

## **Athena The Wise**

*High school romance is tough—even for a bona fide love goddess. Can Cupid succeed as a mortal matchmaker? When Eros (aka Cupid) is expelled from Olympus for defying Zeus after falling in love with Orion, she is banished to what she believes to be hell. We call it New Jersey. If she ever wants to go back to the comforts of her old life, she will have to find love for three couples—without using her powers. Eros, now calling herself True, immediately identifies her first project in Charlie and believes finding him love will be a piece of cake. Charlie is new at school and eager to break out of his old image of band geek, so it's lucky for him when he falls in with the right crowd on his first day. But music is still his passion. That is, until he meets Katrina... Katrina is floundering after the death of her father and takes refuge with a boy who, while not entirely supportive, will be there when she needs him, unlike her mother. Too bad True thinks any girl Charlie talks to is perfect for him. Can she get out of her own way and help Charlie and Katrina connect, or will she be stuck in New Jersey forever?*

*Bourne Identity meets Karen McManus in this action-packed series opener about a spy gone rogue, perfect for fans of Ally Carter and Killing Eve. Jessie Archer is a member of the Athena Protocol, an elite organization of female spies who enact vigilante justice around the world. Athena operatives are never supposed to shoot to kill—so when Jessie can't stop herself from pulling the trigger, she gets kicked out of the organization, right before a huge mission to take down a human trafficker in Belgrade. Jessie needs to right her wrong and prove herself, so she starts her own investigation into the trafficking. But going rogue means she has no one to watch her back as she delves into the horrors she uncovers. Meanwhile, her former teammates have been ordered to bring her down. Jessie must face danger from all sides if she's to complete her mission—and survive. Don't miss this gripping page-turner that New York Times bestselling author Patrick Ness called "a ferocious, take-no-prisoners thriller that actually thrills!"*

*From Paulo Coelho, author of the international bestseller The Alchemist, comes a poignant, richly poetic story that reflects the depth of love and life. Rarely does adolescent love reach its full potential, but what happens when two young lovers reunite after eleven years? Time has transformed Pilar into a strong and independent woman, while her devoted childhood friend has grown into a handsome and charismatic spiritual leader. She has learned well how to bury her feelings . . . and he has turned to religion as a refuge from his raging inner conflicts. Now they are together once again, embarking on a journey fraught with difficulties, as long-buried demons of blame and resentment resurface after more than a decade. But in a small village in the French Pyrenees, by the waters of the River Piedra, a most special relationship will be reexamined in the dazzling light of some of life's biggest questions.*

*Little Athena finds herself on a Wizard of Oz inspired adventure in this first Little Goddess Girls story—part of the Aladdin QUIX line! After a strange and sparkly storm carries her away from home, Athena finds herself in a land filled with magic, talking animals, and incredible objects with magical powers—the land of Mount Olympus! When Athena arrives, she's greeted by the talking Owlies and is paired with very special magical sandals—sandals with powers that Medusa, a green, snake-haired girl, wants for herself! A glowing goddess (of hearth and home) named Hestia appears and warns Athena that if Medusa gets her snakes on those sandals, she'll surely use its powers to make trouble for Mount Olympus! But Athena has more important things on her mind—like going back home! Determined to find her way back, Athena heads off on an adventure through the magical landscape of Mount Olympus to try and elude Medusa—and find her way back to the mortal world once and for all with the help of the great and powerful Zeus!*

*Determined to prove that her prophecies are real, Cassandra sends special fortune cookies to Mount Olympus Academy, and her fortunes end up coming true in very unexpected ways. Well-researched and true to the classical Greek myths, each volume in the Goddess Girls series addresses contemporary issues like friendship and relationships from a classically accurate—and entertaining—perspective.*

The first-ever standalone superspecial in the Goddess Girls series—let the games begin! Athena, Medusa, Artemis, and Persephone are sick and tired of being left out of the annual boys-only Olympic Games. Their solution? The Girl Games! But as the Goddess Girls work to make their dream into a reality, they come up against plenty of chaos and competition. Told in alternating points of view, this superspecial is packed with Olympic spirit!

