The guitarist's guide to mastering the blues. Learn the concepts, techniques and theory specific to the blues, and apply them to both lead and rhythm guitar playing. Licks in the styles of legendary blues guitarists like Muddy Waters, Buddy Guy, B.B. King, and John Lee Hooker are explored in detail.

(Reference). B.B. King was the acknowledged "King of the Blues." In this second edition of the popular book, Eric E. Dahl picks up where the story left off.

The new chapters cover the passing of B.B. King, his award at the Americana Music Awards, his display at the Delta Blues Museum, the 80th Birthday Gibson Lucille that Dahl returned, being sold at auction and an interview with President & CEO of Gibson Brands JC Curleigh. For guitar collectors and players, the reference section on Gibson Lucilles has been updated with pricing and includes the 65th Anniversary Lucille and the Alpine White Lucille.

B.b. King Blues Guitar

How to Play Blues Guitar

B. B. King, blues master III

Learn to Play Blues Guitar

Blues Guitar For Dummies

***(Guitar Recorded Versions). All 10 tracks from this critically acclaimed 1965 release by blues master B.B. King are featured in standard and notation and tab, including: Every Day I Have the Blues \* Help the Poor \* How Blue Can You Get \* It's My Own Fault Darlin' \* Please Love Me \* Sweet Little Angel \* Woke up This Morning \* Worry, Worry \* You Done Lost Your Good Thing Now \* You Upset Me Baby.***

***B. B. King has the blues running through his blood. Growing up in the rural poverty of the Mississippi Delta, King first experienced the blues at nine years old, when his mother passed away. The man of the house before the end of his first decade, he used this strife as a source of inspiration and launched one of the most celebrated musical careers in American history. King has led a remarkable life, and this riveting autobiography dramatizes his whirlwind adventures from the Memphis of the forties to the Moscow of the nineties with unflinching candor and sincerity. But most of all, B.B.'s story is the story of the blues—the evolution from country acoustic to urban electric, the birth and explosion of rock 'n' roll—and B.B.'s own long, but ultimately triumphant, struggle for crossover success, during which he remained unwaveringly true to the music of his heart.***

***(Blues Play-Along). For use with all Bb, Eb, Bass Clef, and C instruments, the Hal Leonard Blues Play-Along Series is the ultimate jamming tool for all blues musicians. With authentic, easy-to-read lead sheets and audio choices, these first-of-a-kind editions will bring your local blues jam right into your house! Each professionally recorded song includes two tracks: a full-stereo mix, and a split track mix with removable guitar, bass, piano, and horn parts. Features 8 songs by the legendary B.B. King: Everyday I Have the Blues \* It's My Own Fault Darlin' \* Just like a Woman \* Please Accept My Love \* Sweet Sixteen \* The Thrill Is Gone \* Why I Sing the Blues \* You Upset Me Baby.***

***Blues legend B.B. King spent his life sharing the music of his soul, which shone relentlessly through hardship and triumph alike. He never wavered from his vocation, even as he gathered up other musicians in his wake and melded them into the harmony of his animating passion. In this intimate portrait of King, author Diane Williams offers a brief account of the monumental blues man's life before settling in for a series of interviews with his bandmates and beloved family members, offering readers an invaluable opportunity to feel like they know King too.***

***An Introduction to the Guitar Styles of the Three Kings***

"Learn to play the three Kings" delves into the guitar styles of Albert King, B.B. King and Freddie King. The book explores the

main elements that make up each player's guitar style and is designed to give you the tools and approaches you need to add a little of each style to your own guitar playing. Each chapter examines the rhythm and lead guitar techniques of the three Kings, which are then broken down into their signature phrases. We dissect the approaches used so you can see the origins of each idea, making them easier to integrate into your own guitar playing. At the end of every chapter we have a specially composed rhythm guitar part and lead guitar solo, demonstrating how you can combine the ideas into the context of a blues piece. Each song includes an accompanying demo track demonstrating each phrase and also a backing track for you to jam over. All accompanying audio can be downloaded from the books website <http://www.bluesguitarkings.com>.

(Play Like). Study the trademark songs, licks, tones, and techniques of blues guitar royal, Freddie King. This comprehensive book and audio teaching method provides detailed analysis of King's gear, tone, techniques, styles, songs, licks, riffs, and much more. You'll learn everything you need to know about Freddie's legendary guitar playing, from his early '60s guitar instrumental hits to his '70s blues-funk excursions and beyond. The book includes access to audio tracks online, for download or streaming, using the unique code inside the book! Including PLAYBACK+, a multi-functional audio player that allows you to slow down audio without changing pitch set loop points, change keys, pan left or right. Songs include: Going Down \* I'm Tore Down \* Remington Ride \* San-Ho-Zay \* The Stumble \* and more.

Blues Master video tapes I, II, and III boxed in an attractive case. These three tapes provide over 3 1/2 hours of blues guitar technique by the master and a lot of great music with his entire band. This set makes a great gift!

