal formulas, prepare natal birth charts, or do tarot spreads for readings. Rather, it is a reference guide to expand awareness about understanding some of the correspondences between these practices. Part 12 is arranged for quick reference by planet... This work inspires a movement of herbalists, astrologers, gardeners, tarot card readers, lightworkers, energy healers, practitioners of metaphysics, and other medicine people to expand in awareness of the more spiritual realms and to have a more engaged role in identifying and healing one's self and assisting others in doing the same. Whether you are diving into your self-healing journey, going through a personal transformation, or helping others discover their potential within, this handbook will be helpful to you. of the Aquarian Age: Revolution, Evolution, Unity, Friendship, Transparency, Magic, Comedy, Abundance, Electricity, Brilliance, and Freedom. Furst describes what life can be like in an Aquarian age: an economy based on abundance rather than scarcity, and a spirituality that celebrates union, friendship, and love. The book is, above all, a practical guide for those who see that the better we understand the opportunities and challenges of our time, and the better we know which way the wave of change is breaking, the better a chance we'll have of getting ourselves and our families safely ashore.

A recognized astrologer offers an innovative way of looking at astrology from a psychological perspective, providing tools for self-empowerment and self-improvement, with step-by-step guidance on how to get a chart. Original.

Bernie Ashman explains the complex language of astrology in a very user-friendly way allowing you, the reader, to have an enjoyable journey throughout the book. He shows how the 12 astrological signs have deep empowering psychological roots. The book is organized in an innovative way to let you quickly view the planets, signs and houses as a magical inner ecosystem. Each of us is looking for new insights to enjoy our daily lives. You will likely find it interesting to look up information about people you know. This book will open your eyes to new ways to fulfill your goals and attain the fulfillment you hope to find. Life has its ups and downs. The beauty found in reading this book is that the author not only describes life challenges but more importantly points the way to transcend adversity. The psychological patterns that astrology reveals are explained as potential road maps to embrace new growth. This is a book that is loaded with evolutionary footprints to follow to exciting

The Integrated Astrological Guide continues with this second volume. This particular text deals with the encoding of information both astrologically and generally that interferes with and colors our critical thinking skills and ability for accurate foresight. Although myths are used to convey concepts, the running theme in all works is that neither astrology nor myths “cause” anything, and that each person’s reality is the result of free will effort and choices at every given moment. They do however; reflect engrained archetypal belief structures passed down over millennia. Those belief structures do affect reality. Logical rules will be increased in this volume and fallacious thinking illuminated not only in traditional astrological principles, but in widely accepted social attitudes.

The myth behind the shadow planet Rahu speaks of the Asura Swarbhanu, who was a dragon. He was sundered during the churning of the Ocean of Milk, wherein the last gift was amrita, the nectar of immortality. The demons and the gods had agreed to co-operate and churn the ocean of milk in order to receive the precious gifts it had. They would take the gifts - but the demons engaged in subterfuge and obtained the last gift - the pot containing the nectar of immortality. The gods, outraged, called to Lord Vishnu for aid. Lord Vishnu took the disguise of an enchantress, Mohini. This enchantress prevented the demons from drinking the pot of amrita, and made arrangements to divide the pot between the gods and the

demons. The enchantress fooled the demons with her beauty and sweet endearments, whilst feeding the contents of the pot to the gods. Swarbhanu was not fooled; he had clearer perception, took a disguise and sat among the gods and was given a taste of the nectar. The Sun and the Moon, saw the deception and informed Vishnu, who promptly took off Swarbhanu's head with his discus. The body fell down dead (and was later revived as Ketu); the head had tasted immortality and continued to live. It is said that Rahu seeks revenge by "swallowing" the Sun and Moon from time to time - this is the explanation for occurrence of eclipses.

this philosophic structure, are referenced and explained. This text is complete will all basic astrological signifiers delineated with new and expanded insight. A complete explanation of how we bring our early environment and beliefs into adulthood and create our reality and experiences, is explored and explained psychologically, metaphysically and pragmatically. This book blends many different philosophies and gives the message that using astrology can be a tool to self-understanding and transformation; that it is not a mysterious tool of divination but that it can be used to examine our existing beliefs, and that it is up to us what we do with that knowledge. The ideas in this book challenge the reader to look at the responsibility they have for their own lives, and begin to teach how to do this using astrology. The individual interpretations of placements are basic. The author has delved to the core of the meanings of the archetypes from a psychological perspective. The results are dynamic, all-encompassing (yet specific to the placement) keys, with which to begin delineations. This is something that has been lacking in many other astrology books with more shallow definitions. There are several example delineations of charts which take the reader

through the process of using this information in a complete chart, showing how the insight from the previous chapters can be used to "read" a chart. Definitely a work of text-book caliber, not a coffee-table book.