A classic work of female psychology that uses seven archetypal goddesses as a way of describing behavior patterns and personality traits is being introduced to the next generation of readers with a new introduction by the author. Psychoanalyst Jean Bolen's career soared in the early 1980s when *Goddesses in Everywoman* was published. Thousands of women readers became fascinated with identifying their own inner goddesses and using these archetypes to guide themselves to greater self-esteem, creativity, and happiness. Bolen's radical idea was that just as women used to be unconscious of the powerful effects that cultural stereotypes had on them, they were also unconscious of powerful archetypal forces within them that influence what they do and how they feel, and which account for major differences among them. Bolen believes that an understanding of these inner patterns and their interrelationships offers reassuring, true-to-life alternatives that take women far beyond such restrictive dichotomies as masculine/feminine, mother/lover, careerist/housewife. And she demonstrates in this book how understanding them can provide the key to self-knowledge and wholeness. Dr. Bolen introduced these patterns in the guise of seven archetypal goddesses, or personality types, with whom all women could identify, from the autonomous Artemis and the cool Athena to the nurturing Demeter and the creative Aphrodite, and explains how to decide which to cultivate and which to overcome, and how to tap the power of these enduring archetypes to become a better "heroine" in one's own life story.

Athena finds out she's a goddess and goes to Mount Olympus Academy in this first book in the Goddess Girls Graphic Novel series, based on the popular and long-running Goddess Girls series. Athena always knew she was smart and special, but she didn't realize that she was a goddess! When she's whisked away to Mount Olympus Academy, she worries about fitting in and dealing with her dad, Zeus. Luckily, she meets the Goddess Girls and finds the best friends she's ever had.

A new mergirl shows up at Mount Olympus Academy, and Poseidon just might be her perfect match: Amphitrite is a mergirl with a big crush on him, but will his quirks make her fall out of like?

Goddess Girls follows four goddesses-in-training – Athena, Persephone, Aphrodite, and Artemis— as they navigate the ins and outs of divine social life at Mount Olympus Academy, where the most privileged gods and goddesses of the Greco-Roman pantheon hone their mythical skills. In each book, readers get to see how each goddess became

who we know today. These much-beloved classic myths are given a modern twist and follow storylines familiar to modern tweens, from dealing with bullies (Athena and Medusa) to first crushes (Persephone and Hades). Athena the Brain follows Athena's first days at Mount Olympus Academy. She always knew she was smart and special, but she didn't realize that she was a goddess! When she's whisked away to MOA, she worries about fitting in and dealing with her dad (Zeus). Luckily, she meets the Goddess Girls and finds the best friends she's ever had. In Persephone the Phony, Persephone develops a crush on bad-boy Hades. Her mom (Ceres) doesn't approve, and neither do her friends. Persephone finds herself sneaking around to see him, but he ultimately tells her that she should tell them the truth and it's revealed that he isn't all that bad, just misunderstood! The GG support her and eventually her mom comes around too. Aphrodite the Beauty features Aphrodite, goddessgirl of love, as she deals with jealousy after giving Athena a makeover (godboys pay more attention to her!), and dealing with a crush from an unlikely place -- the nerdy Hephaestus (god of the smith).

Athena wants to upgrade a labyrinth for King Minos, but her approach causes problems in this Goddess Girls adventure. Athena's arrogance gets the best of her when her attempts to improve King Minos's labyrinth have unexpected—and disastrous—results!

Pallas, the daughter of Triton and messenger of the sea, enrolls at Mount Olympus Academy in this twenty-first Goddess Girls adventure!

