Democracy and Education

John Dewey's Democracy and Education addresses the challenge of providing quality public education in a democratic society. In this classic work Dewey calls for the complete renewal of public education, arguing for the fusion of vocational and contemplative studies in education and for the necessity of universal education for the advancement of self and society. First published in 1916, Democracy and Education is regarded as the seminal work on public education by one of the most important scholars of the century.

One day Donna Jackson Nakazawa found herself lying on the floor to recover from climbing the stairs. That's when it hit her. She was managing the symptoms of the autoimmune disorders that had plagued her for a decade, but she had lost her joy. As a science journalist, she was curious to know what mind-body strategies might help her. As a wife and mother she was determined to get her life back. Over the course of one year, Nakazawa researches and tests a variety of therapies including meditation, yoga, and acupuncture to find out what works. But the discovery of a little-known branch of research into Adverse Childhood Experiences causes her to have an epiphany about her illness that not only stuns her—it turns her life around. Perfect for readers of Gretchen Rubin's The Happiness Project, Nakazawa shares her unexpected discoveries, amazing improvements, and shows readers how they too can find their own last best cure.

Over the centuries God has touched the earth with revival, lifting men and women into his presence in extraordinary ways. And in some epochs the divine hand seems to have rested on us longer and to have caused more profound changes in the church and the culture. Authors Towns and Porter have studied revival eras throughout history in order to identify the ten which seem to have been the greatest of all time. If you

want to understand revival and if you long to see revival in our day, this book will speak to both your mind and your heart.

In **THE CHURCH AWAKENING**, Charles Swindoll discusses the challenges, struggles, and priorities of the church in the twenty-first century. He reveals the problems inherent in the entertainment-based postmodern church and shows how a return to biblical teaching will restore its strength and impact. Now being replaced by a feel-good message instead of what Christians need to know to stand strong in a world that's lost its way--Swindoll exposes the problems of--and solutions for--the postmodern evangelical church. Just as he opened readers' eyes with his bold statements in *The Grace Awakening*, now he offers a straightforward volume revealing how to reestablish a life-altering church with Christ as Lord and Master. Illuminating and empowering, **THE CHURCH AWAKENING** will ignite a revolution in the way Christians "do church" for years to come.

This book contains, in a brief form, author's views a to the conduct of the principal strategical and tactical operations of war, and will be found to be a short and convenient introduction to a deeper study of the rules which should underlie the direction of the ever-varying incidents of modern fighting.

*The nineteenth century, observes Dr. Orr, was the century of Christian action and accomplishment. The social and political upheavals of the late eighteenth century were followed by a decline in Christian witness so serious that it seems as though Christianity was near death. In despair, Christian leaders prayed for Divine intervention; and answer came--a series of six great waves of evangelical renewal and advance which made the nineteenth century the Great Century of evangelism. From this study of Evangelical Revivals it is possible to trace a pattern of action and discover a progression of achievement which demonstrates that the same Spirit of God who moved the apostles continues to operate in the world. Dr. Orr suggests that the evangelical awakenings may be shown to be the foremost method of an Almighty God to promote the betterment of all mankind, and His primary instrument to win men to transforming faith in Himself.*