Beginning Blues Guitar

The Life and Music of B.B. King

*Every guitar player loves the blues, but how many of us were actually born into poverty in Mississippi? And can anyone honestly claim to have heard the complete recordings of Charley Patton? Never mind... It's Easy To Bluff gives you all the skills you need! Learn to play some impressive blues licks, and discover how to look the part and hold your own in any blues conversation.*

*Guitar Tips brings together some of the world's greatest guitarists, each providing his own insights on music and the guitar. Blues Guitar features B.B. King, Albert Collins, Robben Ford and Keith Wyatt, each demonstrating their distinct approach to playing the blues. They also explain some of the techniques that make their style so identifiable. Hosted by Keith Wyatt. (52 min.)*

*B.B. King's own guitar solos, plus melody line, rhythm guitar, lyrics, chords and a special photo/biography section. Features songs such as: God Bless The Child \* Lift Ev'ry Voice And Sing \* Frankie And Johnnie \* more.*

*32 classics from his Kent recordings, including: Bad Breaks \* Bad Luck Soul \* Blue Shadows \* The Blues Has Got to Me \* Blues Stay Away \* Going Down Slow \* Got 'Em Bad \* I Had a Woman \* It's a Mean World \* King of Guitar \* Rock Me Baby \* Worried Life Blues \* You Don't Know \* and more.*

*Teach Yourself How to Play Guitar (Free Audio Available)*

*The blues guitar style of B. B. King*

*Blues All Around Me*

*Blues Boy: The Life and Music of B. B. King*

*An Illustrated History*

*Music Instruction and Performance*

If the story of the blues is the story of a people, then the voice behind the story belongs to the guitar. The American Blues Guitar: An Illustrated History looks at the instruments and the players, from the birth of the blues to the present day. A brief history of the blues is included. From Blind Lemon Jefferson's Martin to T-Bone Walker's Gibson archtop, and from B.B. King's ES 335 to cousin Albert's Flying-V, all the classic makes and models are documented here in detail, with superb photography, serial number data, and everything the diehard collector - and interested fan - needs to identify these great American heirlooms. You'll find Leo Fender's original patent, filed in April 1951, of the Telecaster guitar, and an analysis of what makes it one of the great instruments. Among the blues artists discussed is Texan Albert Collins and his Gibson humbucker. Expert commentary explains why the players chose the models they did, how their choice influenced their sound, and how those sounds can be recreated today. The American Blues Guitar: An Illustrated History is indispensable to the lover of the blues.

SUMMARY: This study examines the nature, sources, and development of B. B. King's guitar style from his earliest recordings up to the present time.

Want to become the coolest possible version of yourself? Time to jump into learning the blues guitar. Even if you don't read music, Blues Guitar For Dummies lets you pick up the fundamentals and start jamming like your favorite blues artists. Blues Guitar for Dummies covers the key aspects of blues guitar, showing you how to play scales, chords, progressions, riffs, solos, and more. *36 early blues classics from his RPM recordings including: Boogie Woogie Woman \* Every Day I Have the Blues \* Everything I Do Is Wrong \* Hard Working Woman \* It's My Own Fault Darlin' \* Please Hurry Home \* Ruby Lee \* She's a Mean Woman \* Shut Your Mouth \* A Whole Lot of Lovin' \* Woke Up This Morning \* and more.*

*The first full and authoritative biography of an American—indeed a world-wide—musical and cultural legend “No one worked harder than B.B. No one inspired more up-and-coming artists. No one did more to spread the gospel of the blues.”—President Barack Obama “He is without a doubt the most important artist the blues has ever produced.”—Eric Clapton Riley “Blues Boy” King (1925–2015) was born into deep poverty in Jim Crow Mississippi. Wrenched away from his sharecropper father, B.B. lost his mother at age ten, leaving him more or less alone. Music became his emancipation from exhausting toil in the fields. Inspired by a local minister’s guitar and by the records of Blind Lemon Jefferson and T-Bone Walker, encouraged by his cousin, the established blues man Bukka White, B.B. taught his guitar to sing in the unique solo style that, along with his relentless work ethic and humanity, became his trademark. In turn, generations of artists claimed him as inspiration, from Jimi Hendrix and Eric Clapton to Carlos Santana and the Edge. King of the Blues presents the vibrant life and times of a trailblazing giant. Witness to dark prejudice and lynching in his youth, B.B. performed incessantly (some 15,000 concerts in 90 countries over nearly 60 years)—in some real way his means of escaping his past. Several of his concerts, including his landmark gig at Chicago’s Cook County Jail, endure in legend to this day. His career roller-coasted between adulation and relegation, but he always rose back up. At the same time, his story reveals the many ways record companies took advantage of artists, especially those of color. Daniel de Visé has interviewed almost every surviving member of B.B. King’s inner circle—family, band members, retainers, managers, and more—and their voices and memories enrich and enliven the life of this Mississippi blues titan, whom his contemporary Bobby “Blue” Bland simply called “the man.”*