An intense year of high passions and important decisions. You will feel that everything matters deeply, and it may be that many important things are on the line. It is a time when nothing can be taken lightly as decisions made have more far-reaching consequences than usual. You are confident, creative and inventive in 2016 and ready to make the changes in your life that are

needed. This is not a time of drastic changes, but rather of improvements and adjustments to make sure that your life is heading in the right direction. You will find that you have the flexibility to create new opportunities and follow new paths if you so choose. It is not a year when you will leap into anything as you have the tendency to think long and hard, often deeply analysing people and plans before you commit. Never underestimate the power of your mind in 2016; what you envision can become a reality and how you think will shape your life and relationships. Goals motivated by a desire for self-improvement and self-empowerment or transformation of others have a wonderful chance of success." A woman who struggles on the spiritual path needs validation, guidance, inspiration and practical advice. This handbook is to help her survive the transition of the past several centuries and come to her full empowerment. This is especially for she who needs to reprogram herself as the Warrior Priestess in what is still a mans world. It is for the one who seeks to understand her place as the embodiment of the Divine Feminine Spirit because now it is time to uplift the wounded feminine consciousness to its rightful power, to transmute the negative results of ignorance and subjugation. This book is a call and a guide for the neophyte on the Path as well as for all the extraordinary women who are searching for a Friend in the dark, when they are feeling most damned and abandoned because of their Vision. It is for all the Spiritual Warrior/Priestesses who have forgotten some of the pitfalls, as well as the joys, of their Journey. This book will serve as an inspiration for those who have lost that Sight. In the playing field of womens spirituality, no one book or resource offers

such a clear picture of the magical destiny of the Woman of Tomorrow, especially for those with eclectic beliefs. THE WAY OF THE WARRIOR PRIESTESS addresses this need for self transformation by inspiring the reader with important quotations as well as the authors guidance, step by step direction, affirmations, useful astrological insights, as well as a section that asks questions that will push the reader into changing some tired perceptions. It is written to fire up the spirit of the sleeping Feminine Spirit in both women and men. It is a handbook and empowerment manual for the growing army of individuals born at this special time in Mother Earths history to help rebalance Her during certain changes. ...for all of those brave souls willing to go in an exciting new direction. WHY THE READER SHOULD READ THIS BOOK This is not another book about the womens spirituality movement or about why women are goddesses. Rather it is a bridge between traditional magickal wisdom and the everyday challenges of the woman of the 90s. It is a call to transformation and will answer the intense desire for women of all ages and colors to heal their lives. It will give them permission and purpose to become what they really are: perfected beings. It will also

bring on an almost-instant wakeup call for men. It embraces no particular theology, religion or mythology and is not a psychological treatise. It does not advocate any one path to take, nor is it anti anything except ignorance....It does come from a spacious metaphysical vision that many will relate to with a sigh of relief. The average woman is still rather paralyzed and in partial ignorance of her power as a Magical Being...because she does not even have the voice or words to help herself. And most books on this subject are still either too academic or beyond the average womans experiences. This book will serve as a tool and a light to help her see herself. The Talking Stick section at the end of each chapter is to jumpstart some profound self questioning - as well as a handy starting point in teaching situations....ideal to teach self empowerment workshops all over the world. The extensive Resources section at the back of the book is to help locate the key material for the process. This book will be appropriate for several markets: Feminist, Goddess, Spiritual, Metaphysical, Womens Self Help. It should be in metaphysical centers, universities, feminist study groups, and womens conferences and gatherings. It is for women ages 16-90 who

maintains that there is a natural resonance between the evolving motion of the universe, and the development of the human soul. For the first time, Adrian Duncan shows how to empower clients and create transformation by harnessing horoscopes. Duncan has created an innovative manual that masterfully guides astrological practitioners and interpreters through every aspect of working with clients. Going beyond astrology simply as a diagnostic tool, *Astrology: Transformation & Empowerment* shows how to harness perception and sensory states to create positive change in one interpretive session! Part 1 - "Setting the Scene," explains how to read the client before reading their chart. Body language, mind reading, and the elements are touched upon. Part 2 - "The Major Players," depicts specific planetary combinations and what they entail in regard to emotional responses, relationships, and the future. Part 3 - "Transformation Methods," teaches ways to expand awareness of the problem at hand, reframe the reading, expand sensory skills, and discover new communications systems. Throughout, Duncan shares profiles and vignettes of clients that demonstrate his techniques.

A revolutionary approach to unlocking the transformative power of astrology Get what you wish for in love ... happiness ... health ... career ... money ... and more! The Moon's influence on human destiny has been recognized since ancient times, but its potential for generating positive outcomes has often been ignored — until now. In this breakthrough book, master astrologer Jan Spiller reveals the secrets of harnessing the Moon's astonishing power to make your goals a reality! Not just another astrology book, New Moon Astrology provides practical, step-by-step instructions, based on ancient rites and philosophy as well as on Jan Spiller's own vast astrological experience, in framing your wishes in any area — love, career, family, or health. On New Moon Power Days, your desires become incantations with amazing focus and strength. Using the special Moon chart included here, you'll be able to express your wishes during a "magic" moment — a personal power period in the astrological cycle — setting forces in motion that transform your desires into reality. With this exciting technique, you will see your wishes actually coming true in the months — and years — ahead! If you are ready to live your dreams, use this proven-effective approach to personal fulfillment. Learn:

- How to use the potent New Moon each month to time your power wishes
- How to locate the three to five weeks each year when you personally are in a position of tremendous empowerment to achieve your goals
- Which special Moons throughout the year help grant specific wishes, such as attracting money, meeting a new lover, or traveling to exciting places!
- How to use the destiny revealed by your astrological chart along with then New Moon to achieve

meanings of the sun signs, planets, and more--but that is just the start--Astrology for Self-Empowerment shows that you are not at the mercy of the planets and stars. Instead, you can use their archetypal power to:

- Create the future you want
- Overcome self-defeating subconscious programming
- Create a life that is richer in every way

This book shows you how to do this with techniques of self-exploration, visualization, affirmation, invocation, breath work, and working with the gems and crystals associated with the planets and signs. These are tied together in a powerful and easy-to-use program for self-change and empowerment. Examples show you how to do this easily for yourself. Astrology for Self-Empowerment will empower you to change your universe and become what you want to be. You owe it to yourself to get this book. This is a Print-on-Demand title.
