The full version of this edition includes 21 volumes.

Contains examples of modulations, extensions, and cadenzas, followed by five characteristic pieces for keyboard and ten fragments of dances.

This collection aims to provide a comprehensive survey of a highly significant part of the Christian Year: Ash Wednesday and Lent, Passiontide, Palm Sunday, Maundy Thursday, Good Friday, and Easter. Its contents span all musical periods of what is a marvellously rich area of church music and it contains much that is not widely available elsewhere under one cover. Ash Wednesday to Easter for Choirs includes a number of less familiar works together with new or recent arrangements of well-known tunes, such as Philip Ledger's 'This joyful Eastertide', Simon Lindley's 'Now the green blade riseth', and Bob Chilcott's setting of 'Were you there?'. Some of the anthems, for example Richard Shephard's 'Sing, my tongue' and Grayston Ives' 'Ride on', have been newly commissioned specifically for this collection, thus filling certain gaps. Wherever possible new practical performing editions of 16th-century repertoire have been prepared, reflecting current scholarship and including an English singing translation and, where the original had none, a dynamic scheme. Such dynamics are the editors' suggestions only and may be freely ignored or adapted. Note values have in some instances been halved. Unaccompanied items include keyboard reductions for rehearsal.

(Guitar Solo). One hundred timeless songs from a wide variety of musical genres are featured in this collection of solo guitar arrangements in standard notation and tab. Includes: Angel \* Bless the Broken Road \* Chances Are \* Don't Know Why \* Faithfully \* Hallelujah \* I Will Always Love You \* Killing Me Softly with His Song \* Memory \* Stardust \* Tears in Heaven \* Woman \* You Raise Me Up \* and many more.

*Would life be better without alcohol? It's the nagging question more and more of us are finding harder to ignore, whether we*

*have a “problem” with alcohol or not. After all, we yoga. We green juice. We meditate. We self-care. And yet, come the end of a long work day, the start of a weekend, an awkward social situation, we drink. One glass of wine turns into two turns into a bottle. In the face of how we care for ourselves otherwise, it’s hard to avoid how alcohol really makes us feel... terrible. How different would our lives be if we stopped drinking on autopilot? If we stopped drinking altogether? Really different, it turns out. Really better. Frank, funny, and always judgment free, Sober Curious is a bold guide to choosing to live hangover-free, from Ruby Warrington, one of the leading voices of the new sobriety movement. Drawing on research, expert interviews, and personal narrative, Sober Curious is a radical take down of the myths that keep so many of us drinking. Inspiring, timely, and blame free, Sober Curious is both conversation starter and handbook—essential reading that empowers readers to transform their relationship with alcohol, so we can lead our most fulfilling lives.*

Italian-born Ludovico Einaudi's Piano music has struck a chord with audiences across the world, and his distinctive meditative style has confirmed his place in the music industry. His albums have soared high in the classical charts and his recitals have been sell-outs. This is Ludovico Einaudi's new project, *Nightbook* - a musical meditation on the transition between light and darkness, the known and the unknown. Expressive and with a more open compositional structure, sonic colours are created through the close blending of the Piano with the Strings and percussion and from the use of electronics which amplifies the sound of the Piano, projecting it like a shadow in all directions. The project grew out of the ideas and "musical sketches" that Einaudi jotted down in a notebook whilst on tour around the world. Einaudi describes the project as A night-time landscape. A garden faintly visible under the dull glow of the night sky. A few stars dotting the darkness above, shadows of the trees all around. Light shining from a window behind me. What I can see is familiar, but it seems alien at the same time. It's like a dream - anything may happen. Selections of expressive and contemplative songs from the album have all been specially transcribed for solo Piano.