Little gods, big personalities! This series follows little versions of the Greek gods who are at a camp to learn how to control their powers and use them properly--as well as learn to get along with one another. The next book in this series follows Athena as the Little Olympians prepare for their own Olympic Games! All the other gods brag about what competitions they'll win because of their powers--Artemis and Apollo will surely win any bow-and-arrow practice, Ares will win any strength competition, and Hermes will win any footrace--but in what event can Athena possibly take the gold? Sure she's wise, but she can't match their godly powers . . . or can she? As the games begin, Athena has to find unconventional ways to stay in the competition. Will she be able to use strategy and cunning to win the Olympics and show that knowledge is the ultimate power?

*Well-researched and true to the original myths, each volume in the Goddess Girls series addresses contemporary issues like friendships and relationships from a classically accurate—and entertaining—perspective. In Aphrodite the Beauty, Aphrodite, goddessgirl of love, must deal with jealousy after giving Athena a makeover. It doesn't seem fair that the godboys pay more attention to her friend when Aphrodite is supposed to be destined for love! She also copes with a crush from an unlikely source—the nerdy Hephaestus (god of the smith)—and learns that love comes in many forms.*

*For an extra credit project, Aphrodite begins a club for matchmaking mortals, which brings her to Egypt and face-to-face with her competition, the Egyptian goddess Isis.*

*A prophecy condemns him, a goddess binds him, but what will set Odysseus free? A thrilling tale of a legendary Greek adventure, perfect for fans of Madeline Miller and David Gemmell. Young Prince Odysseus is about to have his world torn apart. He has travelled to the oracle at Pytho to be anointed as heir to his island kingdom, but instead a terrible secret is revealed, one that tears down every pillar of his life and marks him out for death. Outcast by his family and on the run, Odysseus is offered sanctuary by Athena, goddess of wisdom, and thrust headfirst into the secret war between the gods. But can his wits, and his skill as a warrior, keep him ahead of their power games – and alive? Gods and mortals collide in this spellbinding retelling of a legend from classic Greek mythology, the first in the epic Olympus Trilogy. Praise for Athena's Champion 'I'm always a sucker for some greek mythos retellings but this took the legendary tale to a another level. Leap into the world of Zeus the hamster and his gang of gods as they solve the mystery of the labyrinth in the second book in this hilarious modern-day take on Greek mythology. Our story begins in the depths of a winding labyrinth, the domain of a fearsome Minotaur who threatens all who live on Mount Olympus. Can Zeus the Mighty save the day? The critters are back and on the quest of a lifetime! Join Zeus the overconfident hamster, Athena the wise cat, Ares the treat-loving pug, Poseidon the proud pufferfish, and Demeter the loyal grasshopper in this laugh-out-loud adventure.

Welcome to Mount Olympus, a pet supply and rescue center that sits high atop a hill in Athens, Georgia. By day, the pets there do what all pets do: Chew on a bone or curl up for a catnap. Under the careful watch of their Greek history obsessed caretaker, Artie, the pets listen in to her favorite podcast, Greeking Out, each night. But under the cover of nightfall, Zeus and his cohorts spring free from their cages and pursue quests bestowed upon them by the magical all-knowing Oracle of Wi-Fi. And once again, she has spoken: There's a threat in Mount Olympus Pet Center, and it's going to take guts, smarts, and strength to triumph. Join Zeus and his friends on this rollicking romp through a winding labyrinth (the center's duct system) and Greek mythology.

Honor life's milestones and bring sacredness into everyday life. The Book of Blessings and Rituals shows you how to create ceremony and meaning around the most important events in your life. Drawing from different world traditions, leading metaphysical teacher Athena Perrakis presents blessings to cover a wide array of occasions and intentions, including holidays and sacred days, love, healing, protection, prosperity and success, lunar blessings and rituals, and manifestation. Organized by month, you'll be able to celebrate the sacred all year long. DIY projects and rituals will help you perform each blessing. You'll learn how to construct medicine bundles and altars, which crystals to use to amplify the rituals or clear energy, and how to smudge for clearing and protection. In addition, you'll learn how to use the power of invocations and blessings to set the energy of your home or event and to assist in amplifying goals and intentions. Deepen your experience of the sacred, find inspiration, and heal with this non-denominational guide to blessings and rituals.
