

*Wake of War*

*My Will to Live*

*In the midst of World War II, a German-American family finds themselves stranded in Japan in this inspiring tale of an extraordinary family adapting to the hazards of fate, and finding salvation in each other. In the spring of 1941, seven-year-old Hildegard Ercklentz and her family leave their home in New York City and set off for their native Germany, where her father has been called for work. It was meant to be an epic journey across the US and the Pacific, but when Hitler invades Russia they are trapped in Japan for six years. This is a spellbinding memoir and a moving saga.*

*Olga Lengyel tells, frankly and without compromise, one of the most horrifying stories of all time. This true, documented chronicle is the intimate, day-to-day record of a beautiful woman who survived the nightmare of Auschwitz and Birchenau. This book is a necessary reminder of one of the ugliest chapters in the history of human civilization. It was a shocking experience. It is a shocking book.*

*Letters from the Looney Bin*

*The Hidden Girl*

*Five Chimneys*

*My Escape from North Korea*
