

Baby Journal The Story Of

Nikki McClure's beautifully detailed illustrations divide this lovely baby journal into sections celebrating the first 1,000 days of life, from the story of birth to jumping into her first mud puddle. Modeled after the journal the author started when her son was born, the sections focus on recording a child's interaction with the natural world, including baby's first tree, moon, and garden.

It's never too early to fall in love with art, especially if you're using it to hone your child's essential skills.

Essential skills refer to your child's patience, determination and self-confidence. Allowing your child to complete a coloring activity on his/her own will boost self-esteem. A confident child can do anything. So what are you waiting for? Get a copy today!

On Haven, a six-mile long, half-mile-wide stretch of barrier island, Mira Banul and her Year-Rounder friends have proudly risen to every challenge. But then a superstorm defies all predictions and devastates the island, upending all logic and stranding Mira's mother and brother on the mainland. Nothing will ever be the same. A stranger appears in the wreck of Mira's home. A friend obsessed with vanishing disappears. As the mysteries deepen, Mira must find the strength to carry on—to somehow hold her memories in place while learning to trust a radically reinvented future. Gripping and poetic, This Is the Story of You is about the beauty of nature and the power of family, about finding hope in the wake of tragedy and recovery in the face of overwhelming loss.

The mission of I Love You Still: A Memorial Baby Book is to cherish pregnancy, remember baby, and honor motherhood. Born and raised in Wayzata, Minnesota, Margaret Scofield attended the University of Arizona where she earned her BA in English with a minor in Family Studies and Human Development. In 2016, while taking time off from her career to start a family, Margaret's dear friend lost her daughter to miscarriage. As a new mom herself, Margaret wanted to do more to help. After she tried in vain to find a baby book that catered to the 1 in 4 women who endure miscarriage, Margaret's purpose became clear. In 2016, Margaret started a business and created the manuscript for I Love You Still: A Memorial Baby Book. Since then, the book has been circulated to over 20 countries, and her story has appeared on news outlets such as NBC News, The TODAY Show, People Magazine, FOX Television, and MSN News. Today, Margaret continues her mission to cherish pregnancy, remember baby, and honor motherhood by encouraging real conversation about pregnancy and baby loss, and postpartum mental health.

I created this pregnancy journal so expecting mamas could have a place to document every stage of their pregnancy. When I was pregnant with my first, Payson, I was so excited to start a pregnancy journal for her. When I got it I was disappointed in the questions & the overwhelming space to have to fill in. I wanted to create a simple, beautiful book that I'd want to display in my home & keep for my little ones so that they could look back on it forever. This book is all the thoughts and feelings I've had throughout my second pregnancy and it's everything I wish I had with my first. I hope you love it, find inspiration in it, & celebrate your pregnancy long after you have your sweet baby.-Mackenzie Lunt
