A Gripping Romance in a Natural Setting "To my way of thinking and working, the greatest service a piece of fiction can do any reader is to leave him with a higher ideal of life than he had when he began. If in one small degree it shows him where he can be...gentler, saner, cleaner, kindlier...it is a wonder-working book. If it opens his eyes to one beauty in nature he never saw for himself and leads him one step toward the God of the Universe, it is a beneficial book..." — Gene Stratton-Porter In Gene Stratton-Porter's novel, The Harvester, a noble and kind man harvests wild plants for medicines. Wherever you live, in an urban apartment, town house, or country cottage, Chris will inspire you to bring comfort and happiness into your space whether by creating a welcoming wreath for the front door made from foraged items, kitchen curtains made from old vintage tea towels, eco-friendly natural cleaning products, or lavender bags and scented candles... Root, Stem, Leaf, Flower is a cookbook about plants – it’s about making the most of the land’s bounty in your everyday cooking. Making small changes to the way we cook and eat can both lessen the impact we have on the environment and dramatically improve our health and wellbeing: good for us and for future generations to come. Making plants and vegetables the focus of your meals can improve your cooking exponentially - they provide a feast of flavours, colours and textures. Root, Stem, Leaf, Flower is a true celebration of seasonal vegetables and fruit, packed with simple and surprisingly quick vegetarian recipes. With roots, we think of the crunch of carrots, celeriac, beetroot. From springtime stems like our beloved asparagus and rhubarb, through leaves of every hue (kale, radicchio, chard), when the blossoms become the fruits of autumn – apples, pears, plums – the food year is marked by growth, ripening and harvest. With 120 original recipes, every dish captured by acclaimed photographer Andrew Montgomery, and Gill’s ideas for using the very best fresh ingredients, Root, Stem, Leaf, Flower is a thoughtful, inspiring collection of recipes that you’ll want to come back to again and again. Praise for Time: "I love Gill Meller's food: it is completely his own, and ranges from the (unpretentiously) rarified to the smile-inducingly cosy; indeed, he often seems to fuse the two... his recipes make me want to run headlong into the kitchen." – Nigella Lawson "Gill Meller's latest cookbook, Time, is poetic and romantic – a string of beautiful recipes guide you through the seasons. – Yotam Ottolenghi, Guardian Praise for Gather: "My book of the autumn and possibly of the year... Gather is a perfect expression of something food writers have been trying to define for the past three decades: modern British cooking." – Diana Henry "Just stunning. There’s no one I’d rather cook for me than Gill and there’s not a recipe here I wouldn’t eagerly devour." – Hugh Fearnley-Whittingstall
